Island of Empty Eyes Neil Spicer, 2012-08-14

Having won the Free Captain's Regatta, the adventurers must now claim their prize -- the uninhabited and dangerous Island of Empty Eyes. After exploring strange ruins and fighting the island's monstrous denizens, the adventurers must host a feast for their new peers on the Pirate Council. But a mysterious saboteur threatens to disrupt the party. Can the adventurers tame their island wilderness and protect their influential guests? Or will they lose the respect of the pirate lords and fade into obscurity? Continuing the Skull & Shackles Adventure Path, Island of Empty Eyes is a Pathfinder Roleplaying Game adventure for 9th-level characters. This volume reveals the mysteries behind some of Golarion's most infamous pirate legends, as well as new details on the enigmatic cyclopes. New monsters from the depths of the sea and exotic islands fill the Pathfinder Bestiary, while Robin D. Laws (author of the Pathfinder Tales novel The Worldwound Gambit) continues his tale of pirates and lost treasures in the Pathfinder's Journal.

The Wormwood Mutiny Richard Pett, 2012-05-15 The adventurers wake up in the hold of a ship at sea, only to discover they've been press-ganged into a crew of scoundrels, thieves, and buccaneers from the pirate isles of the Shackles. When they're assigned to a captured ship as part of a skeleton crew, the adventurers finally have a chance to stage a mutiny, but a sudden storm strands them on an isolated island inhabited by strange monsters? Can the adventurers survive the dangers of the island to overthrow their cruel captors and take control of their own destinies? Will they become feared pirates with their own ship, or will they meet their ends in a watery grave? A Pathfinder Roleplaying Game adventure for 1st-level characters, this volume launches the Skull & Shackles Adventure Path. This volume of Pathfinder Adventure Path also features details on the faith

of Besmara, goddess of piracy, as well as details on the life of pirates adding new rules and insights useable throughout this high-seas campaign. Tempest Rising Matthew Goodall, 2012-04-25 The adventurers have come a long way since the violent and desperate launch of their pirate career. Now, their ship's hold full of loot and plunder, they make their triumphant return to Port Peril to present themselves to the Hurricane King to officially gain recognition as Free Captains of the Shackles. But with this recognition comes new opportunities, as other pirates take action to aid or hinder the heroes, during which hints of a hidden plot begin to surface.
