

Your Name. Chibi Mitsuha Miyamizu Paper Toy.jpg

Asato Asato

Konosuba: God's Blessing on This Wonderful World!, Vol. 6 (light novel) Natsume Akatsuki, 2018-08-21 After being invited to a royal banquet, Kazuma meets the young Princess Iris—the little-sister type he's always dreamed of. Enthralled by his tales of derring-do as an adventurer, she whisks him away to a fairy-tale life in the castle. Kazuma hopes it'll last forever, but then he declares he'll capture an infamous thief...

your name. Another Side: Earthbound, Vol. 2 (manga) Makoto Shinkai, 2019-12-24 Mitsuha Miyamizu may be experiencing a mysterious bond with an unfamiliar Tokyo boy, but she's not the only member of her shrine-keeping family with transcendent connections. Her little sister, Yotsuha, finds herself getting a curiously closer look at the Miyamizu traditions. Their father, Toshiki, remembers his wife, Futaba, and all the love and pain. Discover more stories from the world of the award-winning film *your name.* and see the town and history of Itomori in a new light.

**Fire & Flight** Wendy Pini, Richard Pini, 1998 Graphic novel.

Marshall to the Rescue (PAW Patrol) Nickelodeon Publishing, 2016-01-06 An accident-prone baby bird is separated from his flock, and it's up to Marshall and the rest of Nickelodeon's PAW Patrol to get him home. Boys and girls ages 3 to 7 will love this storybook featuring full-color illustrations. This Nickelodeon Read-Along contains audio narration.

**Pups to the Rescue! (Paw Patrol)** Random House, 2014-07-22 PAW Patrol is Nickelodeon's animated action-adventure series starring a pack of six heroic puppies led by a tech-savvy boy named Ryder. Boys and girls ages 3 to 7 will love joining the rescue team in this full-color storybook. Get on the case with Nickelodeon's PAW Patrol! Chase, Marshall, Rubble, Skye, and the rest of the puppy heroes are on a mission to save their friends and protect the community of Adventure Bay using their paw-some vehicles, tools, and teamwork.

HANAMONOGATARI NISIOISIN, 2019-10-08 Our sorry hero, his reformed girlfriend, and the amnesiac class president have all graduated from their high school out in the boondocks, and self-described Sapphist and ex-basketball ace Kanbaru, retired by reason of an “injury,” is starting her senior year and the narrator of this volume—her voice far more introspective than the smutty jock's we thought we knew. Bereft of the company of her beloved mentors, the only other person around her with any working knowledge of aberrations the junior Ogi Oshino, apparently a relative of the Hawaiian-shirted folklorist, she feels a bit alone and blue, and sick with dread that the devil residing in her left arm courtesy of the Monkey's Paw might act up again while she sleeps. Investigating a rumor that she fears might lead back to her, the former star ends up peering into an abyss of negativity called Roka—a “wax flower” to take the characters' meaning. Trapped in a pit the like of which could only be escaped by the one girl who was able to pull off slam-dunks in her basketball nationals, can the penitent Kanbaru, however, still be aggressive?

**The Art of Fullmetal Alchemist** Hiromu Arakawa, 2005-11-08 Original art from series creator, Hiromu Arakawa; Somewhere between science, magic and art lies Fullmetal Alchemist! Translated faithfully from the Japanese edition, this coffee table book contains all the Fullmetal Alchemist color artwork by manga artist Hiromu Arakawa from 2001 to 2003. The Art of Fullmetal Alchemist contains over 90 pages of gorgeous painted illustrations, including all the title pages as printed in color in the Japanese magazine Shonen Gangan; Japanese tankobon (graphic novel) and promotional artwork, with source listings; portraits of the main characters; and character designs from the PS2 game Fullmetal Alchemist and the Broken Angel. Includes a special two-page message from Hiromu Arakawa.

NEKOMONOGATARI (WHITE) NISIOISIN, 2019-10-08 Launching into new territory that the author hadn't mapped out when he embarked on the series, NEKOMONOGATARI (White) tells the tale of heroine Tsubasa Hanekawa from her own perspective, in her own voice—if that can hold true for a damaged soul who, depending on who you're asking, suffers from a split personality or a supernatural aberration. The bone-chilling brokenness of her household, where father and mother and daughter keep three separate sets of cookware in the same kitchen and only ever prepare their own meals, and the profound darkness nurtured in the genius schoolgirl's heart, come to life, if that is the word, through her self-vivisection. As for our customary unreliable narrator, Araragi, we seem to learn revealing tidbits about him now that we have an outside view of him at last, while his lady friends Senjogahara, Hachikuji, et al, freed from his predilection for proudly inane banter, show subtly new faces to us via their female interlocutor. Welcome to the Second Season.

TSUKIMONOGATARI NISIOISIN, 2019-10-08 Launching the third or “Final Season” of the international cult-hit series, Possession Tale returns the narrator's headset back to high school senior and amateur savior Koyomi Araragi, who used to eschew friendship once upon a time because it'd lower his “intensity as a human”—a loner's misgiving that was perhaps on the mark in a different way than he intended. At issue now is not the precarious fate of one of his cherished confrères, or rather consœurs, whom he'd aid, sight unseen, with a monster's resilience, but his own aberrant state and its prolonged abuse. If everything comes with a bill, and if no man is an island, then is the price of self-sacrificing amity—and the bloodshed it ironically occasions—becoming inhuman for good? That being said! Our hero, whose first name means “calendar” but who has none in his

room, sees no need to rush, so, on our way to the profound mysteries of the superhuman aspect, expect a super-shallow deconstruction of the alarm clock. On hand this volume to (hardly ever) humor his humor: his little sisters, a living doll of a corpse, and its violent mistress.

86--EIGHTY-SIX, Vol. 4 (light novel) Asato Asato,2020-03-31 Old Friends, New Enemies Against all odds, Shin and the Eighty-Six have emerged victorious from their battle with the Morpho, liberating scores of surviving Republic citizens from the Legion's dark agenda. Lena, in turn, has fulfilled her promise and finally caught up to the Spearhead squadron. And while her presence has brought out a softer side in Shin, it seems to have roused the competitive spirits within Kurena and Frederica. But the fun comes to an end when the Eighty-Sixth Strike Package, with Lena at the helm, receives its first mission. Their destination: an abandoned subway tunnel in the Republic's northern secondary capital, Charité. Deep underground, the gaping maw of a subterranean Legion base awaits them...

**KABUKIMONOGATARI** NISIOISIN,2019-10-08 How far does one go to help a lost child? In the case of returning narrator Araragi, the answer is too far, across the veil of time. Dutifully (if unknowingly) following up on Hachikuji's cheeky foreshadowing, he concerns himself with his young lady friend and her fate in this installment of the cult-hit series, heroically unable, once again, to find his own way home. Thus the tale is also, or more so, about the journey itself, the dark honeymoon of a trip he takes into the past with the dweller in his shadow, Shinobu. Even among a cast that routinely disrespects chronology with their meta-commentary, she takes the cake, or the donut, by rewinding the clock for a perverse road movie, one that by and large goes nowhere, spatially. It's Kabuki not as in the theater, but with the character for "tilt"—as in a slanted attitude toward the world, the posture of a bohemian. Or, perhaps, of a legendary vampire who once sought death, and of a high school senior who once tuned out life doing their dandy best to attend to an embarrassing wealth of aberrations in a provincial town.

ONIMONOGATARI NISIOISIN,2019-10-08 It, like the dark that makes up most of the cosmos, is not an aberration. Nonbeing can swallow you whole, yet if anything, it's the anti-aberration. Darkness, in fact, is the Law, an executioner from whom a mark can try to run and hide, but only for so long. When it comes calling, the fortunate just might have the time to say goodbye. And the Darkness is—here now. Before ever visiting Japan to find a place to die, four centuries, indeed, before her failed suicide attempt, the legendary vampire Kissshot literally stepped foot on the land of the rising sun with an epic jump that ended a lonely sojourn in Antarctica. It was back in those days that the proud noble created her first thrall. It was then, too, that she first met the Darkness. Having messed with a more recent past with her help, and returning to the present to reunite with two more characters that look like little girls but are actually his elders, Thrall No. 2 Araragi reclaims the mic only to cede it in large part to the bloodsucking demon who goes by “Shinobu” these days. Her story, though, may not even be the most poignant one told herein.

**Erased, Vol. 1** Kei Sanbe,2017-02-21 Twenty-nine-year-old Satoru Fujinuma is floundering through life. Amid his daily drudgery, he finds himself in the grip of an incredible, inexplicable, and uncontrollable phenomenon that rewinds time, a condition that seems to only make his drab life worse. But then, one day, everything changes. A terrible incident forever changes Satoru's life as he knows it...and with it, comes a Revival that sends Satoru eighteen years into the past! In the body of his boyhood self, Satoru encounters sights he never imagined he would see again--the smile of his mother, alive and well, his old friends, and Kayo Hinazuki, the girl who was kidnapped and murdered when he was a boy the first time around. To return to the present and prevent the tragedy that brought him back to his childhood in the first place, Satoru begins plotting a way to change Hinazuki's fate...But up against the clock and a faceless evil, does eleven-year-old Satoru even stand a chance?

**Erased, Vol. 3** Kei Sanbe,2017-06-20 After his mother's death triggers his Revival ability, Satoru finds himself 18 years in the past! While he's relieved to see his mother and his old friends again, his thoughts are focused on future kidnapping and murder victim Hinazuki Kayo. Putting his plan to save her in motion, he starts a conversation with her. However, he finds himself at a loss for words when Kayo asks him a shocking question... Would you kill for me?

*Erased, Vol. 9* Kei Sanbe,2018-09-18 While Satoru was betting time asleep in his coma, what became of the lives his childhood friends lived without him? This special extra volume of Erased checks in on the lives of Satoru's friends and the bonds they wove thanks to the chances at life his revival gave them.

**The Endangered World** Scott Edward Morris,1993 Eighteen map spreads highlight the damage pollution has done to our world.

Erased, Vol. 4 Kei Sanbe,2017-06-20 Right after being arrested, something triggered Revival, sending Satoru back once more to 1988. Recalling how poorly his previous chance turned out, he vows to save Hinazuki this time. With the help of his old friends Kenya and Hiromi, Satoru makes changes little by little in the past. But someone is suspicious of Satoru's seemingly strange behavior...
