Sixteen-year-old Augum Stone is a warlock prodigy suffocating under the weight of expectations. Students idolize him. Nobles plot to exploit him. Commoners think he's a miracle-maker. And with invasion looming, his already war-weakened kingdom expects him to be its champion. But Augum doesn't want to be a pawn in someone else's game. He'll forge his own path: that of the Arcaner-not a warlock or a knight, but a lethal combination of both. Legend says Arcaners once had the power to summon dragons. If true, it could change everything. Resurrecting the Arcaner path comes with consequences, however. Scandal. Malice. Treachery. And a harrowing test of character. He must survive. **The Amazing Language of Medicine** Robert B. Taylor, 2017-01-23 This book tells the intriguing and often colorful stories of the medical words we use. The origins of clinical and scientific terms can be found in Greek and Latin myths, in places such as

jungles of Uganda and the islands of the Aegean Sea, in the names of medicine's giants such as Hippocrates and Osler, and in some truly unlikely sources. In this book you will learn the answers to questions such as: • What disease was named for an American space flight? • Do you know the echoic word for elephantine rumbling of the bowels? • What drug name was determined by drawing chemists' notes out of a hat? • What are surfer's eye, clam digger's itch, and hide porter's disease? This book can give you new insights into the terms we use every day in the clinic, hospital, and laboratory. Knowing a word's history assists in understanding not only what it means, but also some of the connotative subtleties of terms used in diagnosis and treatment. The Amazing Language of Medicine is intended for the enrichment of physicians, other health professionals, students, and anyone involved in clinical care and medical science.

**Ghost Hunters Adventure Club and the Secret of the Grande Chateau** Dr. Cecil H.H. Mills, 2020-03-10 Listen up, kid. My name is Dr. Cecil H.H. Mills. I'm the author of this book and many other ones that you might not have heard of. This book is about two idiot wannabe detective-types. Their names are J.J. and Valentine Watts, but I'm not sure if they're actually brothers or not. They make a friend; her name is Trudi de la Rosa. She's a wannabe detective-type too, but honestly, she's less of an idiot than the brothers. The three of them team up to solve a mystery that takes place in a snowy chateau up in the mountains. It gets more complicated around chapter 11, but now you've got the main gist of it. The story's full of intrigue and adventure and puzzles and light violence and some swear words. It's really entertaining. Just buy the book and start reading. You'll understand everything about the Ghost Hunters Adventure Club very soon.

One Degree of Change Larry Jackson, 2015-01-23 This book was written for the person who understands that there is so much more for them to accomplish but just can't seem to breakthrough. One of the traps in life is being satisfied with a 211 degree life. This is a very good life and many would characterize it as a successful life. But for the person who should be living at 212 degrees they feel like the oyster with sand in its shell, very agitated. Many times they can't put their finger on what is wrong or what is needed. Even the Christian living a good life before God can feel that something is missing. The thing missing is their purpose. They love the Lord and all that He provides but they realize there is more they should be doing for Him. If you feel like you are not walking in your purpose then this is the book for you! *One Degree of Change: How to Succeed Now!* will open your heart and mind to just how close you really are to accomplishing what the Lord has designed you for. It will provide much needed answers for your advancement. Because you are only one degree from the success you desire.

**Your Sons Are at Your Service** Aaron Y. Zelin, 2020-02-11 Tunisia became one of the largest sources of foreign fighters for the Islamic State—even though the country stands out as a democratic bright spot of the Arab uprisings and despite the fact that it had very little history of terrorist violence within its borders prior to 2011. In *Your Sons Are at Your Service*, Aaron Y. Zelin uncovers the longer history of Tunisian involvement in the jihadi

movement and offers an in-depth examination of the reasons why so many Tunisians became drawn to jihadism following the 2011 revolution. Zelin highlights the longer-term causes that affected jihadi recruitment in Tunisia, including the prior history of Tunisians joining jihadi organizations and playing key roles in far-flung parts of the world over the past four decades. He contends that the jihadi group Ansar al-Sharia in Tunisia was able to take advantage of the universal prisoner amnesty, increased openness, and the lack of governmental policy toward it after the revolution. In turn, this provided space for greater recruitment and subsequent mobilization to fight abroad once the Tunisian government cracked down on the group in 2013. Zelin marshals cutting-edge empirical findings, extensive primary source research, and on-the-ground fieldwork, including a variety of documents in Arabic going as far back as the 1980s and interviews with Ansar al-Sharia members and Tunisian fighters returning from Syria. The first book on the history of the Tunisian jihadi movement, *Your Sons Are at Your Service* is a meticulously researched account that challenges simplified views of jihadism's appeal and success.

**Homecoming** Cynthia Voigt, 2013-01-15 The iconic start to the timeless, Newbery-winning series from Cynthia Voigt. "It's still true." That's the first thing James Tillerman says to his older sister, Dicey, every morning. It's still true that their mother has

abandoned the four Tillermans in a mall parking lot somewhere in the middle of Connecticut. It's still true that they have to find their own way to Great-aunt Cilla's house in Bridgeport. It's still true that they need to spend as little as possible on food and seek shelter anywhere that is out of view of the authorities. It's still true that the only way they can hope to all stay together is to just keep moving forward. Deep down, Dicey hopes they can find someone to trust, someone who will take them in and love them. But she's afraid it's just too much to hope for....

**Twelve Years a Slave** Solomon Northup, 2024-01-04 Filmatized in 2013 and the

official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.
