If Anything Happens I Love You Will McCormack,Michael Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, If Anything Happens I Love You is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from "above" as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose's soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. If Anything Happens I Love You may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

The Timeless Racer: Machines of a Time Traveling Speed Junkie Daniel Simon,2021-02 This book presents, in large-format images, Simon's unique virtually designed racing machines and tells the story of international racer Vic Cooper, who time-travels under the name 'Vic13' and later 'Mean13' to the past and the future to compete in a wide variety of motor races. His attempts are supported by world famous constructor Masucci, who built amazing vehicles for Cooper between the years 1916 and 2582. In this first volume of The Timeless Racer, Cooper time-travels to the year 2027, where he competes in the world-famous--and legendarily dangerous-- 48 Hours of America endurance race. The book puts three vehicles in the spotlight, shown in incredibly photo-realistic images. Car enthusiasts, design fans, and fiction addicts will be awed by fantastic and futuristic race cars in drawings and hyper-real renderings up to 24 inches wide. The book includes special attention to the fine details that make alternate worlds believable: fictitious sponsors and conflicts, with characters described in spectacular detail through photographs and back stories. In this captivating series, Simon returns to create an imaginary but entirely possible reality of glamour, speed, and honor. Welcome to The Timeless Racer. The foreword has been written by racing legend Jacky Ickx, who raced in the 1960s, '70s and '80s for many famed teams such as Ferrari, McLaren, Porsche, Brabham or Lotus. He is the only driver to have won in Formula One, Can-Am, Le Mans, and the Paris-Dakar rally. REVIEWS: Daniel's designs are spectacular. And the machines--presented in every detail and a highly personal style--intrigue as always. -- Flavio Manzoni, director of Ferrari Design Simon created a dream world I would race in any day-- this is really cool stuff! -- André Lotterer, winner 24 Hours of Le Mans with team Joest Audi R18, 2011 and 2012 Daniel Simon's imagination is matched only by his spectacular vision of a sensational motor racing future. Icons Unmasked Alex Solis,2016-02-14 Ever wonder if the characters you see on TV, in movies and in comic books are hiding something behind their masks? That perhaps they're really someone -- or something -- else? When pop culture is such a huge part of our lives, we're bombarded with these characters everywhere we turn. Each time we see a new character in a movie, video game or commercial, we feel a sudden sense deja vu. There's something about their goofy grin, that creepy laugh, or those boogly eyes that feels eerily familiar...This got me thinking. Is anything we see ever 100% original? Or is everything we experience really just our minds piecing together past experiences to create something that feels unique and new?In Icons Unmasked, I'm trying to bring a new sense of discovery to characters everyone has seen hundreds of times. I wanted to recreate the experience of what it might be like to see one iconic character from your childhood for the first time as an adult. Proceed at your own caution and keep in mind the following illustrations cannot be unseen. Your childhood might possibly be destroyed forever
