**Before We Were Strangers** Renée Carlino,2015-08-18 From the USA TODAY bestselling author of *Sweet Thing* and *Nowhere But Here* comes a love story about a Craigslist “missed connection” post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn’t stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn’t see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn’t know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I’ve spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half? M

**Essays on Fascism** Benito Mussolini,Oswald Mosley,Alfredo Rocco,2019-03-25 The *Ideology of Fascism* was written by Oswald Mosley in 1967 and provides a post WW2 analysis of the strengths and weaknesses of Fascism as a political doctrine, and utilising its strengths proposes a United Europe, in union with science, as a prime requirement for the 21st Century. The *Doctrine of Fascism* was written by Benito Mussolini and the Italian philosopher Giovanni Gentile. A key concept of which was that fascism was a rejection of previous models: If the 19th century was the century of the individual we are free to believe that this is the 'collective' century, and therefore the century of the State. Giovanni Gentile was inspired by Italian intellectuals such as Mazzini, Rosmini, Gioberti, and Spaventa from whom he developed the idea of self-construction, but also was strongly influenced by the German idealist and materialist schools of thought - namely Marx, Hegel, Fichte, and Nietzsche. Gentile was described by Mussolini, as 'the philosopher of Fascism'. Alfredo Rocco developed the economic and political theory of corporatism which would become part of the Fascist Manifesto of the National Fascist Party. Rocco denounced the European powers for imposing foreign culture on Italy and criticized the European powers for endorsing too much liberalism and individualism. The Fascist Manifesto was endorsed by a large number of intellectuals, and writers, including Luigi Pirandello, Gabriele D'Annunzio, Filippo Tommaso Marinetti and Giuseppe Ungaretti.

*I Love Jesus, But I Want to Die* Sarah J. Robinson,2021-05-11 A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn’t cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you’re left wondering if God has abandoned you. You just want a way out. But there’s hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn’t look like what you expect.

As the motor car and its passengers make their way across the field, the weather begins to turn and the rain is soon pouring down. The tyres cannot grip the muddy ground, so Mr Gumpy asks for volunteers to push the car. But everyone has an excuse, until it gets so bad that they all have to get out and help. Eventually, the sun shines once more as they drive across the bridge - and there's time for a swim on the way home.
