Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

This book provides a comprehensive exploration of the model, with a practical, relevant approach to real-world issues. Explore the many facets of social change and leadership Navigate group dynamics surrounding controversy, collaboration, and purpose Discover the meaning of citizenship and your commitment to the greater good Become an agent of change through one of the many routes to a common goal The SCM is backed by 15 years of research, and continues to be informed by ongoing investigation into the interventions and environments that create positive leadership development outcomes. The Return of the Mother Andrew Harvey,2013-08-20 Adapted from a series of lectures on the historical basis and current resurgence of the sacred feminine, given by Andrew Harvey at the California Institute of Integral Studies in Spring 1994, The Return of the Mother is a profound journey into the heart of the Divine Mother. In this comprehensive and groundbreaking work, mystical scholar Andrew Harvey unearths traces of the sacred feminine in major world religions—Hinduism, Islam (Sufism), Buddhism, Taoism, and Christianity—and in aboriginal and indigenous wisdom traditions. Harvey presents a scathing critique of the patriarchal distortions in religious history and doctrine that have obscured full knowledge of the Divine Mother, and shows how to reintegrate this vital aspect

into the spiritual consciousness of humankind. The Return of the Mother offers a radical new perspective, balancing the historical overemphasis on transcendence by honoring the immanence of the divine in passionate engagement in the world. Only by cultivating a direct, respectful relationship with the transformative power of the sacred feminine can we alter our disastrous attitude of dissociation from nature, the body, sexuality, and the details of human life, and generate the energy and compassion needed to reverse the course of destruction we have set the planet—and all of life—hurtling toward. In lively question-and-answer sections, Harvey further illuminates these vital issues and takes a strong stand against our dependence on “gurus” and “masters,” proposing instead an egalitarian model of spiritual community based on intimate groups of mutually supportive guides and friends. The Return of the Mother is an eloquent and passionate call for all of us to rediscover and reclaim an authentic and empowering relationship to the divine, and recreate a sacred life-in-the-world.

Cold War Modern David Crowley, Jane Pavitt, 2008 Modern life after 1945 seemed to promise both utopia and catastrophe. Both could, it seemed, be achieved at the 'push of a button'. Published to accompany a major V & A exhibition, 'Cold War Modern: Design 1945-1970', this book explores how the politics of the Cold War shaped architecture and design. Reassessing 'classic' designs and introducing many little-known objects.

The Roommate Rosie Danan, 2020-09-15 Warmly funny and gorgeously sexy.—New York Times Book Review A LibraryReads Pick House Rules: Do your own dishes Knock before entering the bathroom Never look up your roommate online The Wheatons are infamous among the east coast elite for their lack of impulse control, except for their daughter Clara. She's the consummate socialite: over-achieving, well-mannered, predictable. But every Wheaton has their weakness. When Clara's childhood crush invites her to move cross-country, the offer is too tempting to resist. Unfortunately, it's also too good to be true. After a bait-and-switch, Clara finds herself sharing a lease with a charming stranger. Josh might be a bit too perceptive—not to mention handsome—for comfort, but there's a good chance he and Clara could have survived sharing a summer sublet if she hadn't looked him up on the Internet... Once she learns how Josh has made a name for himself, Clara realizes living with him might make her the Wheaton's most scandalous story yet. His professional prowess inspires her to take tackling the stigma against female desire into her own hands. They may not agree on much, but Josh and Clara both believe women deserve better sex. What they decide to do about it will change both of their lives, and if they're lucky, they'll help everyone else get lucky too.

I Like Him, He Likes Her Phyllis Reynolds Naylor, 2010-05-18 Find a Penny pick it up and all day long you'll have good luck...except, of course, if that Penny is charming and pretty and funny, and the person picking her up just happens to be your boyfriend. Alice McKinley's freshman year is not as “lucky” as she was hoping it would be. But she's trying to look on the bright side. There are worse things than being single for a semester... for a school year...for the whole summer.... At least Alice can count on her best friends for support—in theory, anyway. Lately they haven't been all that there-for-her. In fact, it seems like Pam and Liz are suddenly involved in intense, secret conversations whenever Alice is around. Single is starting to feel a whole lot like solo.

The Fallen Carlos Manuel Álvarez, 2020-06-02 A vibrant and meticulously constructed debut novel about familial and cultural breakdown A powerful, unsettling portrait of family life in Cuba, Carlos Manuel Álvarez's first novel is a masterful portrayal of a society in free fall. Diego, the son, is disillusioned and bitter about the limited freedoms his country offers him as he endures compulsory military service. Mariana, the mother, is unwell, prone to mysterious seizures, and forced to relinquish control over the household to her daughter, Maria, who has left school and is working as a

chambermaid in a state-owned tourist hotel. The father, Armando, is a committed revolutionary, a die-hard Fidelista who is sickened by the corruption he perceives all around him. As each member of the family narrates seemingly quotidian and overlapping events, they grow increasingly at odds for reasons that remain elusive to them—each of them holding and concealing their own secrets. In meticulously charting the disintegration of a single family, *The Fallen* offers a poignant reflection on contemporary Cuba and the clash of the ardent idealism of the old guard with the jaded pragmatism of the young. This is a startling and incisive debut by a radiant new voice in Latin American literature.

What Happens at Night Peter Cameron, 2020-08-04 A couple find themselves at a fading, grand European hotel full of eccentric and sometimes unsettling patrons in this faultlessly elegant and quietly menacing allegorical story that examines the significance of shifting desires and the uncertainty of reality (Garth Greenwell, author of *Cleanliness*). An unnamed American couple travels to a strange, snowy European city to adopt a baby. It's a difficult journey that leaves the wife, who is struggling with cancer, desperately weak, and her husband worries that her illness will prevent the orphanage from releasing their child. On arrival, the couple checks into the cavernous and eerily deserted Borgarfjaroasysla Grand Imperial Hotel where the bar is always open and the lobby populated with an enigmatic cast of characters ranging from an ancient, flamboyant chanteuse to a debauched businessman to an enigmatic faith healer. Nothing is as it seems in this baffling, frozen world, and the more the couple struggles to claim their baby, the less they seem to know about their marriage, themselves, and life itself. For readers of Ian McEwan, Elizabeth Strout, and Iris Murdoch, *What Happens at Night* is a masterpiece (Edmund White) poised on the cusp of reality, told by an elegantly acute and mysteriously beguiling writer (Richard Eder, *The Boston Globe*).

Rides of the Midway: A Novel Lee Durkee, 2002-04-17 Mississippi teenager Noel Weatherspoon--a clairvoyant, asthma sufferer, insomniac, dopehead, would-be erotic photographer or baseball star, vandal, and somnambulant mercy killer--finds his life spinning out of control as he struggles to cope with his romantic failures, dark secrets, religious zealots, and more. A first novel. Reprint.

Black Sunday Tola Rotimi Abraham, 2020-02-04 This fiercely original debut novel follows four Nigerian siblings over the course of two decades as they search for agency, love, and meaning in a society rife with hypocrisy. “. . . lush, sharp, and shot through with hope! —Well-Read Black Girl I like the idea of a god who knows what it's like to be a twin. To have no memory of ever being alone. Twin sisters Bibike and Ariyike are enjoying a relatively comfortable life in Lagos in 1996. Then their mother loses her job due to political strife, and the family, facing poverty, becomes drawn into the New Church, an institution led by a charismatic pastor who is not shy about worshipping earthly wealth. Soon Bibike and Ariyike's father wagers the family home on a “sure bet” that evaporates like smoke. As their parents' marriage collapses in the aftermath of this gamble, the twin sisters and their two younger siblings, Andrew and Peter, are thrust into the reluctant care of their traditional Yoruba grandmother. Inseparable while they had their parents to care for them, the twins' paths diverge once the household shatters. Each girl is left to locate, guard, and hone her own fragile source of power. Written with astonishing intimacy and wry attention to the fickleness of fate, Tola Rotimi Abraham's *Black Sunday* takes us into the chaotic heart of family life, tracing a line from the euphoria of kinship to the devastation of estrangement. In the process, it joyfully tells a tale of grace and connection in the midst of daily oppression and the constant incursions of an unremitting patriarchy. This is a novel about two young women slowly finding, over twenty years, in a place rife with hypocrisy but also endless life and love, their own distinct methods of resistance and paths to independence.

One Night Two Souls Went Walking Ellen Cooney, 2020-11-10 A young interfaith chaplain is joined on her hospital rounds one night by an unusual companion: a rough-and-tumble dog who may or may not be a ghost. As she tends to the souls of her patients—young and old, living last moments or navigating fundamentally altered lives—their stories provide unexpected healing for her own heartbreak. Balancing wonder and mystery with pragmatism and humor, Ellen Cooney (*A Mountaintop School for Dogs and Other Second Chances*) returns to Coffee House Press with a generous, intelligent novel that grants the most challenging moments of the human experience a shimmer of light and magical possibility.

Amnesty Aravind Adiga, 2020-02-18 An “urgent and significant book [that] speaks to our times” (The New York Times Book Review) from the bestselling, Man Booker Prize-winning author of *The White Tiger* and *Selection Day* about a young illegal immigrant who must decide whether to report crucial information about a murder—and thereby risk deportation. Danny—formerly Dhananjaya Rajaratnam—is an illegal immigrant in Sydney, Australia, denied refugee status after he fled from Sri Lanka. Working as a cleaner, living out of a grocery storeroom, for three years he’s been trying to create a new identity for himself. And now, with his beloved vegan girlfriend, Sonja, with his hidden accent and highlights in his hair, he is as close as he has ever come to living a normal life. But then one morning, Danny learns a female client of his has been murdered. The deed was done with a knife, at a creek he’d been to with her before; and a jacket was left at the scene, which he believes belongs to another of his clients—a doctor with whom Danny knows the woman was having an affair. Suddenly Danny is confronted with a choice: Come forward with his knowledge about the crime and risk being deported? Or say nothing, and let justice go undone? Over the course of this day, evaluating the weight of his past, his dreams for the future, and the unpredictable, often absurd reality of living invisibly and undocumented, he must wrestle with his conscience and decide if a person without rights still has responsibilities. “Searing and inventive,” *Amnesty* is a timeless and universal story that succeeds at “illuminating the courage of displaced peoples and the cruelties of those who conspire against them” (Star Tribune, Minneapolis).

In Kenan’s fictional territory of Tims Creek, North Carolina, an old man rages in his nursing home, a parson beats up an adulterer, a rich man is haunted by a hog, and an elderly woman turns unwitting miracle worker. A retired plumber travels to Manhattan, where Billy Idol sweeps him into his entourage. An architect who lost his famous lover to AIDS reconnects with a high-school fling. Howard Hughes seeks out the woman who once cooked him butter beans. Shot through with humor and seasoned by inventiveness and maturity, Kenan riffs on appetites of all kinds, on the eerie persistence of history, and on unstoppable lovers and unexpected salvations. *If I Had Two Wings* is a rich chorus of voices and visions, dreams and prophecies, marked by physicality and spirit. Kenan’s prose is nothing short of wondrous.

We Ride Upon Sticks Quan Barry, 2020-03-03 In the town of Danvers, Massachusetts, home of the original 1692 witch trials, the 1989 Danvers Falcons will do anything to make it to the state finals—even if it means tapping into some devilishly dark powers. Against a background of irresistible 1980s iconography, Quan Barry expertly weaves together the individual and collective progress of this enchanted team as they storm their way through an unforgettable season. Helmed by good-girl captain Abby Putnam (a descendant of the infamous Salem accuser Ann Putnam) and her co-captain Jen Fiorenza (whose bleached blond “Claw” sees and knows all), the Falcons prove to be wily, original, and bold, flaunting society’s stale notions of femininity. Through the crucible of team sport and, more importantly, friendship, this comic tour de female force chronicles Barry’s glorious cast of characters as they charge past every obstacle on the path to finding their glorious true selves.

My Darkest Years James Bachner, 2010-06-25 Born in Berlin in 1922, James Bachner was a German Jew during the darkest days of the Third Reich. Once a happy child in a well-to-do German family, as the years passed Bachner faced first ridicule and persecution, then imprisonment and deprivation. Attributing his survival to a combination of strength and being in the right place at the right time, Bachner's memoir is a poignant and often horrific account of Jewish struggles during the days of World War II. Beginning with his idyllic childhood, Bachner expresses the range of emotions he experienced as the Nazis transformed his homeland into a nation where he and his fellow Jews were no longer welcome. He describes the volatile political atmosphere and the fears inspired in all Germans by tales of the concentration camps. In addition, he tells of the belief many Jews held that the West would step in and put an end to Hitler's reign. The work then details the realities of life in a concentration camp. The end of the war, Bachner's reunion with his remaining family members and his eventual relocation to America are also discussed.
