

# THE LION KING II SIMBAS PRIDE KIARA PAPERCRAFT.JPG

BEN WISNER

- 📖 **Disney's The Lion King II**, 1998 Scar's mate, Zira, and her cubs plot to take over the lands of the Lion King from Simba and his daughter, Kiara.
- 📖 **Disney's The Lion King II** Walt Disney, Eric Huang, 2000 Simba's daughter and Scar's son grow up to fall in love and reunite their two lion prides.
- 📖 **If Anything Happens I Love You** Will McCormack, Michael Govier, 2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from "above" as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose's soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.
- 📖 **Land Use and Development** Ben Wisner, 1977 Monograph comprising 15 essays on land utilization and agricultural development in Africa south of Sahara, with particular reference to environmental and ecological implications - comments on legislation for landscape protection, agrarian reform, irrigation and agricultural production, food shortage, economic implications and various aspects with respect to agricultural policy (esp. in arid zones). ILO mentioned. Bibliography after each essay, diagrams, maps and statistical tables.
- 📖 **Like Him, He Likes Her** Phyllis Reynolds Naylor, 2010-05-18 Find a penny pick it up and all day long you'll have good luck...except, of course, if that penny is charming and pretty and funny, and the person picking her up just happens to be your boyfriend. Alice McKinley's freshman year is not as "lucky" as she was hoping it would be. But she's trying to look on the bright side. There are worse things than being single for a semester... for a school year... for the whole summer.... At least Alice can count on her best friends for support—in theory, anyway. Lately they haven't been all that there-for-her. In fact, it seems like Pam and Liz are suddenly involved in intense, secret conversations whenever Alice is around. Single is starting to feel a whole lot like solo.
- 📖 **Mind Maps at Work** Tony Buzan, 2005-11-29 From the bestselling author of *The Mind Map Book* and *Use Both Sides of Your Brain* world-renowned expert on the brain, memory, speed reading, creativity, and innovation Tony Buzan has used his patented Mind Maps system to teach millions of people around the world how to unlock the infinite creativity of the human mind. With *Mind Maps at Work*, you'll find a practical guide to achieving workplace success and satisfaction. Mind Maps are a revolutionary thinking tool: a visual and colorful form of note-taking that unleashes our creative and logical sides simultaneously. Incorporating a number of high-profile success stories—including the impressive results that Buzan's system has yielded for companies like Boeing, Con Edison, and Apple—*Mind Maps at Work* guides individuals, work groups, and companies large and small to plan and strategize effectively, solve problems creatively, and recall facts easily, maximizing every individual's creativity and productivity.
