**Origami Journey** Dása Severová,2018-05-08 This book takes you onto an amazing journey into the world of geometric origami, a world full of shapes and colors. The author presents detailed step-by-step instructions for more than 35 original origami designs: stars, flowers, decorations and boxes. The models vary in difficulty from simple to complex. The book is divided into three chapters. The first chapter showcases modular models - models constructed from several identical units connected only by folding. The second chapter

explores how to fold beautiful practical three dimensional models such as boxes, all from a single sheet. The third chapter focusses on decorative models such as stars and flowers, each to be folded from a single square or from other regular polygons. The Appendix will teach you how to obtain these regular polygons from usual square origami sheets or rectangles by folding and cutting them along the creases. This book is suitable for beginners and advanced origamists alike, offering challenging and appealing projects to everyone. With their unique style of diagramming, the instructions are precise, clear and easy to understand. If you like the beauty of geometry and enjoy being creative with your hands, this book is for you. Whether you are familiar with origami or not, it offers many hours of enjoyment.

**Red Sky at Night** Elly MacKay, 2018-05-01 A memorable collection of weather sayings, beautifully arranged in story form and illustrated by renowned paper artist Elly MacKay. Red sky at night, sailor's delight. And, the next morning, when the dew is on the grass, no rain will come to pass. These are the perfect conditions for a grandfather to take his grandchildren out on a fishing trip. Especially since, as the saying goes, when the wind is from the West, then the fishes bite the best. The family takes a boat out on the lake, fishing and swimming and eventually camping out on a nearby island, taking full advantage of the gorgeous weather. But the next day . . . red sky in the morning, sailors take warning! The family ventures back home just in time to avoid a rainstorm. But not to worry -- the more rain, the more rest. Fair weather's not always best. Acclaimed paper artist Elly MacKay illustrates a lovely family narrative through the use of weather aphorisms, creating a beautiful and informational story which will appeal to children's timeless fascination with

the natural world.
