The Snow Queen Colouring Book Helen Crawford-White, 2016-06-28 My goodness! Such beauty and fine smells! Every imaginable flower from the entire year stood there in the most magnificent blossom. No picture book could be more colourful or gorgeous. A little boy and a little girl live happily in a big city. The little boy's name is Kai, and the little girl's name is Gerda. But one day, Kai is kidnapped by the wicked Snow Queen and swept away to live for ever in her kingdom of ice. Follow Gerda as she travels through snow-filled fields and endless forests in order to find her beloved friend. From the city rooftops to the snows of Lapland, from the Northern Lights to the palace of the Snow Queen herself, a mesmerising world of icy journeys is waiting to be brought to life by your pen... A gorgeous, beautifully designed coloring book: 30 unique and exquisite spreads, inspired by the classic fairy tale, of line drawings of winter landscapes, flower-filled meadows, crows, princesses, castles and reindeers, accompanied by quotes from Andersen's timeless tale.

If Anything Happens I Love You Will McCormack,Michael Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, If Anything Happens I Love You is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly

break down under the weight and pain of their loss. Throughout the novel, Rose's soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. If Anything Happens I Love You may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

Last Minute Mermaid Tallulah Burns, 2019-03-17 When Kasey Martin takes a last minute gig to help out a friend whose catering company is in danger of going under, the last thing she expects is that her job is to be a live centerpiece for a lavish seafood buffet...dressed as a mermaid. It was not the type of thing she expected when she became an actress! She also doesn't expect to meet the centerpiece of the other buffet table, a gorgeous siren whose name (honest to god) is Lorelei. While Kasey finds the whole experience awful and embarrassing, Lorelei finds it hilarious, and she finds Kasey wonderful. Lorelei is the most amazing woman Kasey has ever met, but she has been hurt too many times and is afraid to take a chance by falling for her. As they work together to help their friend (who soon has bigger and more dangerous problems than a failing catering company) they find themselves irresistably drawn to each other. Kasey wonders what beautiful, confident Lorelei could see in her, but despite herself begins to hope. Is it possible that a beautiful sea siren could fall in love with a last minute mermaid?
