Jerome Slater

The Encyclopedia of the Arab-Israeli Conflict Spencer C. Tucker, Priscilla Roberts, 2008-05-12 This exhaustive work offers readers at multiple levels key insights into the military, political, social, cultural, and religious origins of the Arab-Israeli conflict. The Encyclopedia of the Arab-Israeli Conflict: A Political, Social, and Military History is the first comprehensive general reference encompassing all aspects of the contentious Arab-Israeli relationship from biblical times to the present, with an emphasis on the era beginning with World War I. The Encyclopedia of the Arab-Israeli Conflict goes beyond simply recapping military engagements. In four volumes, with more than 750 alphabetically organized entries, plus a separate documents volume, it provides a wide-ranging introduction to the distinct yet inextricably linked Arab and Israeli worlds and worldviews, exploring all aspects of the conflict. The objective analysis will help readers understand the dramatic events that have impacted the entire world, from the founding of modern Israel to the building of the Suez Canal; from the Six-Day War to the Camp David Accords; from the assassinations of Anwar Sadat and Yitzhak Rabin to the rise and fall of Yasser Arafat, the 2006 Palestinian elections, and the Israeli-Hezbollah War in Lebanon.

Weaponomics: the global market for assault rifles Phillip Killicoat, 2007 Abstract: This paper introduces the first effort to quantitatively document the small arms market by collating field reports and journalist accounts to produce a cross-country time-series price index of Kalashnikov assault rifles. A model of the small arms market is developed and empirically estimated to identify the key determinants of assault rifle prices. Variables which proxy the effective height of trade barriers for illicit trade are consistently significant in determining weapon price variation. When controlling for other factors, the collapse of the Soviet Union does not have as large an impact on weapon prices as is generally believed.

Counterinsurgency and the Global War on Terror Robert M. Cassidy, 2006-04-30 Since September 2001, the United States has waged what the government initially called the global war on terrorism (GWOT). Beginning in late 2005 and early 2006, the term Long War began to appear in U.S. security documents such as the National Security Council's National Strategy for Victory in Iraq and in statements by the U.S. Secretary of Defense and the Chairman of the JCS. The description Long War—unlimited in time and space and continuing for decades—is closer to reality and more useful than GWOT. Colonel Robert Cassidy argues that this protracted struggle is more correctly viewed as a global insurgency and counterinsurgency. Al Qaeda and its affiliates, he maintains, comprise a novel and evolving form of networked insurgents who operate globally, harnessing the advantages of globalization and the information age. They employ terrorism as a tactic, subsuming terror within their overarching aim of undermining the Western-dominated system of states. Placing the war against al Qaeda and its allied groups and organizations in the context of a global insurgency has vital implications for doctrine, interagency coordination, and military cultural change—all reviewed in this important work. Cassidy combines the foremost maxims of the most prominent Western philosopher of war and the most renowned Eastern philosopher of war to arrive at a threefold theme: know the enemy, know yourself, and know what kind of war you are embarking upon. To help readers arrive at that understanding, he first offers a distilled analysis of al Qaeda and its associated networks, with a particular focus on ideology and culture. In subsequent chapters, he elucidates the challenges big powers face when they prosecute counterinsurgencies, using historical examples from Russian, American, British, and French counterinsurgent wars before 2001. The book concludes with recommendations for the integration and command and control of indigenous forces and other agencies.

AK-47 Larry Kahaner, 2010-12-22 No single weapon has spread so much raw power to so many people in so little time—and had such a devastating effect—as the AK-47 assault rifle. This book examines the legacy of this world-changing weapon, from its creation as means of fighting the Nazis to its ubiquity today in every kind of conflict, from civil wars in Africa to gang wars in L.A.

The Arab-Israeli Conflict Paul Harper, 1989 Zionism - Palestine - The state of Israel - Camp David - Yasser Arafat - Suez Crisis - Nasser - PLO.

Rising Star Bates Gill, 2010-10-01 China's diplomatic strategy has changed dramatically since the mid-1990s, creating both challenges and opportunities for other world powers. Through a combination of pragmatic security policies, growing economic clout, and increasingly deft diplomacy, China has established productive and increasingly solid relationships throughout Asia and around the globe. Yet U.S. policymakers are still trying to comprehend these critical changes. *Rising Star* provides a coherent framework for understanding China's new security diplomacy and guiding America's China policy. Bates Gill has completely updated his original analysis, focusing on Chinese policy in three areas: regional security mechanisms, nonproliferation and arms control, and questions of sovereignty and intervention. Looking to the future, he offers specific recommendations for a balanced and realistic approach that emphasizes what China and the United States have in common, rather than what divides them. The main arguments and recommendations of the original book continue to hold true and, in many respects, are more compelling now than ever before given China's continued ascendancy.

The Great Rifle Controversy Edward Clinton Ezell, 1984 Udviklingen af den amerikanske infanterists håndvåben.

Historical record of the Royal regiment of Scots dragoons: now the Second, or Royal North British dragoons, commonly called the Scots greys, to 1839 Royal Scots greys, 1840

The Yom Kippur War Abraham Rabinovich, 2007-12-18 An updated edition that sheds new light on one of the most dramatic reversals of military fortune in modern history. The easing of Israeli military censorship after four decades has enabled Abraham Rabinovich to offer fresh insights into this fiercest of Israel-Arab conflicts. A surprise Arab attack on two fronts on the holiest day of the Jewish calendar, with Israel's reserves un-mobilized, triggered apocalyptic visions in Israel, euphoria in the Arab world, and fraught debates on both sides. Rabinovich, who covered the war for *The Jerusalem Post*, draws on extensive interviews and primary source material to shape his enthralling narrative. We learn of two Egyptian nationals, working separately for the Mossad, who supplied Israel with key information that helped change the course of the war; of Defense Minister Moshe Dayan's proposal for a nuclear "demonstration" to warn off the Arabs; and of Chief of Staff David Elazar's conclusion on the fifth day of battle that Israel could not win. Newly available transcripts enable us to follow the decision-making process in real time from the prime minister's office to commanders studying maps in the field. After almost overrunning the Golan Heights, the Syrian attack is broken in desperate battles. And as Israel regains its psychological balance, General Ariel Sharon leads a nighttime counterattack across the Suez Canal through a narrow hole in the Egyptian line -- the turning point of the war.

Mythologies Without End Jerome Slater, 2020 In *Mythologies Without End*, Jerome Slater takes stock of the conflict over time and argues that US policies in the region are largely a product of mythologies that are often flatly wrong. Because of their widespread acceptance, there have been devastating consequences to the true interests of both countries. He argues that a critical examination and refutation of the many mythologies is a necessary first step toward solving the Arab-Israeli conflict.

The History of Arab - Jewish Conflict Dr. P J Vincent, 2019-11-22 The emergence of the modern Zionist Movement was driven by the search for a homeland in Palestine for the stateless and persecuted Jewish People. The organized migration and settlement of Jewish people under the banner of the World Zionist Organization trampled the fundamental rights of Palestine People and continuously rejected their statehood. The rejectionist policy practiced by Zionists and the State of Israel explains the persistence of the Palestine question. This book devotes to examine the historical origin and evolution of Arab-Israeli conflict from 1881, the year of first Aliya, to the creation of the state of Israel in 1948. It investigates socio-political and cultural aspects of the conflict with an emphasis on the historical factors. The book offers a comprehensive and comprehensible analysis of the History of Palestine.

The Making Of The British Army Allan Mallinson, 2009-11-10 Edgehill, 1642: Surveying the disastrous scene in the aftermath of the first battle of the English Civil War, Oliver Cromwell realized that war could no longer be waged in the old, feudal way: there had to be system and discipline, and therefore - eventually - a standing professional army. From the 'New Model Army' of Cromwell's distant vision, former soldier Allan Mallinson shows us the people and events that have shaped the British army we know today. How Marlborough's momentous victory at Blenheim is linked to Wellington's at Waterloo; how the desperate fight at Rorke's

Drift in 1879 underpinned the heroism of the airborne forces at Arnhem in 1944; and why Montgomery's momentous victory at El Alamein mattered long after the Second World War was over . . . From the British Army's origins at the battle of Edgehill to the recent conflict in Afghanistan, The Making of the British Army is history at its most relevant - and most dramatic.

The AK-47 and AK-74 Kalashnikov Rifles and Their Variations Joe Poyer,2006-01-01

Redcoat Richard Holmes,2002 Based on the letters and diaries of the British soldiers who served as the backbone of the army from 1760 to 1860, this illuminating book is rich in the history of a fascinating era. of illustrations.

New Babylonians Orit Bashkin,2012-09-12 Although Iraqi Jews saw themselves as Iraqi patriots, their community—which had existed in Iraq for more than 2,500 years—was displaced following the establishment of the state of Israel. *New Babylonians* chronicles the lives of these Jews, their urban Arab culture, and their hopes for a democratic nation-state. It studies their ideas about Judaism, Islam, secularism, modernity, and reform, focusing on Iraqi Jews who internalized narratives of Arab and Iraqi nationalisms and on those who turned to communism in the 1940s. As the book reveals, the ultimate displacement of this community was not the result of a perpetual persecution on the part of their Iraqi compatriots, but rather the outcome of misguided state policies during the late 1940s and early 1950s. Sadly, from a dominant mood of coexistence, friendship, and partnership, the impossibility of Arab-Jewish coexistence became the prevailing narrative in the region—and the dominant narrative we have come to know today.

AK47: The Story of the People's Gun Michael Hodges,2008-03-20 In the sixty years since General Kalashnikov created the AK's distinctive silhouette, the gun has been at the centre of conflicts across the Middle East, Africa and Latin America. The weapon that made him a 'Hero of the Soviet Union' has also appeared on t-shirts and vodka bottles, featured in videos and song lyrics and been re-fashioned in crystal - a gift from Putin to George W. Bush. Power, politics and passion combine in the story of a weapon that has shaped the modern world. Using testimonies of people who have experienced the gun at first-hand - including a Sudanese child soldier, a Vietcong veteran and a Yorkshire teenager - Michael Hodges provides a compelling account of how the AK47 became an icon that ranks alongside Coca-Cola as one of the most recognisable brands in the world.

Who Dares Wins Gregory Fremont-Barnes,2012-02-20 For 5 days in May 1980, the world watched as the SAS performed a daring raid on the Iranian Embassy in London. Hailed by Margaret Thatcher as “a brilliant operation" the raid was a huge success for the SAS, rescuing 19 hostages with near-perfect military execution, although 2 hostages were killed by terrorists. Despite the media attention, details of the siege are still largely unknown and those involved and the identities of the SAS troopers themselves, remain a closely guarded secret. This book takes an in -depth look at the siege, revealing the political background behind it and analysing the controversial decision by the Prime Minister to sign over control of the streets of London to the military. Artwork illustrates the moment the walls were breached and show how the strict planning of the operation was critical to its success. With input from those involved in the mission, the author strips away some of the mystery behind the best counter-terrorism unit in the world and their most famous raid.

Kalashnikov - The Arms and the Man Edward Clinton Ezell,2001-01-01

Future Reserves 2020 Great Britain: Ministry of Defence,2012-11-08 Following the 2010 strategic defence and security review (Cm. 7948, ISBN 9780101794824) the MoD is redesigning the Armed Forces to meet new security challenges at home and abroad. The report in July 2011 by the Independent Commission to Review the United Kingdom's Reserve Forces (ISBN 9780108510892) found that the Reserve Forces were in decline, not being used cost-effectively with capabilities not being fully exploited. The Ministry of Defence says it will spend £1.8 billion over the next decade to improve their strength and effectiveness. This aims to support an increase in the reserve forces to a trained strength in the Army Reserve of 30,000, the Maritime Reserve of 3,100 and the Royal Auxiliary Air Force of 1,800, all by 2018. Proposed changes mean that the routine delivery of the nation's security will broaden from being solely the responsibility of standing regular forces. The government says it will work with employers and give them more notice before staff are deployed. Reservists' training would increase with the promise that if they met their commitments they would be better equipped and funded. This Green paper starts a process of consultation to determine the nature of new relationship with society needed to sustain the Reserve Forces in the future. It explains the broad responsibilities of the future Reserve Forces and then lays out the expected implications for civilian employers, reservists and reservists' families

Churchill and America Martin Gilbert,2005-10-06 In this stirring book, Martin Gilbert tells the intensely human story of Winston Churchill's profound connection to America, a relationship that resulted in an Anglo-American alliance that has stood at the center of international relations for more than a century. Winston Churchill, whose mother, Jennie Jerome, the daughter of a leading American entrepreneur, was born in Brooklyn in 1854, spent much of his seventy adult years in close contact with the United States. In two world wars, his was the main British voice urging the closest possible cooperation with the United States. From before the First World War, he understood the power of the United States, the gigantic boiler, which, once lit, would drive the great engine forward. Sir Martin Gilbert was appointed Churchill's official biographer in 1968 and has ever since been collecting archival and personal documentation that explores every twist and turn of Churchill's relationship with the United States, revealing the golden thread running through it of friendship and understanding despite many setbacks and disappointments. Drawing on this extensive store of Churchill's own words -- in his private letters, his articles and speeches, and press conferences and interviews given to American journalists on his numerous journeys throughout the United States -- Gilbert paints a rich portrait of the Anglo-American relationship that began at the turn of the last century. Churchill first visited the United States in 1895, when he was twenty-one. During that first visit, he was invited to West Point and was fascinated by New York City. What an extraordinary people the Americans are! he wrote to his mother. This is a very great country, my dear Jack, he told his brother. During three subsequent visits before the Second World War, he traveled widely and formed a clear understanding of both the physical and moral strength of Americans. During the First World War, Churchill was Britain's Minister of Munitions, working closely with his American counterpart Bernard Baruch to secure the material needed for the joint war effort, and argued with his colleagues that it would be a grave mistake to launch a renewed assault before the Americans arrived. Churchill's historic alliance with Franklin Roosevelt during the Second World War is brilliantly portrayed here with much new material, as are his subsequent ties with President Truman, which contributed to the Truman Doctrine and the Marshall Plan. In his final words to his Cabinet in 1955, on the eve of his retirement as Prime Minister, Churchill gave his colleagues this advice: Never be separated from the Americans. In *Churchill and America*, Gilbert explores how Churchill's intense rapport with this country resulted in no less than the liberation of Europe and the preservation of European democracy and freedom. It also set the stage for the ongoing alliance that has survived into the twenty-first century.

Full Size Accuracy International AW50F Anti Materiel Rifle Paper Model.jpg Introduction

In the digital age, access to information has become easier than ever before. The ability to download Full Size Accuracy International AW50F Anti Materiel Rifle Paper Model.jpg has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Full Size Accuracy International AW50F Anti Materiel Rifle Paper Model.jpg has opened up a world of possibilities. Downloading Full Size Accuracy International AW50F Anti Materiel Rifle Paper Model.jpg provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Full Size Accuracy International AW50F Anti Materiel Rifle Paper Model.jpg has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to

access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Full Size Accuracy International AW50F Anti Materiel Rifle Paper Model.jpg. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Full Size Accuracy International AW50F Anti Materiel Rifle Paper Model.jpg. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Full Size Accuracy International AW50F Anti Materiel Rifle Paper Model.jpg, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Full Size Accuracy International AW50F Anti Materiel Rifle Paper Model.jpg has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Full Size Accuracy International AW50F Anti Materiel Rifle Paper Model.jpg Books

What is a Full Size Accuracy International AW50F Anti Materiel Rifle Paper Model.jpg PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Full Size Accuracy International AW50F Anti Materiel Rifle Paper Model.jpg PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications

and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Full Size Accuracy International AW50F Anti Materiel Rifle Paper Model.jpg PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Full Size Accuracy International AW50F Anti Materiel Rifle Paper Model.jpg PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Full Size Accuracy International AW50F Anti Materiel Rifle Paper Model.jpg PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
