Should it be the red polka-dot suit, the baggy pants with the patches, or one of his other colorful outfits? Why don't you decide for him? Just lift off the costumes and stick them on the doll on the inside back cover. The stickers are reusable, so be sure to put the stickers back on the pages when you are finished playing with them. Vera Susan Seid,2010-09-01 Legendary designer and artist Vera Neumann (1907-1993) believed in art's ability to inspire and enrich lives. An innovator and one of the most successful female entrepreneurs of her time, Vera built her company on a radical philosophy: fine art should be accessible to everyone, not just a select few. Known for her iconic images of cheerful flowers, trendy geometrics, and vibrant ladybugs, she believed people should surround themselves with beauty. For the first time, *Vera: The Art and Life of an Icon*, tells her inspiring story through the art and designs she created. CraftFail Heather Mann,2014-10-21 Poor Bridgit, who overestimated the size of her head—her homemade frilly lace shower cap came straight down to her chin. And who can blame Lindsey for thinking “glitter shoes” sounded like a cool, easy project instead of what it turned out to be: a puddle of sparkling glop. And really, whoever posted that incredible Spaghetti-Stuffed Garlic Bread on Pinterest should be sued. When Mindy pulled hers from the oven, it looked like a “hot mess of intestines streaming out of doughy flesh.” Mmmm, thank you, Pinterest! Written by Heather Mann, publisher of CraftFail.com, her hilarious blog with millions of page views and hundreds of thousands of followers, CraftFail celebrates the creative process, but from the other side. This is the stuff that gets the “A for Effort” and LOL for outcome. But once the laughter dies down, it also inspires a warm feel-good respect for crafters who aren't afraid to fail. After all, even if there's not a mortal

alive except Martha who can make a Waxed Heart worthy of hanging in your window to catch the sun, why shouldn't many try? When it goes wrong, why shouldn't the rest of us enjoy this Epic Fail? And then look at all the full-color photos that document it. Home decor fails, fashion fails, holiday fails, food fails, kid crafting fails— as one anonymous crafter said: "It wasn't supposed to end this way." Luckily for us, it did.
