Toni Johnson-Woods

*Interrogations of Japanese Officials* United States Strategic Bombing Survey,1946

An Introduction to Japanese - Syntax, Grammar & Language Michiel Kamermans,2010-03 Starting at the very basics and working its way up to important language constructions, An introduction to Japanese offers beginning students, as well as those doing self-study, a comprehensive grammar for the Japanese language. Oriented towards the serious learner, there are no shortcuts in this book: no romanised Japanese for ease of reading beyond the introduction, no pretending that Japanese grammar maps perfectly to English grammar, and no simplified terminology. In return, this book explains Japanese the way one may find it taught at universities, covering everything from basic to intermediary Japanese, and even touching on some of the more advanced constructions.

*Okinawa* United States. Marine Corps,Charles Sidney Nichols,Henry I. Shaw,1955

The History of Korea (Vol.1&2) Homer B. Hulbert,2023-12-13 The History of Korea presents a chronological account of Korea from ancient days, over 2000 B. C, to modern 20th century Korea. Hulbert said that Korea and Japan have the same two racial types, but Japan is mostly Malay and Korea is mostly Manchu-Korean. He claimed that Korea is physically mostly of the northern type, but also said that the nation, being physically mostly of the northern type, did not disprove Hulbert's claim that the Malay element developed Korea's first civilization, although not necessarily originating Korea's first civilization, and the Malay element imposed its language in its main features in the entire peninsula.

Japanese Whaling? Arne Kalland,Brian Moeran,2010-10-18 This book gives a social anthropological account of whaling culture in Japan. When originally published this was the first comprehensive account in English of the history of Japanese whaling, showing how it has given rise to a particular culture. The volume discusses what happens when that culture is threatened. At the same time as explaining the work organization of those involved in whaling, the role of whaling companies in local and national economies, and the role of the whale in the establishment and maintenance of local community identity (ritual, food, gift-giving), the authors address the wider political and so-called environmental issues surrounding whaling in general, and Japanese whaling in particular.

**Tuttle Concise Japanese Dictionary** Samuel E. Martin,2013-02-05 Every serious student of Japanese needs a reliable and user-friendly dictionary in their collection. Tuttle Concise Japanese Dictionary, now with 30% more content, is a completely updated dictionary designed for students and business people who are living in Japan and using the Japanese language on a daily basis. Its greatest advantage is that it contains recent idiomatic expressions which have become popular in the past several years and which are not found in other competing dictionaries. The dictionary has been fully updated with the addition of recent vocabulary relating to computers, mobile phones, social media and the Internet. Other special features that set this dictionary apart include: Over 25,000 words and expressions including idioms and slang. User-friendly layout with main entries in color. Complete Japanese-English and English-Japanese sections. Romanized forms and the Japanese script are given for all Japanese words. A guide to pronunciation helps the user to pronounce Japanese words correctly. Different senses of each word are distinguished by multiple definitions.

*Men and Whales* Richard Ellis,1999 The celebrated marine writer-artist Richard Ellis delineates in this copiously illustrated book the complex history of men and whales. Lively, authoritative text is interwoven with photos, paintings, drawings, and maps to provide a comprehensive history of the whales' turbulent--and always controversial--relationship with humankind. Over 250 illustrations.

**Underwater Archaeology of a Pacific Battlefield** Jennifer F. McKinnon,Toni L. Carrell,2015-08-07 Battlefields have been the object of fascination for millions of tourists and the subjects of elaborate interpretation projects. This volume will outline the process and results of developing the WWII Maritime Heritage Trail: Battle of Saipan Project. This book will provide examples of how a group of archaeologists, managers and a community took a specific battle and transformed it from a collection of unknown archaeological sites into a comprehensive storied battlescape that reflects the individuals and actions of those who were involved. It will provide an in-depth view of current maritime archaeological research on submerged battlefield sites, the development of a WWII battlefield maritime heritage trail, as well as the problems and solutions of such an effort. It will cover subjects such as: -heritage and dark tourism-conflict or battlefield archaeology-public interpretation, and community engagement. This volume will serve as a practical review of a project influenced by a range of complementary areas of study and inclusive of many stakeholders, from the public to the professional and beyond. It provides an example of a balanced approach towards research and interpreting archaeological sites through the identification and inclusion of the various stakeholders (professional and community) and an awareness of what was being included, ignored, or inadequately represented in the research and interpretation.

**Lonely Planet Japan** Lonely Planet,Rebecca Milner,Ray Bartlett,Andrew Bender,Craig McLachlan,Kate Morgan,Simon Richmond,Tom Spurling,Benedict Walker,Wendy Yanagihara,Phillip Tang,2017-08-01 Lonely Planet Japan is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Explore a bamboo grove in Arashiyama, marvel at Shinto and Buddhist architecture in Kyoto, or relax in the hot springs of Noboribetsu Onsen; all with your trusted travel companion.

**A Handbook of Colloquial Japanese** Basil Hall Chamberlain,2015-03-05 An 1888 primer on the Japanese language by a British professor of Japanese at the Imperial University, Tokyo.

*Twelve Years a Slave* Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US,on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

*Historical Dictionary of Japanese Traditional Theatre* Samuel L. Leiter,2014-10-30 This updated edition adds well over 200 plot summaries representing each theatrical form in addition to: a chronology; introductory essay; appendixes; an extensive bibliography; over 1500 cross-referenced entries on important terms; brief biographies of the leading artists and writers; and plot summaries of significant plays.

Introduction to Japanese Horror Film Colette Balmain,2008-10-14 This book is a major historical and cultural overview of an increasingly popular genre. Starting with the cultural phenomenon of Godzilla, it explores the evolution of Japanese horror from the 1950s through to contemporary classics of Japanese horror cinema such as Ringu and Ju-On: The Grudge. Divided thematically, the book explores key motifs such as the vengeful virgin, the demonic child, the doomed lovers and the supernatural serial killer, situating them within traditional Japanese mythology and folk-tales. The book also considers the aesthetics of the Japanese horror film, and the mechanisms through which horror is expressed at a visceral level through the use of setting, lighting, music and mise-en-scene. It concludes by considering the impact of Japanese horror on contemporary American cinema by examining the remakes of Ringu, Dark Water and Ju-On: The Grudge.The emphasis is on accessibility, and whilst the book is primarily marketed towards film and media students, it will also be of interest to anyone interested in Japanese horror film, cultural mythology and folk-tales, cinematic aesthetics and film theory.

*The Spell of Japan* Isabel Anderson,1914

**Up The Slot: Marines in the Central Solomons** Charles D. Melson,2019-12-03 This work presents a concise account of the Solomon Islands campaign. The details in this work are well-written and precise, which lets the reader understand this accurate report easily. The Solomon Islands campaign was a major Pacific War campaign of World War II. It began with Japanese landings and the invasion of several areas in the British Solomon Islands during the first six months of 1942. The Japanese occupied these areas and started the construction of various naval and air bases to safeguard the side of the Japanese offensive in New Guinea. This work is considered a part of the World War II Commemorative series. The author, Charles Melson, was the Chief Historian for the US Marine Corps. He also operated as a joint historian with the US Central Command and Special Operations Command. This is a definitive history of the Solomon campaign and an interesting piece of literature for history and marine enthusiasts.

The Pepper Wreck Filipe Vieira de Castro,2005-03-21 In 1606, a Portuguese ship, Nossa Senhora dos Mártires, put into Lisbon laden with peppercorns, porcelain, and other products from Cochin. A large vessel for the time, the merchantman displaced twelve hundred tons and carried three to four masts. The ship foundered during a storm in a northern channel of the Tagus River. Within hours the currents and the storm had torn it asunder and spread its precious cargo along the shores of the estuary. The Pepper Wreck tells the story of the ship’s excavation by crews working in cold water and fast currents between 1997 and 2000, four centuries after Nossa Senhora dos Mártires went down. Author Filipe Vieira de Castro discusses the nautical history of Iberia, with special attention to shipbuilding and the development of the nau, a type of round ship used by the Portuguese on routes to the East. He also considers life aboard the ships, describing a typical menu, musing on the incidence of disease, and distinguishing the privileges of the different social classes and the perquisites the more privileged enjoyed. Turning to the excavation of the ship, Castro describes the site, the shifting laws governing archaeology in the region, and the fast currents that limited divers to working during ebb tides. The objects found with the wreck, from pottery to astrolabes, contribute substantially to knowledge of early modern shipbuilding techniques. Valuable to historians of seafaring and of Iberia and to those interested in Portuguese trade with the East Indies, this carefully wrought and generously illustrated volume is a veritable treasure trove for archaeologists.

□□□ □□□□,1986 Focusing on the furniture of the Edo and early Meiji periods, this text lookst the history, aesthetics and techniques of hand-worked traditional Japanesefurniture.

Jane's Fighting Ships of World War II Francis Edwin McMurtrie,1946 Describes the ships used by the British, French, German, Italian, Japanese, Russian, and American navies during World War II

*Australian Hospital Ship Centaur* Christopher Milligan,John C. H. Foley,1993

**Manga** Toni Johnson-Woods,2010-04-15 Once upon a time, one had to read Japanese in order to enjoy manga. Today manga has become a global phenomenon, attracting audiences in North America, Europe, Africa, and Australia. The style has become so popular, in fact, that in the US and UK publishers are appropriating the manga style in a variety of print material, resulting in the birth of harlequin mangas which combine popular romance fiction titles with manga aesthetics. Comic publishers such as Dark Horse and DC Comics are translating Japanese classics, like Akira, into English. And of course it wasn't long before Shakespeare received the manga treatment. So what is manga? Manga roughly translates as whimsical pictures and its long history can be traced all the way back to picture books of eighteenth century Japan. Today, it comes in two basic forms: anthology magazines (such as Shukan Shonen Jampu) that contain several serials and manga 'books' (tankobon) that collect long-running serials from the anthologies and reprint them in one volume. The anthologies contain several serials, generally appear weekly and are so thick, up to 800 pages, that they are colloquially known as phone books. Sold at newspaper stands and in convenience stores, they often attract crowds of people who gather to read their favorite magazine. Containing sections addressing the manga industry on an international scale, the different genres, formats and artists, as well the fans themselves, Manga: An Anthology of Global and Cultural Perspectives is an important collection of essays by an international cast of scholars, experts, and fans, and provides a one-stop resource for all those who want to learn more about manga, as well as for anybody teaching a course on the subject.
