*The Pikeman's Lament* Daniel Mersey,Michael Leck,2017-01-26 Recreate the action and drama of 17th Century warfare on your tabletop with The Pikeman's Lament. Start by creating your Officer – is he a natural leader raised from the ranks, the youngest son of a noble family, or an old veteran who has seen too many battles? As you campaign, your Officer will win honour and gain promotion, acquiring traits that may help lead his men to victory. Before each skirmish, your Officer must raise his Company from a wide range of unit options – should he lean towards hard-hitting heavy cavalry or favour solid, defensively minded infantry? Companies are typically formed from 6–8 units, each made up of either 6 or 12 figures, and quick, decisive, and dramatic games are the order of the day. With core mechanics based on Daniel Mersey's popular Lion Rampant rules, The Pikeman's Lament captures the military flavour of the 17th Century, and allows you to recreate skirmishes and raids from conflicts such as the Thirty Years' War, the English Civil Wars, and the Great Northern War.

*The Men Who Would Be Kings* Daniel Mersey,2016-09-22 The Men Who Would Be Kings is a set of rules designed for fighting historical or

Hollywood colonial battles in the mid to late 19th Century, from the Indian Mutiny to the Boxer Rebellion. Large scale colonial clashes tended to be one-sided affairs, but there are countless reports of brief, frantic skirmishes in every colonial war, where either side could be victorious, and these are the battles that *The Men Who Would Be Kings* seeks to recreate. Although focusing on the British colonial wars against the Zulus, Maoris and others, these rules will also permit players to explore the empires of France, Germany, and other nations, as well as allowing for battles between rival native factions. Gameplay is very simple, and is driven by the quality of the officers leading your units, in the true spirit of Victorian derring-do and adventure, where larger than life characters such as the (real) Fred Burnaby and the (fictional) Harry Flashman led their troops to glory and medals or a horrible end at the point of a spear tip.

**One-Hour Wargames** Neil Thomas,2014-09-03 A fun and practical new approach to wargaming that lets you complete a game in about an hour—includes rule sets and scenarios for most popular periods. One of the biggest problems facing wargamers is finding the time to actually play. Most commercially available games require several hours to set up and see to a conclusion; some can even take a whole day or weekend to complete. Apart from time, lack of space can also keep wargamers from enjoying their favorite pastime. In *One-hour Wargames*, veteran gamer and rule-writer Neil Thomas has addressed both problems. Now it is practical to play a satisfying game in around an hour on a normal dining table or living room floor. The book contains 8 all-new sets of very simple rules for various periods—from Ancient to WW2—and thirty stimulating scenarios which can be played using any of them. All the rules and scenarios are intended to be played on a 3ft x 3ft battlefield. The rules only require a small number of miniatures, so this really is an ideal way for new gamers, or veterans trying a new period, to get started with minimal investment of time and money. Also ideal for a quick game in the evening with a friend. Also included are sections on campaigns and solo games.
