**Leadership for a Better World** NCLP (National Clearinghouse for Leadership Programs), 2016-11-14 The essential guide to the theory and application of the Social Change Model Leadership for a Better World provides an approachable introduction to the Social Change Model of Leadership Development (SCM), giving students a real-world context through which to explore the seven C's of leadership for social change as well as approaches to socially responsible leadership. From individual, group, and community values through the mechanisms of societal change itself, this book provides fundamental coverage of this increasingly vital topic. Action items, reflection, and discussion questions throughout encourage students to think about how these concepts apply in their own lives. The Facilitator's Guide includes a wealth of activities, assignments, discussions, and supplementary resources to enrich the learning experience whether in class or in the co-curriculum. This new second edition includes student self-assessment rubrics for each element of the model and new discussion on the critical roles of leadership self-efficacy, social perspective, and social justice perspectives. Content is enriched with research on how this approach to leadership is developed, and two new chapters situate the model in a broader understanding of leadership and in applications of the model. The Social Change Model is the most widely-used leadership model for college students, and has shaped college leadership curricula at schools throughout the U.S. and other countries including a translation in Chinese and Japanese. This book provides a comprehensive exploration of the model, with a practical, relevant approach to real-world issues. Explore the many facets of social change and leadership Navigate group dynamics surrounding controversy, collaboration, and purpose Discover the meaning of citizenship and your commitment to the greater good

Become an agent of change through one of the many routes to a common goal. The SCM is backed by 15 years of research, and continues to be informed by ongoing investigation into the interventions and environments that create positive leadership development outcomes. Leadership for a Better World provides a thorough, well-rounded tour of the Social Change Model, with guidance on application to real-world issues. Please note that The Social Change Model: Facilitating Leadership Development (978-1-119-24243-7) is intended to be used as a Facilitator's Guide to Leadership for a Better World, 2nd Edition in seminars, workshops, and college classrooms. **Qelong** Lamentations of the Flame Princess, 2017-07 Two barely conceivable beings have fought a war for a generation over Sajavedra, a barely legendary land far to the southeast. They wish to claim its rich harvests of souls and fields, its intricate networks of ley lines and temples, for their own. They have devastated it utterly. A forgotten weapon in their war, a neglected sorcery fallen from a distracted archons attention, lies in the Qelong River valley at the edge of this near-cosmic battlefield. Qelong is Kenneth Hites hellish southeast Asian setting inspired by fantasy quest drama and war stories like Valhalla Rising, Apocalypse Now, and The Good, the Bad, and the Ugly. Suitable for character levels 4-6, usable with LotFP Weird Fantasy Role-Playing and other traditional role-playing games.

**Dark Albion** RPGPundit, Dominique Crouzet, 2015-07-05 Dark Albion: The Rose War is a 275 pages long, OSR RPG campaign setting, set in a fantasy medieval England during the War of the Roses (15th century). Think England + sorcery + demons and fairies + some fantasy twists to the world. 80% of the book is system neutral, so can be used with most role-playing games. Nonetheless, this book is designed with OSR games in mind, and will run best with Fantastic Heroes & Witchery (also available on Createspace/Amazon), and similar games such as Osric, Swords & Wizardry, etc. Note lastly that layout and art have been given great care to make the most visually pleasing book as possible: this means 10 maps, and two illustrations per pages on most of the 275 pages!

*Machinations of the Space Princess (Monochrome)* James Desborough,2018-06-29 Machinations of the Space Princess is a Science-Fantasy role-playing game. That means it's very much about style over substance, mixing science-fiction, magic and psionics in a game world that owes much more to Metal Hurlant and Star Wars than it does to 2001 or Bova's Grand Tour. This is a game of strangeness and fun, of space pirates and beautiful alien princesses, of living planets and robot hordes, of blasters at noon. This is... Sexy, sleazy, swords and sci-fi!
