- EHAGESVARA SUJITH SUKUMAR, 2021-05-19 It is the story of Yuga, a mysterious young warrior, who was born and brought up in the forest. He lives with his Guru who tries to save the hidden secrets of the Shatapatha Kingdom from the followers of Darkness. Their ancestors are afraid of the rebirth of the Shadow of Darkness Lord in the future. Aryan is the king of their kingdom, who is wise and generous. He and his protectors begin their Tapasya to please their creator, 'Garuda The King of Birds' for grace and to defend them from the followers of Lord Darkness. The Creator pleases and boon them with the hidden secrets, and also, reminds them to do some karma so that they can own the hidden secrets. In the middle of a battle, the Shatapathans find one of their protectors who had disappeared with King Aryan for so many years. The protector sends Yuga with them. It's a journey of Yuga exploring the hidden secrets.
- Edons Unmasked Alex Solis, 2016-02-14 Ever wonder if the characters you see on TV, in movies and in comic books are hiding something behind their masks? That perhaps they're really someone -- or something -- else? When pop culture is such a huge part of our lives, we're bombarded with these characters everywhere we turn. Each time we see a new character in a movie, video game or commercial, we feel a sudden sense deja vu. There's something about their goofy grin, that creepy laugh, or those boogly eyes that feels eerily familiar... This got me thinking. Is anything we see ever 100% original? Or is everything we experience really just our minds piecing together past experiences to create something that feels unique and new? In Icons Unmasked, I'm trying to bring a new sense of discovery to characters everyone has seen hundreds of times. I wanted to recreate the experience of what it might be like to see one iconic character from your childhood for the first time as an adult. Proceed at your own caution and keep in mind the following illustrations cannot be unseen. Your childhood might possibly be destroyed forever

- DAUGHTER OF REDWINTER ED McDonald, 2022-06-28 Those who see the dead soon join them. From the author of the critically-acclaimed Blackwing trilogy comes Ed McDonald's Daughter of Redwinter, the first of a brilliant fantasy series about how one choice can change a universe. Raine can see—and speak—to the dead, a gift that comes with a death sentence. All her life she has hidden, lied, and run to save her skin, and she's made some spectacularly bad choices along the way. But it is a rare act of kindness—rescuing an injured woman in the snow—that becomes the most dangerous decision Raine has ever made. Because the woman is fleeing from Redwinter, the fortress-monastery of the Draoihn, warrior magicians who answer to no king, and who will stop at nothing to reclaim what she's stolen. A battle, a betrayal, and a horrific revelation force Raine to enter the citadel and live among the Draoihn. She soon finds that her secret ability could be the key to saving an entire nation. Though she might have to die to make it happen... At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
