Italian Rustic Elizabeth Helman-Minchilli,2009 A celebration of Tuscan farmhouse style, with practical advice on how to bring the look home. For anyone who has ever dreamed of living under the Tuscan sun, Italian Rustic is the next best thing--a step-by-step guide to recreating the romance and appeal of the weathered Italian farmhouse. This nuts-and-bolts guide to building Italian-style walks the reader through all the elements that make the rustic Italian home so unique, from the hand-laid stone walls to the artisanal stucco wall finishes. Author Elizabeth Minchilli, an American design writer based in Rome and Tuscany, received dozens of questions from readers after publishing her last book, Artisan's Restoring a Home in Italy. The queries went beyond the usual searches for fabric and couches. People were hungry to know how terra-cotta tiles were laid, or how fireplaces were built, she says. Italian Rustic, researched with the help of her Italian architect husband, is the user-friendly result: a book that explains, in clear text accompanied by photographs and drawings, how to lay a tile floor a la Italiana, or add a Tuscan-style pergola to any garden. With more than 300 stunning photographs shot on location in Tuscany and Umbria, the book contains profiles of local artisans, engaging text on how the farmhouse style evolved, and targeted advice on how Americans can find Italian-style building materials and craftsmen close to home. This essential sourcebook will appeal to anyone building an addition or an entire house from scratch, or for homeowners who want to add just a touch of Italian style to their houses.

The Decameron Giovanni Boccaccio,2023-07-07 In the time of a devastating pandemic, seven women and three men withdraw to a country estate outside Florence to give themselves a diversion from the death around them. Once there, they decide to spend some time each day telling stories, each of the ten to tell one story each day. They do this for ten days, with a few other days of rest in between, resulting in the 100 stories of the Decameron. The Decameron was written after the Black Plague spread through Italy in 1348. Most of the tales did not originate with Boccaccio; some of them were centuries old already in his time, but Boccaccio imbued them all with his distinctive style. The stories run the gamut from tragedy to comedy, from lewd to inspiring, and sometimes all of those at once. They also provide a detailed picture of daily life in fourteenth-century Italy.

Old Homes, New Life Clive Aslet,2020-07 - Each of the 12 houses will be featured in national and international press to announce the book- In the UK, the media includes Tatler, House & Garden, Country Life, The English Home, and Telegraph Luxury Online- In the US, the media includes Town & Country, Architectural Digest Online, The AD Aesthete Podcast, Air Mail, and DeparturesThis book is a sumptuously produced journey around 12 privately-owned country houses, asking what it is like to live in such places today. What role do they play in the 21st century? For many years after the Second World War, the country house was struggling. Now a new generation of young owners, often with children, has taken over. They're finding innovative ways to live in these ancient, fragile and poetic places. While they treasure the history and beauty of the houses, they're also adapting and enhancing them for a modern era. Old Homes, New Life is a behind-the-scenes account of today's aristocracy, as they reinvent the country house way of life. Each family does this in its own way, maintaining the tradition of individualism, even eccentricity, which is so much associated with country houses. Dylan Thomas's superb yet intimate photographs capture both the inhabitants of these houses and the spaces they occupy - from State dining to family kitchen, walled garden to attic. This feast for the eyes is accompanied by an equally mouth-watering text by Clive Aslet, based on interviews with family members and his long experience of the subject through his years as editor of Country Life. The result is an exclusive tour of a dozen spectacular homes.
