Ken Price: Drawings Ken Price,2019-09-17 Though Los Angeles artist Ken Price (1935-2012) is best known as a sculptor in ceramic, drawing was always a central component of his art: For me drawing is really flexible, he once stated, and I use it in different ways. It's my way of developing ideas. Ken Price: Drawings brings out this facet of Price's work fully for the first time. Featuring 78 of Price's works on paper--all reproduced for the first time, many at actual size--this book is the most comprehensive ever published on the subject. Technical innovations like five-color printing capture Price's drawings in all their wayward vitality. From preparatory works, like Price's early 1960s drawings exploring forms and colors for his abstract sculptures, to his 2000s landscapes featuring wild scenes of erupting volcanoes, cyclonic skies and turbulent seas, Ken Price: Drawings offers a long-overdue survey of Price's work on paper.

The Courage to Grieve Judy Tatelbaum,2009-10-13 This unusual self-help book about surviving grief offers the reader comfort and inspiration. Each of us will face some loss, sorrow and disappointment in our lives, and The Courage to Grieve provides the specific help we need to enable us to face our grief fully and to recover and grow from the experience. Although the book emphasizes the response to the death of a loved one, The Courage to Grieve can help with every kind of loss and grief. Judy Tatelbaum gives us a fresh look at understanding grief, showing us that grief is a natural, inevitable human experience, including all the unexpected, intense and uncomfortable emotions like sorrow, guilt, loneliness, resentment, confusion, or even the temporary loss of the will to live. The emphasis is to clarify and offer help, and the tone is spiritual, optimistic, creative and easy to understand. Judy Tatelbaum provides excellent advice on how to help oneself and others get through the immediate experience of death and the grief that follows, as well as how to understand the special grief of children. Particularly useful are the techniques for completing or finishing grief-counteracting the popular misconception that grief never ends. The Courage to Grieve shows us how to live life with the ultimate courage: not fearing death. This book is about so much more than death and grieving it is about life and joy and growth.

Trapped between two worlds, he must survive Ghoul turf wars, learn more about Ghoul society and master his new powers. Border Bang Jorge Guttiérrez,2018-11-13 WHEN MEXICAN FOLKLORE MEETS U.S. POP CULTURE!!!! Border Bang is a passionate love letter to the Tijuana and US border, documenting the bootleg artifacts sold to locals and tourists alike. Reappropriating the bombardment of pop culture images is the border's reaction to global issues and events, telling viewers and consumers not to glorify these situations but rather to acknowledge them through their subversive presentation. Border artisans and shysters digest the influx of international popular culture, reappropriating and reconfiguring images to express themselves and empower objects with subversive ideas masked underneath bold colors and text. Raised in Tijuana, Gutierrez crossed the border to the US to attend elementary and middle school. Each day, he was dazzled and entranced by the objects being sold, creating alternative narratives to the cartoon characters and celebrity portraits that he saw. Border Bang is a reflection of his childhood narrative, using images from Mickey Mouse to Tupac Shakur to convey the reflections and meditations of global events as witnessed by the border, exploring his love affair with Mexican pop and folk culture.
