Caimh McDonnell

The Stranger Times C. K. McDonnell, 2021-01-07 'Wonderfully dark, extremely funny' proclaimed ADAM KAY, author of the No.1 bestselling *This is Going to Hurt* 'A filmic romp with great characters, a jet-propelled plot, and a winning premise' said the GUARDIAN JASON MANFORD thinks it's 'Hilarious. You'll never look at Manchester the same way again.' The Chronicles of St Mary's series author JODI TAYLOR declared 'I loved this . . . great premise - great story - great characters . . . hugely enjoyable.' And THE TIMES called it 'ripping entertainment from start to finish.' There are dark forces at work in our world (and in Manchester in particular), so thank God The Stranger Times is on hand to report them . . . A weekly newspaper dedicated to the weird and the wonderful (but mostly the weird), it is the go-to publication for the unexplained and inexplicable. At least that's their pitch. The reality is rather less auspicious. Their editor is a drunken, foul-tempered and foul-mouthed husk of a man who thinks little of the publication he edits. His staff are a ragtag group of misfits. And as for the assistant editor . . . well, that job is a revolving door - and it has just revolved to reveal Hannah Willis, who's got problems of her own. When tragedy strikes in her first week on the job The Stranger Times is forced to do some serious investigating. What they discover leads to a shocking realisation: some of the stories they'd previously dismissed as nonsense are in fact terrifyingly real. Soon they come face-to-face with darker forces than they could ever have imagined. The Stranger Times is the first novel from C.K. McDonnell, the pen name of Caimh McDonnell. It combines his distinctive dark wit with his love of the weird and wonderful to deliver a joyous celebration of how truth really can be stranger than fiction. Readers love The Stranger Times: ***** 'A delight from start to finish - laugh out loud funny yet with plenty of thrills.' ***** 'Full of wit and humour, and knows how to keep the reader hooked.' ***** 'You'll soon fall in love . . . fans of Pratchett, Gaiman, Aaronovich will be blown away.'

A Man With One of Those Faces Caimh McDonnell, 2020-08-30 A crime thriller set in modern-day Dublin.

Last Orders CAIMH. MCDONNELL, 2018-03-06 As a wise man once said, just because you're done with the past, doesn't mean the past is done with you. Paul can't let an incident from his past go. When he finds out a rival detective agency played a key role in it, he drags MCM Investigations into a blood feud that they can't hope to win. Soon they're faced with the prospect of the company going out of business and Brigit going out of her damn mind. When long-buried bodies are discovered in the Wicklow Mountains, Bunny's past starts closing in on him too. Who can he trust when he can't even trust himself? When he finds himself with nowhere left to run and nobody he can turn to, will the big fella make the ultimate sacrifice to protect the ones he loves? When all that's left is the fall, the fall is everything. And even the mighty fall. Last Orders is the thrilling conclusion of the critically acclaimed Dublin Trilogy, which melds fast-paced action with a distinctly Irish acerbic wit. It's best enjoyed having read the other books in the series, particularly the prequel *Angels in the Moonlight*.

Silly To Say Read-Along Sequoia Childrens Publishing, 2021-09-01 Did you know that the oldest riddle was written 4,000 years ago? That's a long time! This jolly joke book is full of riddles, limericks, and tongue twisters for kids to giggle their way through. Little jokesters will practice problem-solving skills and reading aloud as they run through ridiculous riddles and rhymes!

Disaster Inc Caimh McDonnell, 2018 The first book in a new series following on from Caimh McDonnell's acclaimed Dublin Trilogy. Bunny McGarry is back and in New York.

The Final Game Caimh McDonnell, 2020-03-17 A standalone comedic thriller that is in the same world as Caimh McDonnell's internationally best-selling Dublin Trilogy.

Blue Dreams Nancy ABELMANN, John Lie, Nancy Abelman, 2009-06-30 No one will soon forget the image, blazed across the airwaves, of armed Korean Americans taking to the

rooftops as their businesses went up in flames during the Los Angeles riots. Why Korean Americans? What stoked the wrath the riots unleashed against them? *Blue Dreams* is the first book to make sense of these questions, to show how Korean Americans, variously depicted as immigrant seekers after the American dream or as racist merchants exploiting African Americans, emerged at the crossroads of conflicting social reflections in the aftermath of the 1992 riots. The situation of Los Angeles's Korean Americans touches on some of the most vexing issues facing American society today: ethnic conflict, urban poverty, immigration, multiculturalism, and ideological polarization. Combining interviews and deft socio-historical analysis, *Blue Dreams* gives these problems a human face and at the same time clarifies the historical, political, and economic factors that render them so complex. In the lives and voices of Korean Americans, the authors locate a profound challenge to cherished assumptions about the United States and its minorities. Why did Koreans come to the United States? Why did they set up shop in poor inner-city neighborhoods? Are they in conflict with African Americans? These are among the many difficult questions the authors answer as they probe the transnational roots and diversity of Los Angeles's Korean Americans. Their work finally shows us in sharp relief and moving detail a community that, despite the blinding media focus brought to bear during the riots, has nonetheless remained largely silent and effectively invisible. An important corrective to the formulaic accounts that have pitted Korean Americans against African Americans, *Blue Dreams* places the Korean American story squarely at the center of national debates over race, class, culture, and community.

Table of Contents: Preface The Los Angeles Riots, the Korean American Story Reckoning via the Riots Diaspora Formation: Modernity and Mobility Mapping the Korean Diaspora in Los Angeles Korean American Entrepreneurship American Ideologies on Trial Conclusion Notes References Index

Reviews of this book: *Blue Dreams*--a poetic allusion to the clear blue sky that Koreans see as a symbol of freedom--is a welcome exploration by outsiders into the vexing and largely invisible Korean-American predicament in Los Angeles and the nation. [Abelmann and Lie 's] colorful interview subjects offer sharp observations. --K.W. Lee, *Los Angeles Times*

Reviews of this book: An informed and thoughtful examination of Korean immigration to the United States since 1970...[Abelmann and Lie] show that even in a period as short as twenty-five years, there have been successive waves of differently motivated, differently resourced Korean immigrants, and their experiences and reactions have differed accordingly. --Michael Tonry, *Times Literary Supplement*

Reviews of this book: [The authors'] transnational perspective is particularly effective for explicating Korean immigrants' behaviors, activities, and feelings...Interesting and readable. --Pyong Gap Min, *American Journal of Sociology*

Reviews of this book: Beginning with a poetic book title, the authors recount in depth as to how the 'Blue Dreams' of the Korean-American merchants in East Los Angeles had shattered in the midst of [the] 1992 riot that turned out to be 'elusive dreams' in America...The book not only portrays the L.A. riot surrounding the Korean merchants, but also characterizes diaspora of the Koreans in America. The authors have also examined with scholarly insights the more complex socioeconomic and political underplay the Koreans encountered in their 'Promised New Land'. --Eugene C. Kim, *International Migration Review*

Puppetry of the Penis Simon Morley, David Friend, 2010 A few years ago, Simon Morley and David Friend began performing their repertoire of 'dick tricks' live onstage in Melbourne. After a hit first season at the 1998 Melbourne Comedy Festival, they embarked on a national tour, which took eight months, covered 20,000 kilometres and was captured in all its glory in the documentary 'Tackle Happy'. Receiving overwhelming critical acclaim at the 2000 Edinburgh Festival, *Puppetry of the Penis* was a sell-out West End hit in London, and took New York and North America by storm in 2001. The show now continues to travel the world, liberating and enthralling its audiences, having now been performed in 3 languages, in over 30 countries, by over 60 Puppeteers trained up by the masters. Simon

and David officially now have the most famous, flaccid penises on earth. Now, for the first time, the secrets of the Ancient Australian Art of Genital Origami are revealed. Marvel at the Atomic Mushroom; be blown away by the Windsurfer; coo at the Baby Bird; be amazed by the Hamburger. This user's guide to an age-old art is a book that every man should study - and every woman should learn from.

Angels in the Moonlight Caimh McDonnell, 2017-08-30 A crime thriller set in Dublin at the end of 1999, that mixes fast-paced action with a distinctly Irish acerbic wit.

The Day That Never Comes Caimh McDonnell, 2017-01-23 A fast-paced crime thriller set in Dublin and blessed with a distinctly Irish acerbic wit. This book is book 2 in Caimh McDonnell's Dublin Trilogy.

Dead Man's Sins Caimh McDonnell, 2021-06-15 How far would you go to protect a dead man? It's the year 2000 in Dublin and, following some traumatic events, Detective Bunny McGarry is taking a well-earned break from the force. However, just because you're not looking for trouble doesn't mean trouble isn't looking for you. Bunny's former partner died in the line of duty under dubious circumstances but his murky background has suddenly resurfaced, threatening Bunny's reputation as well. As if that isn't enough, a young boy is in danger and a woman from the big fella's past is trapped in a loveless marriage to a monster. They both need Bunny's help, but he must get to work fast - it seems someone is trying to frame him for murder ... *Dead Man's Sins* is a continuation of Caimh McDonnell's critically acclaimed bestselling Dublin Trilogy and mixes high-octane thrills with a distinctly Irish wit.

Firewater Blues CAIMH. MCDONNELL, 2022-03-17 Be careful who you love ... It's the year 2000 and while Bunny McGarry is theoretically on sabbatical from the police, he just can't help sticking his nose in where it doesn't belong. Rosie Flint is an old acquaintance of Bunny's whose boyfriend mysteriously disappears off the face of the Earth. What starts out as a simple missing person's case soon gets a whole lot more complicated when it emerges that the boyfriend is not who he claimed to be and there are some rather sinister people showing an unhealthy interest in Rosie. Bunny is only trying to help a friend but it's just a matter of time before he finds himself at loggerheads with his colleagues on the force, having to reassess some events from his past and unwittingly involved in a major political coup. He won't be able to do this alone, so it is a good job he can call upon a certain band of kick-ass nuns to do what they do best. And he might even find a use for a twelve-year-old boy who is desperate to escape from an Irish language summer school. *Firewater Blues* is the sixth book in McDonnell's critically acclaimed bestselling and increasingly inaccurately titled Dublin Trilogy. It mixes high-octane thrills with distinct Irish wit.

This Charming Man C. K. McDonnell, 2022-02-17 Vampires do not exist. Everyone knows this. So it's particularly annoying when they start popping up around Manchester . . . Nobody is pleased about it. Not the Founders, the secret organisation for whom vampires were invented as an allegory, nor the Folk, the magical people hidden in plain sight who only want a quiet life. And definitely not the people of Manchester, because there is nothing more irksome than being murdered by an allegory run amok. Somebody needs to sort this out fast before all Hell really breaks loose - step forward the staff of *The Stranger Times*. It's not like they don't have enough to be dealing with. Assistant Editor Hannah has come back from getting messily divorced to discover that someone is trying to kidnap a member of their staff and while editor Vincent Banecroft would be delighted to see the back of any of his team, he doesn't like people touching his stuff - it's the principle of the thing. Throw in a precarious plumbing situation, gambling debts, an entirely new way of swearing, and a certain detective inspector with what could be kindly referred to as 'a lot of baggage' and it all adds up to another hectic week in the life of the newspaper committed to reporting the truth that nobody else will touch. *This Charming Man* is the second book in the critically acclaimed *The Stranger Times* series. 'A gag-filled romp . . . in the spirit of Terry Pratchett.'

The Times 'Great characters, a jet-propelled plot, and a winning premise.' Guardian 'Fresh and genuinely funny.' SFX

The Alpha Phi Quarterly ... ,1888

One For Sorrow Christopher Barzak,2007-08-28 NOW THE MAJOR MOTION PICTURE
JAMIE MARKS IS DEAD Part thriller, part ghost tale, part love story, *One for Sorrow* is a novel as timeless as *The Catcher in the Rye* and as hauntingly lyrical as *The Lovely Bones*. Christopher Barzak's stunning debut tells of a teenage boy's coming-of-age that begins with a shocking murder and ends with a reason to hope. Adam McCormick had just turned fifteen when the body was found in the woods. It is the beginning of an autumn that will change his life forever. Jamie Marks was a boy a lot like Adam, a boy no one paid much attention to—a boy almost no one would truly miss. And for the first time, Adam feels he has a purpose. Now, more than ever, Jamie needs a friend. But the longer Adam holds on to Jamie's ghost, the longer he keeps his friend tethered to a world where he no longer belongs . . . and the weaker Adam's own ties to the living become. Now, to find his way back, Adam must learn for himself what it truly means to be alive. Praise for *One for Sorrow* "Christopher Barzak's sympathy and humor, his awareness, his easeful vernacular storytelling, are extraordinary, and his mournful, unforgettable teenagers drive us deep into the land of the dead practically before we've even fastened our seatbelts."—Jonathan Lethem, author of *Motherless Brooklyn* "An amazing, original debut from an amazing, original writer. *One for Sorrow* may be the most haunting ghost story I've ever read."—Karen Joy Fowler, author of *The Jane Austen Book Club* "An uncommonly good book with brains, heart, and bravery to spare. Readers who don't find themselves in sympathy with Barzak's characters were never adolescents themselves."—Kelly Link, author of *Magic for Beginners* "An honest and uncanny ride through the shadows between grief and acceptance. This is how real magic works."—Scott Westerfeld, author of *Uglies* and *Extras*

The Quiet Man Caimh McDonnell,2020-10-08 Getting into prison is easy, it's getting out that's tricky. Almost everyone in prison will tell you they're in there for a crime they didn't commit, but Anthony Rourke really means it. That's because he's actually Bunny McGarry, who has got himself into one of Nevada's finest penitentiaries under false pretences. He is there to bust someone else out. The Sisters of the Saint, no ordinary bunch of nuns, find themselves caught between a rock and a hard place when two of their order are taken hostage. The only way to ensure their safe return is to trade them for the mysterious man who is now Bunny's cellmate. Rumours abound as to who this man really is, but seeing as nobody is allowed to communicate with him in any way, figuring that out will be tricky. The last thing the situation needs is further complications, but when Sister Dionne comes into contact with an UFO cult, she recognises it as a massive con job. The reason she is so sure is because the whole thing was her idea in the first place - and now she is determined to put an end to it. The clock is ticking, the prison authorities are suspicious, and lying low has never been a McGarry strong suit. Can Bunny and the Sisters pull off an audacious prison break against near impossible odds? It's *The Shawshank Redemption* meets *Ocean's Eleven*. *The Quiet Man* is book three in the McGarry Stateside series by Caimh McDonnell. McDonnell's work has been praised for bringing a fresh voice to the thriller genre. McDonnell's work has been praised for bringing a fresh voice to the thriller genre. He deftly combines a finely honed comic sensibility with pulse-pounding action which have made his books Amazon bestsellers the world over.

The Fox and the Bowman Sebastien de Castell,2021-10-14 Never cross a master of the bow . . . A young archer bent on revenge against the knight who impoverished his family encounters an enigmatic stranger who promises him a far more potent form of retribution. But when Thomas finds himself hurled by magic to fight battles in faraway lands, he soon discovers that the vengeance his mysterious benefactor offers could change not only one archer's destiny, but that of the entire world. A masterful short historical fantasy full of

magic, archery, and intrigue by the author of the acclaimed Greatcoats and Spellslinger series.

William Likes to Bounce! Marion Gamble,2020-11-30 A fun story for pre-school children and early readers, with rhyming text to encourage language development. Featuring beautiful colour illustrations, the story can be used to create imaginative games and promote physical activities.

Welcome to Nowhere Caimh McDonnell,2020-08-18 A little revenge never hurt anybody... When a gambling debt puts him between a rock and a swim in the Hudson with concrete shoes, Smithy has no choice but to take the worst job imaginable. The gig - as prey in leprechaun hunt for a bunch of Wallstreet jerks - goes as badly as it sounds. He could leave it there and write it off as a harsh lesson learned, but fourteen months later when Smithy comes up with a plan to take his revenge on the man behind it all, it is too good to resist. What is it they say about best-laid plans? Instead of teaching his nemesis, Louis, a valuable lesson, Smithy ends up saving him from an assassin. From there, Smith and his friend Diller are dragged into his opponent's messed-up world. Louis is part of 'the Collectors' a group with way more money than sense dedicated to the competitive acquisition of truly one-of-a-kind items that define the secret history of the world. When one of the group's members loses his marbles, Smithy and Diller find themselves shanghaied to Nowhere. A well-named location in the middle of the desert, where a madman is trying to build an army from the worst of mankind. Welcome to Nowhere is a wild ride from the author renowned for the darkly comic thrills of The Dublin Trilogy series and the McGarry Stateside books. It is a standalone novel that is a perfect introduction to McDonnell's blend of comedy and compelling story that is earning him a growing legion of loyal fans.

Unsolved Crimes Michael Newton,2008 Discusses such well-known unsolved crimes as the identity of Jack the Ripper, JFK's killer, and the murderer of JonBenet Ramsey.
