FASA Corporation

A Soldier's Way Colin Powell, Joseph E. Persico, 1996-04

Shadowforce Archer Alderac Entertainment Group, Patrick Kapera, Kevin Wilson, 2002-07

Kurita McGraw-Hill School, 1987-09

The Second Age of Walkers , 2005-02

A Soldier's Way Colin Powell, Joseph E Persico, 2011-07-31 'The man who might have been America's first Black president' Guardian 'An exemplary patriot . . . he helped pave the way for so many who would follow' Barack Obama THE #1 INTERNATIONAL BESTSELLER

Colin Powell is the embodiment of the American dream. He was born in Harlem to immigrant parents from Jamaica. He knew the rough life of the streets. He overcame a barely average start at school. Then he joined the Army. The rest is history - Vietnam, the Pentagon, Panama, Desert Storm - but a history that until now has been known only on the surface. *A Soldier's Way* is the powerful story of a life well lived and well told. At a time when Americans feel disenchanted with their leaders, Powell's passionate views on family, personal responsibility, and, in his own words, 'the greatness of America and the opportunities it offers' inspire hope and present a blueprint for the future. An utterly absorbing account, it is history with a vision

'A patriot of unmatched honor and dignity' President Joe Biden 'He always showed the world the best of who we are. He upheld the highest standards, representing our nation with dignity, grace, and strength' Vice President Kamala Harris 'He was such a favorite of presidents that he earned the Presidential Medal of Freedom - twice. He was highly respected at home and abroad. And most important, Colin was a family man and a friend.' George W Bush 'One of the greatest leaders that we have ever witnessed' Lloyd Austin, US Defense Secretary

Invading Clans FASA Corporation, 1994-09

Rogue Forces Dale Brown, 2009-04-28 The clash of civilizations will be won . . . by the highest bidder What happens when America's most lethal military contractor becomes uncontrollably powerful? His election promised a new day for America . . . but dangerous storm clouds are on the horizon. The newly inaugurated president, Joseph Gardner, pledged to start pulling U.S. forces out of Iraq on his first day in office—no questions asked. Meanwhile, former president Kevin Martindale and retired Air Force lieutenant-general Patrick McLanahan have left government behind for the lucrative world of military contracting. Their private firm, Scion Aviation International, has been hired by the Pentagon to take over aerial patrols in northern Iraq as the U.S. military begins to downsize its presence there. Yet Iraq quickly reemerges as a hot zone: Kurdish nationalist attacks have led the Republic of Turkey to invade northern Iraq. The new American president needs to regain control of the situation—immediately—but he's reluctant to send U.S. forces back into harm's way, leaving Scion the only credible force in the region capable of blunting the Turks' advances. But when Patrick McLanahan makes the decision to take the fight to the Turks, can the president rein him in? And just where does McLanahan's loyalty ultimately lie: with his country, his commander in chief, his fellow warriors . . . or with his company's shareholders? In *Rogue Forces*, Dale Brown, the New York Times bestselling master of thrilling

action, explores the frightening possibility that the corporations we now rely on to fight our battles are becoming too powerful for America's good.

Aristide Jean-Bertrand Aristide, Christophe Wargny, 1993 In this riveting memoir, Jean-Bertrand Aristide, a Catholic priest who became Haiti's first democratically-elected president, recounts his life--from his early education through his formal training as a priest, scripture scholar, and psychologist. The New York Times calls Aristide, (a) Pied Piper-like leader of Haiti's liberation theology movement.

Record of a Life Georg Lukacs, 1985-07-17 This revealing autobiography of the Hungarian Marxist philosopher Georg Lukács is centered on a series of interviews that he gave in 1969 and 1971, shortly before his death on 4 June 1971. Stimulated by the sympathetic yet incisive questioning of the interviewer, the Hungarian essayist István Eörsi, Lukács discusses at length the course of his life, his years of political struggle, and his formation and role as a Marxist intellectual. From a highly evocative account of his childhood and school years, Lukács proceeds to discuss his political awakening; the debates within the socialist movement over the First World War form the prelude to an assessment of Tactics and Ethics, written in 1919; from there the discussion turns to Lukács's early major contribution to Marxist philosophy, History and Class Consciousness. After considering at length the years of emigration in Vienna and the Soviet Union, Lukács finally recalls his return to Hungary after the Second World War, and his new position as a revolutionary left critic of actually existing socialism. "By socialist democracy," he wrote in 1970, "I understand democracy in ordinary life, as it appears in the Workers' Soviets of 1871, 1905 and 1917, as it once existed in the socialist countries, and in which form it must be re-animated." This Record of a Life, which includes an introduction by István Eörsi, furnishes a compelling tribute to a remarkable man.

Quartered Safe Out Here George MacDonald Fraser, 2019-05-30 'There is no doubt that [Quartered Safe Out Here] is one of the great personal memoirs of the Second World War' John Keegan

Ash Mary Gentle, 2013-09-24 For the beautiful young woman Ash, life has always been arquebuses and artillery, swords and armour and the true horrors of hand-to-hand combat. War is her job. She has fought her way to the command of a mercenary company, and on her unlikely shoulders lies the destiny of a Europe threatened by the depredations of an Infidel army more terrible than any nightmare. Winner of the BSFA Award for best novel, 2000

Market Forces Richard K. Morgan, 2005-03-01 From the award-winning author of Altered Carbon and Broken Angels—a turbocharged new thriller set in a world where killers are stars, media is mass entertainment, and freedom is a dangerous proposition . . . A coup in Cambodia. Guns to Guatemala. For the men and women of Shorn Associates, opportunity is calling. In the superheated global village of the near future, big money is made by finding the right little war and supporting one side against the other—in exchange for a share of the spoils. To succeed, Shorn uses a new kind of corporate gladiator: sharp-suited, hard-driving gunslingers who operate armored vehicles and follow a Samurai code. And Chris Faulkner is just the man for the job. He fought his way out of London's zone of destitution. And his kills are making him famous. But unlike his best friend and competitor at Shorn, Faulkner has a side that outsiders cannot see: the side his wife is trying to salvage, that another woman—a porn star turned TV news reporter—is trying to exploit.

Steeped in blood, eyed by common criminals looking for a shot at fame, Faulkner is living on borrowed time. Until he's given one last shot at getting out alive. . . .

Star Risk, Ltd Chris Bunch,2002 A mercenary outfit struggling for recognition, Star Risk contains a ragtag bunch of misfits, including an alien willing to invest his life savings into the company. Now if only they can succeed with their first mission: to spring a dangerous supersoldier trapped in a maximum-security prison. (August)

Dorsai! Gordon R. Dickson,2013-10-15 Donal Graeme set out to re-shape the galaxy, but first he must tear it apart. Donal Graeme, Dorsai of the Dorsai, was the final link in a long genetic train, the ultimate soldier, whose breadth of vision made him a master of space war and strategy - and something even greater. He was the focus of centuries of evolution, the culmination of planned development, and through him a new force made itself felt. Dorsai were renowned throughout the galaxy as the finest soldiers ever born, trained from birth to fight and win, no matter what the odds. With Donal at their head they embarked upon the final, impossible venture: they set out to unify the splintered worlds of Mankind.

Flash Forward 2009 Simon Bainbridge,2009-10-23 Year five of The Magenta Foundation's emerging photographers competition.

Deathstalker Simon R. Green,2016-05-04 Owen Deathstalker, last of the infamous warrior Clan, always considered himself more of a writer than a fighter, preferring his history books to making any actual history with a sword. But books won't protect him from Her Imperial Majesty Lionstone XIV, who just Outlawed and condemned Owen to death, without any explanation, reason, or warning. No wonder she's called the Iron Bitch. Now, on the run from Imperial starcruisers, shady mercenaries, and just about everyone else in the Empire, Owen's options are limited. Though the name Deathstalker still commands respect in certain quarters, out on the Rim, Owen is lucky he can cobble together a makeshift team of castoffs, including an ex-pirate, a cyborg, and a bounty hunter. But allies won't be enough to save him. If he's to live, Owen can either run forever...or take down the corrupt Empire. To do that, he'll need the fabled Darkvoid Device—an artifact dating back to the first Deathstalker and perhaps the only weapon powerful enough to help this ragtag rebellion win. The time has come for Owen to finally embrace his Deathstalker heritage...and all the blood and death that go along with it. *Deathstalker* is the first book in New York Times bestselling author Simon R. Green's beloved space opera series.

Bellarion Raphael Sabatini,2014-11-30 Bellarion, a young man set on joining the priesthood, is diverted from his calling to serve the Princess Valeria. He remains with her for five years, serving her faithfully despite her coldness. Yet when the time comes for him to leave, they both find that the passion and romance of Italy has left its mark...
