Eric Lewald

Twelve Years a Slave Solomon Northup, 2024-01-04
Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

One Degree of Change Larry Jackson, 2015-01-23
This book was written for the person who understands that there is so much more for them to accomplish but just can't seem to breakthrough. One of the traps in life is being satisfied with a 211 degree life. This is a very good life and many

would characterize it as a successful life. But for the person who should be living at 212 degrees they feel like the oyster with sand in its shell, very agitated. Many times they can't put their finger on what is wrong or what is needed. Even the Christian living a good life before God can feel that something is missing. The thing missing is their purpose. They love the Lord and all that He provides but they realize there is more they should be doing for Him. If you feel like you are not walking in your purpose then this is the book for you! One Degree of Change: How to Succeed Now! will open your heart and mind to just how close you really are to accomplishing what the Lord has designed you for. It will provide much needed answers for your advancement. Because you are only one degree from the success you desire.

The Language of Gaming Astrid Ensslin, 2017-09-16
This innovative text examines videogames and gaming from the point of view of discourse analysis. In particular, it studies two major aspects of videogame-related communication: the ways in which videogames and their makers convey meanings to their audiences, and the ways in which gamers, industry professionals, journalists and other stakeholders talk about games. In doing so, the book offers systematic analyses of games as artefacts and activities, and the discourses surrounding them. Focal areas explored in this book include: - Aspects of videogame textuality and how games relate to other texts - the formation of lexical terms and use of metaphor in the language of gaming - Gamer slang and 'buddylects' - The construction of game worlds and their rules, of gamer identities and communities - Dominant discourse patterns among gamers and how they relate to the nature of gaming - The multimodal language of games and gaming - The ways in which ideologies of race, gender, media effects and language are constructed Informed by the very

latest scholarship and illustrated with topical examples throughout, *The Language of Gaming* is ideal for students of applied linguistics, videogame studies and media studies who are seeking a wide-ranging introduction to the field.

Horror Noire Robin R. Means Coleman, 2013-03 From King Kong to Candyman, the boundary-pushing genre of the horror film has always been a site for provocative explorations of race in American popular culture. In *Horror Noire: Blacks in American Horror Films from 1890's to Present*, Robin R. Means Coleman traces the history of notable characterizations of blackness in horror cinema, and examines key levels of black participation on screen and behind the camera. She argues that horror offers a representational space for black people to challenge the more negative, or racist, images seen in other media outlets, and to portray greater diversity within the concept of blackness itself. *Horror Noire* presents a unique social history of blacks in America through changing images in horror films. Throughout the text, the reader is encouraged to unpack the genre's racialized imagery, as well as the narratives that make up popular culture's commentary on race. Offering a comprehensive chronological survey of the genre, this book addresses a full range of black horror films, including mainstream Hollywood fare, as well as art-house films, Blaxploitation films, direct-to-DVD films, and the emerging U.S./hip-hop culture-inspired Nigerian Nollywood Black horror films. *Horror Noire* is, thus, essential reading for anyone seeking to understand how fears and anxieties about race and race relations are made manifest, and often challenged, on the silver screen.

Unhallowed Necropolis Atomic Overmind Press, 2012-10-10

Hour of the Beast Michael Forsyth, 2011-03 The

nightmare begins on a lonely country road when young bride Elaine Stern suffers a fate worse than death at the hands of a werewolf. Nine months later, the traumatized woman gives birth to a pair of fraternal twins. One, Jason, is frail, bespectacled and timid. The other, Joshua, is aggressive and hairy, with uncanny strength. When the boys are in their teens, they arrive at Hallerton College, a mysterious place where weird things tend to happen even before they get there. The horror goes into overdrive when a string of grisly murders paralyzes the campus. As the body count mounts, Jason begins to suspect that his brother has inherited the curse of lycanthropy. He races to find a cure, enlisting the help of the wise, adventurous and beautiful Professor Cairo Oldewood. Also along for the ride are Cameron, a gorgeous blonde coed, and Jason's roommate Dylan, a fearless extreme-sports junkie who will do anything for a thrill, even face the full fury of a rampaging monster. Together, to save Joshua's soul, they must solve a centuries-old mystery before the full moon rises again, and before the hour of the beast is upon them! Hour of the Beast is written in fire and blood. This gripping, fast-paced mystery/thriller features an Indiana Jones-type heroine, Cairo Oldewood. It will keep you turning the page to the very last horror. -- J.e. Franklin, winner of New York Drama Desk Award. Fast-paced and tightly written, Hour of the Beast is a terrifying roller-coaster ride through Hell and back. From the opening scene of indescribable horror to its nail-biting climax on a snow-enshrouded mountain, the tale grabs you by the throat and never lets go. The book introduces a unique horror heroine: Professor Cairo Oldewood, a globe-trotting female Indiana Jones. This charismatic character is intriguing enough to spawn a book series of her own- provided she survives, of course. The author is a former writer

for the infamous tabloid Weekly World News, best known for its wacky headlines like Bat Boy Escapes and Alien Backs Clinton. So, as one might expect, the novel is laced with black, subversive humor. Some of the college students' wisecracks and use of slang (banishing your roommate so you can have sex in privacy is known as sexiling) will make the reader laugh out loud. Yet the book is meticulously researched and delves seriously into werewolf lore. In its pages one finds everything from the origins of lycanthropy in Greco-Roman cults to its bizarre link to LSD produced in bread mold. And, though it delivers the requisite blood, gore and chills in spades, *Hour of the Beast* is more than just a horror novel. The author is a Yale graduate with a degree in English Literature and it shows. The work is full of sly historical and literary allusions (Hallerton College is a nod to Harry Haller, the protagonist of Herman Hesse's *Steppenwolf*). In many ways, the book is a thought-provoking exploration of the nature of good and evil in a man. The novel has its share of steamy moments. Some scenes between Cameron and one of the brothers will certainly get readers' pulses pounding. But, despite an opening rape scene--which is tastefully executed, there is nothing in this book to offend the typical adult or young adult reader. Reminiscent of the early novels of Stephen King, such as *Salem's Lot*, *Hour of the Beast* is a masterpiece of modern horror. Beyond the fright factor, the book's characters are three-dimensional and fascinating--you actually care about them. This book will appeal to hardcore horror fans and to people who prefer their chillers with a dose of intellect. The folks who like the works of Charlaine Harris (author of the *Sookie Stackhouse* books that are the basis of the HBO series *True Blood*) will love this scary, smart, sexy novel.

DC Meets Looney Tunes Tom King, Sam

Humphries, Bill Morrison, Steve Orlando, Frank J. Barbiere, Tony Bedard, 2018-02-20 DC's iconic superheroes meet the wacky characters of Looney Tunes in some of the most surprising stories in comics in DC MEETS LOONEY TUNES! When Elmer Fudd sets his sights on Bruce Wayne, it's a "wabbit hunt" you'd never imagine! Prospector Yosemite Sam strikes it rich, but can circus performer Foghorn Leghorn and bounty hunter Jonah Hex keep him alive long enough to enjoy it? Plus, Wonder Woman enlists the help of the Tasmanian Devil to save the Amazons; Lobo gets caught in the war between a mutated Road Runner and a wily super-genius of a coyote; and the last survivors of Mars fight over the fate of planet Earth! Finally, when the Legion of Super-Heroes needs help, a wrong turn at Albuquerque means the future's survival depends on... "Super" Bugs Bunny! Worlds collide, courtesy of some of comics' greatest talents, among them Tom King, Lee Weeks, Jimmy Palmiotti, Mark Texeira, Tony Bedard, Bill Morrison, Kelley Jones, Steve Orlando, Sam Humphries and more! Collects BATMAN/ELMER FUDD SPECIAL #1, JONAH HEX/YOSEMITE SAM SPECIAL #1, WONDER WOMAN/TASMANIAN DEVIL SPECIAL #1, LOBO/ROAD RUNNER SPECIAL #1, MARTIAN MANHUNTER/MARVIN THE MARTIAN SPECIAL #1 and LEGION OF SUPER-HEROES/BUGS BUNNY SPECIAL #1!

Fundamentals of Game Design Ernest Adams, 2010-04-07 To create a great video game, you must start with a solid game design: A well-designed game is easier to build, more entertaining, and has a better chance of succeeding in the marketplace. Here to teach you the essential skills of player-centric game design is one of the industry's leading authorities, who offers a first-hand look into the process, from initial concept to final tuning. Now in its second edition, this updated classic reference by Ernest Adams offers a complete and practical approach to game design, and includes material on concept

development, gameplay design, core mechanics, user interfaces, storytelling, and balancing. In an easy-to-follow approach, Adams analyzes the specific design challenges of all the major game genres and shows you how to apply the principles of game design to each one. You'll learn how to: Define the challenges and actions at the heart of the gameplay. Write a high-concept document, a treatment, and a full design script. Understand the essentials of user interface design and how to define a game's look and feel. Design for a variety of input mechanisms, including the Wii controller and multi-touch iPhone. Construct a game's core mechanics and flow of resources (money, points, ammunition, and more). Develop appealing stories, game characters, and worlds that players will want to visit, including persistent worlds. Work on design problems with engaging end-of-chapter exercises, design worksheets, and case studies. Make your game accessible to broader audiences such as children, adult women, people with disabilities, and casual players. "Ernest Adams provides encyclopedic coverage of process and design issues for every aspect of game design, expressed as practical lessons that can be immediately applied to a design in-progress. He offers the best framework I've seen for thinking about the relationships between core mechanics, gameplay, and player-one that I've found useful for both teaching and research." — Michael Mateas, University of California at Santa Cruz, co-creator of *Faça*

Icons of Horror and the Supernatural S. T. Joshi, 2007 Offers entries on 24 of the significant archetypes of horror and the supernatural, from the classical epics of Homer to the novels of Stephen King.

Now Playing Podcast Arnaldo Carvalho, Marjorie Carvalho, Stuart Atkinson, Jakob Conkling, 2017-11 Reviews of 125 films that were underloved,

underappreciated, or underseen. Three reviews per movie included, from the hosts of Now Playing Podcast.

Batman: Rebirth (2016) #1 Scott Snyder, Tom King, 2016-06-01 Longtime Batman and Eisner Award-winning writer Scott Snyder co-writes with rising-star writer Tom King! EVIL 365: Gotham City faces the threat of the Calendar Man!

The Meal Prep King Plan John Clark, Meal Prep King, 2020-12-31 Prep your way back to health with The Meal Prep King's convenient and delicious recipes. Lose weight, free up your weeknights and save yourself a fortune with easy batch-cooked recipes that don't compromise on flavor. Inside you'll find 80 recipes for breakfasts, lunches, dinners and snacks, including favorites such as piri-piri chicken, Korean beef noodles, breakfast yogurt bars and many more. There's also a 21-day meal plan, calorie guidance, and loads of useful advice about how to store, freeze and reheat your meals to see you through the week ahead. Healthy, satisfying food has never been more simple or rewarding. Includes metric measures.

Batman (2016-) #1 Tom King, 2016-06-15 "I AM GOTHAM" part one. No one has ever stopped the Caped Crusader. Not The Joker. Not Two-Face. Not even the entire Justice League. But how does Batman confront a new hero who wants to save the city from the Dark Knight? CAN'T MISS: Superstar artist David Finch returns to Batman alongside writer Tom King for this five-part storyline.

Dust Covers: The Collected Sandman Covers Neil Gaiman, 2014-11-18 An amazing collection of dark and arresting imagery, THE SANDMAN DUST COVERS: THE COLLECTED SANDMAN COVERS presents the haunting artwork of this critically acclaimed and award-winning epic. Through these dynamic pieces, Dave McKean reflected the mesmerizing mythology, adult nature, and imaginative storytelling that made the story of Morpheus, the King of Dreams, such a

groundbreaking series. Featuring an exclusive THE SANDMAN tale, this collection also includes insightful and revealing cover commentaries by author Neil Gaiman.

Previously on X-Men Eric Lewald, 2017-11 In late 1992, on small budgets and under tight schedules, the cast and crew of X-Men: The Animated Series crafted a television show that, despite an industry full of naysayers, immediately shot to #1. This kids' show often landed more than half the TV viewers across America, and a twenty-year gold rush of Marvel motion pictures and TV series followed. *Previously on X-Men* is Eric Lewald's personal, inside account of how the series got on the air, the many challenges that were overcome, and how the show prevailed. The head writer interviewed 36 of the artists, writers, voice cast, and executives who helped make this game-changing series a worldwide success. This book is an authoritative look into the creation of the animated series that nobody expected to succeed. Lewald offers a unique behind-the-scenes look at the Saturday-morning cartoon series that changed Hollywood--Back cover.

Analog Nightmares Richard Mogg, 2018-10-05 The most comprehensive, all-inclusive look at the history and evolution of shot on video horror films. In 1982, Boardinghouse became the first shot on video feature-length horror film ever made. Totally lensed on videotape, the film was later transferred to 16mm and blown-up to 35mm for theatrical exhibition. In 1983, David A. Prior shot Sledgehammer on video and eventually released the film on videotape. For the first time, analog video became the format used in motion picture productions. It was smeary, messy and it wasn't film... but it was cheap. In 1985, United Home Video boldly released Blood Cult with the claim it was the first movie made for the home video market. The booming popularity of video stores

coupled with a never-satisfied demand for content ensured these films longevity. Soon hundreds of titles followed, all video-created features by independent unknowns. They weren't from Hollywood. They weren't trained. But they had a lot of heart and a love for horror. And they made their own movies against the odds. For the first time EVER - ANALOG NIGHTMARES has brought these films together. Everything from Boardinghouse to Zombie Holocaust individually reviewed, categorized and presented chronologically by production year. Over 260 films! Featuring in-depth interviews with the filmmakers themselves - some speaking for the very first time! TIM BOGGS! MARK POLONIA! DONALD FARMER! TIM RITTER! JOEL D. WYNKOOP! DOUG STONE! ANDREA ADAMS! GARY WHITSON! DAVE CASTIGLIONE! PHIL HERMAN! ERIC STANZE! JAMES L. EDWARDS! WALTER RUETHER! TODD JASON COOK! NICK MILLARD! DAVID THE ROCK NELSON! RON BONK!

Avril Lavigne Joe Thorley, 2003 I'm gonna dress what's me, I'm gonna act what's me and I'm gonna sing what's me. Still only 18 years old, Avril Lavigne has shot to fame with her own unique blend of teenage attitude and rebellious songwriting. Her debut album, Let Go, hit the UK number one slot in January 2003, after spawning the massive hits Complicated, Sk8er Boi and I'm With You. home town of Napanee, Canada. She was plucked from these unlikely surroundings by Arista Records boss L.A. Reid at the age of 16 and moved first to New York, then Los Angeles to work on her music. Her raw energy and songs proved the perfect combination for a generation of kids enthused by nu-rock bands like Blink-182. She has become one of the biggest female rock stars to come out of Canada since Alanis Morissette. Illustrated with photographs of Avril herself in action, and filled with all the information her fans could want, this book looks at one of the most exciting rock stars on the scene.

White Knuckle Eric Red, 2015-06-02 There's a killer on the road... He's a big rig truck driver who goes by the CB handle White Knuckle, and he's Jack the Ripper on eighteen wheels. For thirty years he has murdered hundreds of women in unimaginable ways, imprisoning them in a secret compartment in his truck, abducting them in one state and dumping their dead bodies across the country. Dedicated FBI agent Sharon Ormsby is on a mission to hunt down and stop White Knuckle. She goes undercover as a truck driver with a helpful long hauler named Rudy in a cross-country pursuit that will ultimately bring her face-to-face with White Knuckle in a pedal-to-the-metal, high-octane climax on a highway to Hell.

Beastly Boys and Ghastly Girls William Cole, 1964 A collection of humorous poetry about naughty, ill-mannered, even cruel, boys and girls.

Marvel Studios' Loki: the Art of the Series Eleni Roussos, 2022-11 When Loki stole the Tesseract in Avengers: Endgame and escaped from New York, not only did it complicate plans for the Avengers, but also his own glorious purpose. Picking up immediately where the record-breaking movie left off, Loki finds himself called before the Time Variance Authority, a Kafkaesque bureaucratic organization that exists outside of time and space, forced to answer for his crimes against the sacred timeline and given a choice: face deletion from reality as we know it or assist them in catching an even greater threat. Go behind the scenes of the smash-hit Disney+ series with exclusive concept art and interviews with cast and crew in this one-of-a-kind collectible volume!

Whispering the Secrets of Language: An Emotional Journey through **BloodRayne Twin Blades Paper Model.jpg**

In a digitally-driven world where screens reign supreme and quick communication drowns out the subtleties of language, the profound secrets and psychological subtleties concealed within phrases often move unheard. However, nestled within the pages of **BloodRayne Twin Blades Paper Model.jpg** a captivating fictional prize pulsing with raw thoughts, lies a fantastic quest waiting to be undertaken. Composed by a talented wordsmith, that enchanting opus invites visitors on an introspective journey, gently unraveling the veiled truths and profound impact resonating within ab muscles material of each and every word. Within the emotional depths of the touching review, we will embark upon a honest exploration of the book is core subjects, dissect its interesting publishing fashion, and yield to the strong resonance it evokes heavy within the recesses of readers hearts.
