Pen & Ink James Hobbs,2019-06-01 Pen & Ink is packed with page after page of bite-sized creative sketching tips and accessible advice, and offers aspiring artists the freedom to dip in and out for practical information or flick through for fresh inspiration and ideas. Exploring around 200 pieces of artwork by young contemporary artists, Pen & Ink highlights and examines the different techniques, qualities, and effects relating to each piece. Organized into chapters according to the technique exemplified (e.g.water soluble, mixed media) artwork is featured large and luscious, accompanied by extended captions, insightful tips, and practical advice. A detailed index at the front of the book also groups the paintings according to three main categories: Principles (e.g. composition), Media, Type of sketch (e.g. abstract), and Subject (e.g. nature). Listing each page where similar examples may be found, this category index enables the reader to easily identify and cross reference subjects that have been painted in similar styles. Throughout the book, useful information and practical tips are provided on a wide range of topics such as tone, perspective, color, and much more besides. Readers are encouraged to discover the various ways in which similar subjects and styles are executed by different artists, while also being inspired to use the tips in the book as a way of building on their existing skills. Offering a bold, refreshing change from other run-of-the-mill art books, Pen & Ink adopts the unique approach of accessing practical information via the images, focusing on the way subjects can be treated using a whole range of different drawing techniques, rather than looking at how to master one single style. This gives the reader a much wider skill set—allowing them to capture or create the essence of any image in a variety of different ways.

Maneki Neko Susan Lendroth,2016-02-15 The Japanese legend of Maneki Neko, the beckoning cat, who is a symbol of good luck and good fortune in many Asian countries. In a small Japanese village, a poor monk and his cat Tama live a simple life at the Kotoku Monastery. One day, a great storm passes through the village, and Tama is caught in the rain outside the temple. She waits under the eaves of a small shrine, cleaning her face and whiskers as best she can with her paw. A noble samurai is also passing through, and stops his horse under the cover of a large tree. But through the rain, what does he see? A cat with a raised paw, beckoning him forward? Curious, the samurai urges his horse forward. Just then, a bolt of lightning flashes and strikes the tree behind him, splitting it in two. The beckoning cat has saved his life. In his gratitude, the samurai brings riches to the small temple and the monk, who shares his wealth with the village. So goes the Japanese legend of Maneki Neko, the beckoning cat. And to this day, the cat with raised paw beckoning guests is a symbol of good luck and good fortune in many Asian countries.
