Last Days: Zombie Apocalypse Ash Barker, 2018-06-28 Last Days: Zombie Apocalypse is a skirmish-scale miniatures game of survival horror. It pits players against each other in a nightmarish near-future where the dead have returned to life and are feasting on the living. Players build their own factions, representing desperate civilians, military personnel, or hardened survivors, and must explore, scavenge, and fight in order to survive another day. Rival gangs are only one of the dangers they face – mindless zombies wander the streets, driven by insatiable hunger and drawn by the sound of combat! A gang's ability to scavenge is as vital as their combat ability, and players must ensure that they have the resources to survive in this hostile world. Scenarios and campaigns allow you to develop your gang, gain experience and recruit new henchmen to build up your strength or replace the inevitable casualties of the zombie apocalypse.

Oathmark Joseph A. McCullough, 2020-04-30 Empires have fallen, and the land is broken. The great oathmarks that once stood as testaments to the allegiances and might of nations have crumbled into ruin. In this lost age, fealty and loyalty are as valuable as gold and as deadly as cold iron, and war is ever-present. Created by Joseph A. McCullough, designer of Frostgrave and Frostgrave: Ghost Archipelago, Oathmark is a mass-battle fantasy wargame that puts you in command of the fantasy army you've always wanted, whether a company of stalwart dwarves or a mixed force with proud elves, noble men, and wild goblins standing shoulder-to-shoulder in the battle-line. Fight through an integrated campaign system and develop your realms from battle to battle, adding new territories, recruiting new troop types, and growing to eclipse your rivals... or lose what you fought so hard to gain and fall as so many would-be emperors before you.

A must have for all fans of Horus Heresy! From the Angel Sanguinius, who took the sole brunt of his Legion's most brutal acts, to Vulkan, whose humanity made him unique amongst his brothers, and from dour Perturabo, architect, inventor and murderous warlord, to Horus, whose shining light was eclipsed only by the darkness that grew within his soul, this anthology covers eight of the primarchs and their greatest – or darkest – deeds. Ali Cavanaugh Ali Cavanaugh, 2019 *Modern Fresco Paintings* is the first collection of Ali Cavanaugh's paintings, and it follows her entire career using watercolor on kaolin clay to create her modern fresco technique and the lovely work that flows from it. Beginning with her hyper-realistic portraits and ending with her latest, more free-flowing pictures, her use of light, color, and the human form captures the essence of her models and their forms and feelings in a particular moment. Cavanaugh's artistic sensibility was developed by two important events in her childhood. Her dependence on the visual world began when she lost much of her hearing through spinal meningitis when she was two, and her creative spirit developed out of her being raised in a rural environment where she had to create her own ways of expressing herself and making her own fun. She developed her stunning modern fresco medium almost by accident as she was learning to apply the outer layer of plaster to her home in Santa Fe, New Mexico. Since that time this volume illustrates her growth as an artist and her mastery of the technique. These are lovely works, painted masterfully. Both long-time followers of Cavanaugh's work---from the earliest *Sock Arms* paintings to those who found her through more recent work like the *Chroma* series---and those who are discovering her and her art for the first time, will be delighted by this collection.

Amongst them is the indomitable Sergeant Minka Lesk. Sent to the capital world of Potence, Lesk and the Cadian 101st company soon discover that a rot runs through the very heart of the seemingly peaceful world.
