Achtung-Panzer! Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Widowish Melissa Gould, 2021-02 Melissa Gould's hopeful memoir of grieving outside the box and the surprising nature of love. When Melissa Gould's husband, Joel, was unexpectedly hospitalized, she

could not imagine how her life was about to change. Overwhelmed with uncertainty as Joel's condition tragically worsened, she offered him the only thing she could: her love and devotion. Her dedication didn't end with his death. Left to resume life without her beloved husband and raise their young daughter on her own, Melissa soon realized that her and Joel's love lived on. Melissa found she didn't fit the typical mold of widowhood or meet the expectations of mourning. She didn't look like a widow or act like a widow, but she felt like one. Melissa was widowish. Melissa's personal journey through grief and beyond includes unlikely inspiration from an evangelical preacher, the calming presence of some Real Housewives, and the unexpected attention of a charming musician. A modern take on loss, Widowish illuminates the twists of fate that break our world, the determination that keeps us moving forward, and the surprises in life we never see coming.

Five Days Wes Moore, Erica L. Green, 2020 A kaleidoscopic account of five days in the life of a city on the edge, told through seven characters on the frontlines of the uprising that overtook Baltimore and riveted the world, from the New York Times bestselling author of *The Other Wes Moore*. When Freddie Gray was arrested for possessing an illegal knife in April 2015, he was, by eyewitness accounts that video evidence later confirmed, treated roughly as police loaded him into a vehicle. By the end of his trip in the police van, Gray was in a coma he would never recover from. In the wake of a long history of police abuse in Baltimore, this killing felt like a final straw--it led to a week of protests and then five days described alternately as a riot or an uprising that set the entire city on edge, and caught the nation's attention. Wes Moore is one of Baltimore's most famous sons--a Rhodes Scholar, bestselling author, decorated combat veteran, White House fellow, and current President of the Robin

Hood Foundation. While attending Gray's funeral, he saw every strata of the city come together: grieving mothers; members of the city's wealthy elite; activists; and the long-suffering citizens of Baltimore--all looking to comfort each other, but also looking for answers. Knowing that when they left the church, these factions would spread out to their own corners, but that the answers they were all looking for could only be found in the city as a whole, Moore--along with Pulitzer-winning coauthor Erica Green--tells the story of the Baltimore uprising. Through both his own observations, and through the eyes of other Baltimoreans: Partee, a conflicted black captain of the Baltimore Police Department; Jenny, a young white public defender who's drawn into the violent center of the uprising herself; Tawanda, a young black woman who'd spent a lonely year protesting the killing of her own brother by police; and John DeAngelo, scion of the city's most powerful family and owner of the Baltimore Orioles, who has to make choices of conscience he'd never before confronted. Each shifting point of view contributes to an engrossing, cacophonous account of one of the most consequential moments in our recent history--but also an essential *cri de coeur* about the deeper causes of the violence and the

small seeds of hope planted in its aftermath.

The Return of the Mother Andrew Harvey, 2013-08-20 Adapted from a series of lectures on the historical basis and current resurgence of the sacred feminine, given by Andrew Harvey at the California Institute of Integral Studies in Spring 1994, The Return of the Mother is a profound journey into the heart of the Divine Mother. In this comprehensive and groundbreaking work, mystical scholar Andrew Harvey unearths traces of the sacred feminine in major world religions—Hinduism, Islam (Sufism), Buddhism, Taoism, and Christianity—and in aboriginal and indigenous wisdom traditions. Harvey presents a scathing critique of the patriarchal distortions in religious history and doctrine that have obscured full knowledge of the Divine Mother, and shows how to reintegrate this vital aspect into the spiritual consciousness of humankind. The Return of the Mother offers a radical new perspective,

balancing the historical overemphasis on transcendence by honoring the immanence of the divine in passionate engagement in the world. Only by cultivating a direct, respectful relationship with the transformative power of the sacred feminine can we alter our disastrous attitude of dissociation from nature, the body, sexuality, and the details of human life, and generate the energy and compassion needed to reverse the course of destruction we have set the planet—and all of life—hurtling toward. In lively question-and-answer sections, Harvey further illuminates these vital issues and takes a strong stand against our dependence on “gurus” and “masters,” proposing instead an egalitarian model of spiritual community based on intimate groups of mutually supportive guides and friends. *The Return of the Mother* is an eloquent and passionate call for all of us to rediscover and reclaim an authentic and empowering relationship to the divine, and recreate a sacred life-in-the-world.

My Darkest Years James Bachner, 2010-06-25 Born in Berlin in 1922, James Bachner was a German Jew during the darkest days of the Third Reich. Once a happy child in a well-to-do German

family, as the years passed Bachner faced first ridicule and persecution, then imprisonment and deprivation. Attributing his survival to a combination of strength and being in the right place at the right time, Bachner's memoir is a poignant and often horrific account of Jewish struggles during the days of World War II. Beginning with his idyllic childhood, Bachner expresses the range of emotions he experienced as the Nazis transformed his homeland into a nation where he and his fellow Jews were no longer welcome. He describes the volatile political atmosphere and the fears inspired in all Germans by tales of the concentration camps. In addition, he tells of the belief many Jews held that the West would step in and put an end to Hitler's reign. The work then details the realities of life in a concentration camp. The end of the war, Bachner's reunion with his remaining family members and his eventual relocation to America are also discussed.

The Roommate Rosie Danan, 2020-09-15 Warmly funny and gorgeously sexy.—New York Times Book Review A LibraryReads Pick House Rules: Do your own dishes Knock before entering the bathroom Never look up your roommate online The Wheatons are infamous among the east coast elite for their lack of impulse control, except for their daughter Clara. She's the consummate socialite: over-achieving, well-mannered, predictable. But every Wheaton has their weakness. When Clara's

childhood crush invites her to move cross-country, the offer is too tempting to resist. Unfortunately, it's also too good to be true. After a bait-and-switch, Clara finds herself sharing a lease with a charming stranger. Josh might be a bit too perceptive—not to mention handsome—for comfort, but there's a good chance he and Clara could have survived sharing a summer sublet if she hadn't looked him up on the Internet... Once she learns how Josh has made a name for himself, Clara realizes living with him might make her the Wheaton's most scandalous story yet. His professional prowess inspires her to take tackling the stigma against female desire into her own hands. They may not agree on much, but Josh and Clara both believe women deserve better sex. What they decide to do about it will change both of their lives, and if they're lucky, they'll help everyone else get lucky too.

Woman of the Ashes Mia Couto, 2018-04-10 The first in a trilogy about the last emperor of southern Mozambique by one of Africa's most important writers Southern Mozambique, 1894. Sergeant Germano de Melo is posted to the village of Nkokolani to oversee the Portuguese conquest of territory claimed by Ngungunyane, the last of the leaders of the state of Gaza, the second-largest

empire led by an African. Ngungunyane has raised an army to resist colonial rule and with his warriors is slowly approaching the border village. Desperate for help, Germano enlists Imani, a fifteen-year-old girl, to act as his interpreter. She belongs to the VaChopi tribe, one of the few who dared side with the Portuguese. But while one of her brothers fights for the Crown of Portugal, the other has chosen the African emperor. Standing astride two kingdoms, Imani is drawn to Germano, just as he is drawn to her. But she knows that in a country haunted by violence, the only way out for a woman is to go unnoticed, as if made of shadows or ashes. Alternating between the voices of Imani and Germano, Mia Couto's *Woman of the Ashes* combines vivid folkloric prose with extensive historical research to give a spellbinding and unsettling account of war-torn Mozambique at the end of the nineteenth century.

The Fallen Carlos Manuel Álvarez, 2020-06-02 A vibrant and meticulously constructed debut novel about familial and cultural breakdown A powerful, unsettling portrait of family life in Cuba, Carlos Manuel Álvarez's first novel is a masterful portrayal of a society in free fall. Diego, the son, is

disillusioned and bitter about the limited freedoms his country offers him as he endures compulsory military service. Mariana, the mother, is unwell, prone to mysterious seizures, and forced to relinquish control over the household to her daughter, Maria, who has left school and is working as a chambermaid in a state-owned tourist hotel. The father, Armando, is a committed revolutionary, a die-hard Fidelista who is sickened by the corruption he perceives all around him. As each member of the family narrates seemingly quotidian and overlapping events, they grow increasingly at odds for reasons that remain elusive to them—each of them holding and concealing their own secrets. In meticulously charting the disintegration of a single family, *The Fallen* offers a poignant reflection on contemporary Cuba and the clash of the ardent idealism of the old guard with the jaded pragmatism of the young. This is a startling and incisive debut by a radiant new voice in Latin American literature.

All Things Fun and Fascinating Lori Verstegen, 2009 *All Things Fun & Fascinating* is the perfect tool to help teachers and parents of 3rd-5th graders teach writing with a clear, simple, step-by-step method using subjects that will fascinate young students. The lessons are meant to be a resource for

teachers already familiar with Teaching Writing: Structure and Style.

What Happens at Night Peter Cameron, 2020-08-04 A couple find themselves at a fading, grand European hotel full of eccentric and sometimes unsettling patrons in this faultlessly elegant and quietly menacing allegorical story that examines the significance of shifting desires and the uncertainty of reality (Garth Greenwell, author of *Cleanness*). An unnamed American couple travels to a strange, snowy European city to adopt a baby. It's a difficult journey that leaves the wife, who is struggling with cancer, desperately weak, and her husband worries that her illness will prevent the orphanage from releasing their child. On arrival, the couple checks into the cavernous and eerily deserted Borgarfjaroasysla Grand Imperial Hotel where the bar is always open and the lobby populated with an enigmatic cast of characters ranging from an ancient, flamboyant chanteuse to a debauched businessman to an enigmatic faith healer. Nothing is as it seems in this baffling, frozen world, and the more the couple struggles to claim their baby, the less they seem to know about their marriage, themselves, and life itself. For readers of Ian McEwan, Elizabeth Strout, and Iris Murdoch, *What*

Happens at Night is a masterpiece (Edmund White) poised on the cusp of reality, told by an elegantly acute and mysteriously beguiling writer (Richard Eder, The Boston Globe).

Rides of the Midway: A Novel Lee Durkee, 2002-04-17 Mississippi teenager Noel Weatherspoon--a clairvoyant, asthma sufferer, insomniac, dopehead, would-be erotic photographer or baseball star, vandal, and somnambulant mercy killer--finds his life spinning out of control as he struggles to cope with his romantic failures, dark secrets, religious zealots, and more. Black Sunday Tola Rotimi Abraham, 2020-02-04 This fiercely original debut novel follows four Nigerian siblings over the course of two decades as they search for agency, love, and meaning in a society rife with hypocrisy. “. . . lush, sharp, and shot through with hope! —Well-Read Black Girl I like the idea of a god who knows what it’s like to be a twin. To have no memory of ever being alone. Twin sisters Bibike and Ariyike are enjoying a relatively comfortable life in Lagos in 1996. Then their mother loses her job due to political strife, and the family, facing poverty, becomes drawn into the New Church, an institution led by a charismatic pastor who is not shy about worshipping earthly wealth.

Soon Bibike and Ariyike's father wagers the family home on a "sure bet" that evaporates like smoke. As their parents' marriage collapses in the aftermath of this gamble, the twin sisters and their two younger siblings, Andrew and Peter, are thrust into the reluctant care of their traditional Yoruba grandmother. Inseparable while they had their parents to care for them, the twins' paths diverge once the household shatters. Each girl is left to locate, guard, and hone her own fragile source of power. Written with astonishing intimacy and wry attention to the fickleness of fate, Tola Rotimi Abraham's *Black Sunday* takes us into the chaotic heart of family life, tracing a line from the euphoria of kinship to the devastation of estrangement. In the process, it joyfully tells a tale of grace and connection in the midst of daily oppression and the constant incursions of an unremitting patriarchy. This is a novel about two young women slowly finding, over twenty years, in a place rife with hypocrisy but also endless life and love, their own distinct methods of resistance and paths to independence.
