**James Lyon**

**Everyone Can Learn Origami** Peter Saydak, 2017-11-18 The ultimate book for beginners who want to learn origami! In this book you'll learn all the basic folds and techniques through incredibly detailed sets of diagrams and written instructions. After learning the basics you'll find easy to follow instructions showing how to fold 77 traditional origami models including animals, flowers, insects, boxes and much more. By working through this book and folding the different models you'll practice all the different folds and techniques, improving your skills and folding progressively more complex origami. When you reach the end you'll know everything you need to become an origami master! Please note, this book is not for you if you're already an origami expert. If you know how to fold the traditional origami frog from a frog base then you probably already know everything this book can teach you.

**Kiss of the Butterfly** James Lyon, 2013-04-01 "I sense it even now. People thirst for it; the entire country is mad with desire for it..." A dying man's cryptic letter catapults California college student Steven Roberts on a mystery-shrouded quest into the labyrinth of the war-torn Balkans. Singled out for the task by an enigmatic professor, Steven overcomes his doubts and plunges into the maelstrom to uncover long-lost clues to an ancient Emperor's deeply buried secret, a long-forgotten evil that slumbered for centuries only to reawaken ... and a love that defies death itself. Meticulously researched and set against the background of collapsing Yugoslavia, "Kiss of the Butterfly" weaves together intricate threads from age-old Balkan folklore and modern events, to create a tapestry of passion and betrayal, obsession and desire, the thirst for life and the hunger for death. "Kiss of the Butterfly" is a literary thriller rooted in actual events. In the year of his death, 1476, the Prince of Wallachia Vlad Dracula committed a bloody massacre under the cloak of medieval Bosnia's forested mountains in the town of Srebrenica. History repeated itself 500 years later in July 1995 in Europe's worst massacre since World War Two. For most people, the two events seemed unconnected... Until now. "A fast-paced adventure into a modern heart of Balkan darkness... A truly original take on the blood-sucking undead." -Publishers Weekly "No capes, no glitter: a vampire novel for readers who value sturdy mythology and a sophisticated understanding of history, along with warmblooded, human connections... skillful... authentic... fascinating... inspired... Lyon executes it perfectly... vivid... engaging..." -Kirkus Reviews

**The Shattered Mask** Richard Lee Byers, 2007 Shamur Uskevren is duped into making an assassination attempt on her husband. But soon she realizes that things are not what they seem and her family is in grave danger.

### Unveiling the Energy of Verbal Art: An Mental Sojourn through **Touhou Project Chibi Yuyuko Saigyouji Papercraft.jpg**

In a global inundated with monitors and the cacophony of instantaneous conversation, the profound power and emotional resonance of verbal beauty usually diminish in to obscurity, eclipsed by the constant onslaught of noise and distractions.
