CHRISTMAS PAPERCRAFT. PATRICIA. MOFFETT,2019

Above All Things Tanis Rideout,2013-02-12 A New York Times Editor's Choice 1924. George Mallory is arguably the last great British explorer, having twice tried—and failed—to conquer Mount Everest. The mountain has haunted him, but his attempts have captivated the hearts of a nation desperate to restore its former glory after World War I. Yet George has sworn to his wife, Ruth, that he will not mount a third attempt. He will remain with her and their three children instead of again challenging the unreachable peak. Then, one afternoon, Ruth reads a telegram addressed to George: “Glad to have you aboard again.” And with this one sentence, the lives of the Mallorys, and the face of the nation, are irrevocably changed. A beautifully rendered story about the need for redemption and the quest for glory, Above All Things is a captivating blend of historical fact and imaginative fiction. It is a heartbreaking tale of obsession, sacrifice, and what we do for love and honor.

The Lost Painting Jonathan Harr,2005-10-25 Told with consummate skill by the writer of the bestselling, award-winning A Civil Action, The Lost Painting is a remarkable synthesis of history and detective story. An Italian village on a hilltop near the Adriatic coast, a decaying palazzo facing the sea, and in the basement, cobwebbed and dusty, lit by a single bulb, an archive unknown to scholars. Here, a young graduate student from Rome,

Francesca Cappelletti, makes a discovery that inspires a search for a work of art of incalculable value, a painting lost for almost two centuries. The artist was Caravaggio, a master of the Italian Baroque. He was a genius, a revolutionary painter, and a man beset by personal demons. Four hundred years ago, he drank and brawled in the taverns and streets of Rome, moving from one rooming house to another, constantly in and out of jail, all the while painting works of transcendent emotional and visual power. He rose from obscurity to fame and wealth, but success didn't alter his violent temperament. His rage finally led him to commit murder, forcing him to flee Rome a hunted man. He died young, alone, and under strange circumstances. Caravaggio scholars estimate that between sixty and eighty of his works are in existence today. Many others—no one knows the precise number—have been lost to time. Somewhere, surely, a masterpiece lies forgotten in a storeroom, or in a small parish church, or hanging above a fireplace, mistaken for a mere copy. Prizewinning author Jonathan Harr embarks on an spellbinding journey to discover the long-lost painting known as *The Taking of Christ*—its mysterious fate and the circumstances of its disappearance have captivated Caravaggio devotees for years. After Francesca Cappelletti stumbles across a clue in that dusty archive, she tracks the painting across a continent and hundreds of years of history. But it is not until she meets Sergio Benedetti, an art restorer working in Ireland, that she finally manages to assemble all the pieces of the puzzle. Praise for *The Lost Painting* “Jonathan Harr has gone to the trouble of writing what will probably be a bestseller . . . rich and wonderful. . . . In truth, the book reads better than a thriller. . . . If you're a sucker for Rome, and for dusk . . . [you'll] enjoy Harr's more clearly reported details about life in the city.”—*The New York Times Book Review*

“Jonathan Harr has taken the story of the lost painting, and woven from it a deeply moving narrative about history, art and taste—and about the greed, envy, covetousness and professional jealousy of people who fall prey to obsession. It is as perfect a work of narrative nonfiction as you could ever hope to read.”—*The Economist*

Achtung-Panzer! Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

A tragic explosion devastates the town of Steven's Mill, Virginia. Was it an accident, or was it part of a larger plot to take over the town and shut down the work going on at the secret command center? This first adventure in the Mount Hideaway Mysteries series of books and movies sets the stage for all the action and intrigue that awaits, and as the prequel to the popular movie *Mount Hideaway Mysteries: Exes and Oh No's*. With gripping drama and entertainment from a faith-based perspective, the story's characters wrestle with tragedy, danger, and mystery while also pursuing relationships with God.
