Stirling Moss Stirling Moss,Simon Taylor,2015-05-15 In this very personal book, Stirling Moss guides the reader through his motor racing life with a fascinating, insightful and often amusing commentary to an unrivalled collection of over 300 photographs, many of which will be unfamiliar to even his most ardent fans. He takes us from his childhood to the height of his fame as 'Mr Motor Racing' and then to the sudden end of his career with that crash at Goodwood in 1962. Along the way we dwell on his finest moments as well as the setbacks, and delight in the sheer variety of machinery - almost 100 different cars - in which he competed during his rollercoaster racing life. This is a book that all motor racing enthusiasts will treasure. -

Starting in 1948, he made his name in little 500cc Coopers, moving towards stardom in HWM, ERA and Cooper F2 cars, then his own F1 Maserati 250F. - The 1955 Mercedes season and its twin highlights – winning the Mille Miglia and the British Grand Prix. - His longing to win in British cars was rewarded with two fine F1 seasons at Vanwall (1957–58), with whom he came very close to winning the F1 World Championship, and sports car successes with Aston Martin. - Rear-engined Cooper and Lotus F1 cars with Rob Walker (1958–62), including two celebrated Monaco GP wins. - Two-seater variety: the amazing range of sports cars he drove included Jaguars (XK120, C-type and D-type), Maseratis (150S to 450S), Ferraris (250 GT SWB and Testa Rossa) and Porsches (550 Spyder to RS61), plus Frazer Nash Le Mans Replica, Osca, Healey 100S, Cooper 'Bobtail' and more. - Ever busy and versatile: rallying with Sunbeams, trialling a Harford special, Bonneville record-breaking with MG EX181, saloon car racing in a humble Standard Ten – and even a kart race. - Published to mark the 60th anniversary of Moss's famous win in the 1955 Mille Miglia road race in a Mercedes 300SLR. Foreword by 2014 Formula One World Champion Lewis Hamilton.

Toward a Sociology of Education John Beck, Chris Jenks, Nell Keddie, Michael F. D. Young, 2020-03-10
By including material from literary, philosophical, and anthropological sources, and by selecting readings which consider educational practice both within and beyond formal educational contexts, this book broadens the character of sociological inquiry in education. The editors bring together material they have found valuable when working with students of education and sociology at all levels. Many of these articles and extracts are either inaccessible or have not been reprinted. The collection should stimulate inquiry about

the assumptions underlying current debates on curriculum, streaming, school organization, methods of teaching, and preconceived notions of ability.

Jenson Button: Life to the Limit Jenson Button,2017-10-19 LONGLISTED FOR THE WILLIAM HILL SPORTS BOOK OF THE YEAR 2018 This is my life, not the stuff you've seen, but the things you haven't. This is my childhood growing up in the West Country, my struggles, my doubts and my hopes. It's the people I've met in my seventeen years in Formula One, many of whom I've loved, some of whom I definitely haven't. It's the laughs I've shared, the battles I've fought, some on the track with rivals and friends like Fernando Alonso, Lewis Hamilton and Sebastian Vettel. It's the pressure I struggled with as I closed in on my World Championship in 2009, it's the calm I felt every time I settled into the cockpit. It's my dad - the many times he saved me, the one moment he doubted me, the hole in my life he left me. It's everything in one go, the good days as well as the bad. A life lived not just as a racing driver but, ultimately, as a human being.

Murray Walker: Unless I'm Very Much Mistaken Murray Walker,2003 The voice of motor racing and

much loved public figure - and the man responsible for introducing millions of viewers to the previously inaccessible world of Formula 1 - tells the story of his incident-packed life, with a brand new chapter on his globetrotting adventures since retirement. Murray Walker is a national treasure. When the man who made famous the catch phrase 'Unless I'm very much mistaken... I AM very much mistaken!!!!' announced that he was retiring as ITV's Grand Prix commentator, the media reacted as if the sport itself was losing one of its biggest stars. His reputation for mistakes was the making of Walker. He was the fan who happened to be given the keys to the commentary box - and never wanted to give them back. His high-octane delivery kept viewers on the edge of their seats, while his passion for talking about the sport he loved was matched by an all-encompassing knowledge gained through hours of painstaking research before every race. In his book he writes about his childhood and the influence that his father, British motorcycle champion Graham Walker, had on his career. Failing to match his father's achievements on the track after active service in World War II, he made a successful career for himself in advertising which catapulted him to the top of his profession. An offer from the BBC to take over the commentary seat for their F1 broadcasts was too good to turn down, and it wasn't long before the infamous 'Murrayisms' enlivened a sport which until then had been shrouded in a cloak of unfathomable technical jargon and mind-numbing statistics. He also talks about the biggest changes in the sport over the last 50 years, in particular the safety issues which came to the fore after the tragic death of Ayrton Senna, which he witnessed first hand. His partnership with James Hunt behind the microphone is the subject of some hilarious anecdotes, while his views on drivers past and present such as Stirling Moss, Jackie Stewart, Damon Hill and Michael

Schumacher make for fascinating reading.
