The Jolliest Term on Record Angela Brazil,2023-09-16 The Jolliest Term on Record by Angela Brazil is another delightful addition to the genre of schoolgirl fiction. In this novel, readers are once again transported to the world of girls' boarding schools in the early 20th century. The story is set at the Forester's School for Girls and follows the adventures of a group of students during what turns out to be an exceptionally lively and enjoyable school term. The term is filled with various exciting events and challenges, and the girls eagerly participate in them. These activities include sports, competitions, friendships, and even a bit of mystery. As with many of Angela Brazil's works, the novel emphasizes the importance of friendship and camaraderie among the girls. It also explores themes of personal growth, independence, and the value of teamwork. Throughout the story, readers get to know a diverse group of characters, each with their own unique qualities and quirks. The Jolliest Term on Record is known for its engaging narrative and relatable characters, making it a beloved classic in the schoolgirl fiction genre. Angela Brazil's writing style captures the spirit and enthusiasm of youth, making her stories both entertaining and heartwarming. Overall, this novel offers an entertaining and nostalgic look into the lives of young girls attending a boarding school and showcases the bonds of friendship that can develop during such formative years.

Original Grin Ron English,2019-07-16 Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie Supersize Me; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on The Simpsons secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.

Practical Junk Rig H.G. Hasler,J.K. McLeod,2012-07-29 This encyclopaedic volume synthesises 25 years of research and development of this unique rig as adapted to western craft. It is a work which has been welcomed by the growing number of yachtsmen and designers throughout the world who already enjoy the benefits of junk rig or who wish to do so. Now in paperback for the first time, Practical Junk Rig examines the design and aerodynamic theory behind junk rigs and discusses how best to sail them. It outlines the rig in detail, the principles that underlie it, considers possible alternative shapes and arrangements and analyses performance, all assisted by a wealth of detailed line illustrations. 'There is no better or more comprehensive work on the subject available... it should be considered THE handbook on junk rigs for anyone interested in the subject' Sailing 'I cannot recommend this book too highly' Classic Boat

Crossword Lists Anne Stibbs,2005

Twelve Years a Slave Solomon Northup,2024-01-04 Filmatised in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US,on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Encyclopedia of Sports Films K Edgington,Thomas Erskine,James M. Welsh,2010-12-29 In this reference volume, more than 200 fictional feature-length movies with a primary focus on an athletic endeavor are discussed, including comedies, dramas, and biopics. Brief summaries and credit information are provided for an additional 200 films, and appendixes include made-for-television movies and documentaries.

Icons Unmasked Alex Solis,2016-02-14 Ever wonder if the characters you see on TV, in movies and in comic books are hiding something behind their masks? That perhaps they're really someone -- or something -- else? When pop culture is such a huge part of our lives, we're bombarded with these characters everywhere we turn. Each time we see a new character in a movie, video game or commercial, we feel a sudden sense deja vu. There's something about their goofy grin, that creepy laugh, or those boogly eyes that feels eerily familiar...This got me thinking. Is anything we see ever 100% original? Or is everything we experience really just our minds piecing together past experiences to create something that feels unique and new?In Icons Unmasked, I'm trying to bring a new sense of discovery to characters everyone has seen hundreds of times. I wanted to recreate the experience of what it might be like to see one iconic character from your childhood for the first time as an adult. Proceed at your own caution and keep in mind the following illustrations cannot be unseen. Your childhood might possibly be destroyed forever

KHAGESVARA SUJITH SUKUMAR,2021-05-19 It is the story of Yuga, a mysterious young warrior, who was born and brought up in the forest. He lives with his Guru who tries to save the hidden secrets of the Shatapatha Kingdom from the followers of Darkness. Their ancestors are afraid of the rebirth of the Shadow of Darkness Lord in the future. Aryan is the king of their kingdom, who is wise and generous. He and his protectors begin their Tapasya to please their creator, 'Garuda - The King of Birds' for grace and to defend them from the followers of Lord Darkness. The Creator pleases and boon them with the hidden secrets, and also, reminds them to do some karma so that they can own the hidden secrets. In the middle of a battle, the Shatapathans find one of their protectors who had disappeared with King Aryan for so many years. The protector sends Yuga with them. It's a journey of Yuga exploring the hidden secrets.

Horror Noire Robin R. Means Coleman,2013-03 From King Kong to Candyman, the boundary-pushing genre of the horror film has always been a site for provocative explorations of race in American popular culture. In Horror Noire: Blacks in American Horror Films from 1890's to Present, Robin R. Means Coleman traces the history of notable characterizations of blackness in horror cinema, and examines key levels of black participation on screen and behind the camera. She argues that horror offers a representational space for black people to challenge the more negative, or racist, images seen in other media outlets, and to portray greater diversity within the concept of blackness itself. Horror Noire presents a unique social history of blacks in America through changing images in horror films. Throughout the text, the reader is encouraged to unpack the genre's racialized imagery, as well as the narratives that make up popular culture's commentary on race. Offering a comprehensive chronological survey of the genre, this book addresses a full range of black horror films, including mainstream Hollywood fare, as well as art-house films, Blaxploitation films, direct-to-DVD films, and the emerging U.S./hip-hop culture-inspired Nigerian Nollywood Black horror films. Horror Noire is, thus, essential reading for anyone seeking to

understand how fears and anxieties about race and race relations are made manifest, and often challenged, on the silver screen.

The Thirteen American Arguments Howard Fineman,2009-03-10 Howard Fineman, one of our most trusted political journalists, shows that every debate, from our nation’s founding to the present day, is rooted in one of thirteen arguments that-thankfully-defy resolution. It is the very process of never-ending argument, Fineman explains, that defines us, inspires us, and keeps us free. At a time when most public disagreement seems shrill and meaningless, Fineman makes a cogent case for nurturing the real American dialogue. The Thirteen American Arguments runs the gamut, including • Who Is a Person? The Declaration of Independence says “everyone,” but it took a Civil War, the Civil Rights Act, and other movements to make that a reality. Now, what about human embryos and prisoners in Guantanamo? • The Role of Faith No country is more legally secular yet more avowedly prayerful. From Thomas Jefferson to James Dobson, the issue persists: Where does God fit in government? • America in the World In Iraq and everywhere else, we ask ourselves whether we must change the world in order to survive and honor our values-or whether the best way to do both is to deal with the world as it is. Whether it’s the nomination of judges or the limits of free speech, presidential power or public debt, the issues that galvanized the Founding Fathers should still inspire our leaders, thinkers, and fellow citizens. If we cease to argue about these things, we cease to be. “Argument is strength, not weakness,” says Fineman. “As long as we argue, there is hope, and as long as there is hope, we will argue.”

God Complex Vol. 1: Dogma Paul Jenkins,2018-07-18 A young forensics investigator finds his worldview turned upside down when a bizarre religious triple homicide introduces him to the Rulers, godlike beings who have ruled humanity since the dawn of time. From writer PAUL JENKINS (SPAWN: RESURRECTION, The Inhumans, Marvel Knights: Sentry) and artist HENDRY PRASETYA (Mighty Morphin Power Rangers), GOD COMPLEX: DOGMA is a unique spin on ancient mythology with a focus on one man’s journey of faith. Collects GOD COMPLEX #1-6

We Are Indie Toys Louis Bou,2014-02-25 The indie world is producing extraordinary toy characters but little is known about the designers creating them or the processes used to make them. We Are Indie Toys! profiles the most interesting toymakers and reveals how they turn their unique ideas into one-of-a-kind collectibles.

Anagram Solver Bloomsbury Publishing,2009-01-01 Anagram Solver is the essential guide to cracking all types of quiz and crossword featuring anagrams. Containing over 200,000 words and phrases, Anagram Solver includes plural noun forms, palindromes, idioms, first names and all parts of speech. Anagrams are grouped by the number of letters they contain with the letters set out in alphabetical order so that once the letters of an anagram are arranged alphabetically, finding the solution is as easy as locating the word in a dictionary.

Domination & Submission Michael Makai,2014 The definitive handbook on Domination and Submission (D/s) relationships and the BDSM lifestyle. A must-read for anyone considering or curious about non-traditional relationships within a fetish culture context. Funny, insightful, educational, and inspiring.Author Michael Makai goes in-depth on Dominants, submissives, switches, primals, and their relationship dynamics. Learn about BDSM activities, bondage, toys, groups, protocols, and safety. This book even dares to go where others fear to tread: Primal relationships, online BDSM relationships, the Gorean subculture, first meetings, religion vs. kink, and the many ways it can all go wrong.You'll love Michael Makai's irreverent and humorous treatment of this subject as he gives you the benefit of his 35+ years of experience in the D/s and BDSM lifestyles.

Kill Audio Claudio Sanchez,2014-08-20 ROCK 'N' ROLL WILL DIE! Kill Audio, on the other hand, can't. An immortal troll charged with balancing music in the land of Sight & Sound, Kill Audio seeks out the musical fathers of every genre...but someone's always one step ahead of him. With his team of a talking pillow, a skeleton in a beaver suit, and a drug-addled chicken, will Kill Audio be able to restore the balance before it's too late? Coheed and Cambria frontman Claudio Sanchez (THE AMORY WARS) and Chondra Echert (KEY OF Z) team up with red-hot artist Mr. Sheldon (DEADPOOL) for a disgustingly enjoyable piece of rock 'n' roll you'll never forget!

Border Bang Jorge Guttiérrez,2018-11-13 WHEN MEXICAN FOLKORE MEETS U.S. POP CULTURE!!!! Border Bang is a passionate love letter to the Tijuana and US border, documenting the bootleg artifacts sold to locals and tourists alike. Reappropriating the bombardment of pop culture images is the border’s reaction to global issues and events, telling viewers and consumers not to glorify these situations but rather to acknowledge them through their subversive presentation. Border artisans and shysters digest the influx of international popular culture, reappropriating and reconfiguring images to express themselves and empower objects with subversive ideas masked underneath bold colors and text. Raised in Tijuana, Gutierrez crossed the border to the US to attend elementary and middle school. Each day, he was dazzled and entranced by the objects being sold, creating alternative narratives to the cartoon characters and celebrity portraits that he saw. Border Bang is a reflection of his childhood narrative, using images from Mickey Mouse to Tupac Shakur to convey the reflections and meditations of global events as witnessed by the border, exploring his love affair with Mexican pop and folk culture.
