Preserver William Shatner,2012-10-09 In the Mirror Universe the tyrannical Emperor Tiberius, once captain of the ISS Enterprise, had great success turning captured alien weaponry to his advantage. Until, that is, his failure to seize the tantalising advances of the ancient First Federation. Now, in the more peaceful universe of the United Federation of Planets, Tiberius sees his second chance. And a new ally will help him take it - his alter ego for whom he has nothing but contempt - Starfleet Captain James T. Kirk. Honorable, idealistic and decent, James T. Kirk is many things Tiberius is not. But he is also a man deeply in love with his wife - and Teilani is dying. To save her life, Kirk is prepared to compromise his ideals and enter into his most dangerous alliance yet. Battling Captain Jean-Luc Picard and a new generation of Starfleet heroes, Kirk must guide Tiberius to a long-abandoned First Federation base which conceals a power so great it will enable Tiberius to conquer the mirror universe - and his own. But on that journey Kirk uncovers long-hidden secrets that raise the stakes far beyond the mere survival of family and friends. At the heart of their quest, something else is waiting: an object from a civilisation whose technology is far more advanced than any Kirk or Tiberius could hope to acquire, placed there for Kirk's eyes only by mysterious aliens who appear to have influenced life within the galaxy over eons of time - a message from the Preservers...

If Anything Happens I Love You Will McCormack,Michael Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, If Anything Happens I Love You is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. If Anything Happens I Love You may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Expressive Anatomy for Comics and Narrative: Principles and Practices from the Legendary Cartoonist Will Eisner,2008-08-17 The final volume of Will Eisner’s celebrated instructional trilogy explores the

critical principle of body grammar in comics storytelling. Designed and outlined by Will Eisner before his death in 2005, this posthumous masterwork, the third and final book in the Will Eisner Instructional Series, finally reveals the secrets of Eisner's own techniques and theories of movement, body mechanics, facial expressions, and posture: the key components of graphic storytelling. From his earliest comics, including the celebrated Spirit, to his pioneering graphic novels, Eisner understood that the proper use of anatomy is crucial to effective storytelling. His control over the mechanical and intuitive skills necessary for its application set him apart among comics artists, and his principles of body grammar have proven invaluable to legions of students in overcoming what is perhaps the most challenging aspect of creating comics. Buttressed by dozens of illustrations, which display Eisner's mastery of expression, both subtle and overt, *Expressive Anatomy for Comics and Narrative* will benefit comics fans, students, and teachers and is destined to become the essential primer on the craft.

The End of Fun Jake Chapman, Dinos Chapman, Will Self, 2013 Introduced with an exclusive essay by Will Self placing the eponymous sculpture The End of Fun in both the context of the Chapman's oeuvre and historical interpretations of Hell, this book is a detailed examination of the work. Completed in 2012, it is the latest incarnation of the brothers' famous Hell (1999), which was consumed in the MOMART fire of

2004. Following on in both layout and format from the book *Fucking Hell* (2008), *The End of Fun* consists of close-up photographs detailing the atrocities committed by the subjects of the work: thousands of miniature Nazis and skeletons, who seem to be engaged in an eternal battle across nine separate vitrines, arranged in the shape of a reverse swastika. Each dreadful scene is played out against a series of equally apocalyptic backdrops: a derelict factory; a concentration camp; a shattered church; an erupting volcano. Dark humour permeates: in one vitrine a still-smiling Ronald McDonald is being crucified; in another a dreadlocked Stephen Hawking grows marijuana; in yet another, seven separate Adolf Hitlers make distinctly 'degenerate' paintings of a nude, oblivious to the carnage raging around them.
