Mark Steyvers

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

I'm a Monster Truck Dennis R. Shealy,2016 Mudenstein, a monster truck, loves life in the arena where his tall tires grab the dirt, he crushes cars, and he takes on a fire-breathing crane.

The Savage Boy Nick Cole,2013-02-26 The author of the acclaimed post-apocalyptic novel *The Old Man and the Wasteland* returns! Amid the remains of a world destroyed by a devastating Global Thermonuclear Armageddon, barbaric tribes rule the New American Dark Age. A boy and his horse must complete the final mission of the last United States soldier, and what unfolds is an epic journey across an America gone savage.

The Brazil Reader James N. Green,Victoria Langland,Lilia Moritz Schwarcz,2018-12-07 From the first encounters between the Portuguese and indigenous peoples in 1500 to the current political turmoil, the history of Brazil is much more complex and dynamic than the usual representations of it as the home of Carnival, soccer, the Amazon, and samba would suggest. This extensively revised and expanded second edition of the best-selling Brazil Reader dives deep into the past and present of a country marked by its geographical vastness and cultural, ethnic, and environmental diversity. Containing over one hundred selections—many of which appear in English for the first time and which range from sermons by Jesuit missionaries and poetry to political speeches and biographical portraits of famous public figures, intellectuals, and artists—this collection presents the lived experience of Brazilians from all social and economic classes, racial backgrounds, genders, and political perspectives over the past half millennium. Whether outlining the legacy of slavery, the roles of women in Brazilian public life, or the importance of political and social movements, *The Brazil Reader* provides an unparalleled look at Brazil's history, culture, and politics.

A Journey with Luke Marek Zabriskie,2015-10-06 Join the journey with Luke with fifty days of scripture readings, meditations, and prayers written by dynamic spiritual leaders from around the world.

Tom Kundig: Houses Dung Ngo,Tom Kundig,2006-11-09 Architect Tom Kundig is known worldwide for the originality of his work. This paperback edition of *Tom Kundig: Houses*, first published in 2006, collects five of his most prominent early residential projects, which remain touchstones for him today. In a new preface written for this edition, Kundig reflects on the influence that these designs continue to have on his current thinking. Each house, presented from conceptual sketches through meticulously realized details, is the product of a sustained and active collaborative process among designer, builder, and client. The work of the Seattle-based architect has been called both raw and refined--disparate characteristics that produce extraordinarily inventive designs inspired by both the industrial structures ubiquitous to his upbringing in the Pacific Northwest and the vibrant craft cultures that are fostered there. --

Gullah Images ,2020-05-22 Paintings, magisterial and universal, that capture the essence of a vibrant African American community In his art Jonathan Green paints the world of his childhood and an ode to a people imbued with a profound respect for the dignity and value of others—the Gullah people of the South Carolina barrier islands. His canvases, beloved for their sense of jubilation and rediscovery, evoke the meaning of community in Gullah society and display a reverence for the rich visual, oral, and spiritual traditions of its culture. His art also reveals a keen awareness of the interpersonal, social, and natural environments in which we live. The 180 images assembled in this collection showcase the meaning, purpose, and beauty that Green finds in the small but critical tasks of life. His work elevates the everyday—preparing morning meals, doing the wash, accomplishing farming chores, finishing a day's work, relaxing in the evening—and celebrates the social and religious—community dances, baptisms, weddings, funerals. Green allows his audience the space and silence to observe people unobtrusively as they pursue life's mission of labor, love, and belonging and as they work in harmony with nature's mysterious, ever changing fabric. While Green's paintings speak specifically to his own upbringing, they transcend racial, cultural, and ethnic boundaries, thus allowing individuals of all backgrounds to recall fond memories and to reflect on the place that purpose and dignity hold in their lives. In addition to a foreword by Pat Conroy, essays by Bettie J. (Mbitha) Parker Smith, Lynn Robertson, and Ronne Hartfield complement Green's images. They tell of the vitality of the Gullah community, the progression of Green's career, and the authenticity of his work.

Animal 2 K'Wan,K'wan Foye,2014-08-26 When Animal returns to Harlem, he is captured by Shai Clark and sentenced to death by the crime boss, only to discover that the executioner is actually his missing father, and the two band together to defeat a common enemy.

Son of Truth Brave Books,Graham Allen,2021-11-29 BRAVE BOOKS is a publisher dedicated to Bringing Real American Values that Endure, equipping parents to have intentional and enjoyable conversations with their kids about topics that matter.--Cover.

Veggie Values Zondervan,2010-08 This collection of VeggieTales board books conveys the importance of sharing, listening, helping others, and having good manners.

Target FASA Corporation,FASA Corporation Staff,1997-01-01 The Flash Points sourcebook provides descriptions of exotic global hot spots of warfare and intrigue that enable Shadowrun gamemasters to take their campaigns beyond the usual metroplex streets. Each locale description contains extensive background, profiles of important characters, and suggested player missions far beyond the usual Shadowruns -- which provide gamemasters and players with unprecedented control over the events of their Shadowrun universe and the destinies of their characters.

Shadowings Lafcadio Hearn,1900

Noisy Trucks Tiger Tales,2013-09 Touch, feel, and hear the trucks on every page of this sturdy board book. Engaging photographs and appealing textures encourage young readers to explore the exciting world of trucks.

The English Teacher's Handbook T. C. Baruah,1991-06-01

The Wal-Mart Effect Charles Fishman,2006 An award-winning journalist breaks through the wall of secrecy to reveal how the world's most powerful company really works and how it is transforming the American economy.

Dear Killer Katherine Ewell,2014-04-01 Full of can't look away moments, *Dear Killer* is a psychological thriller perfect for fans of gritty realistic fiction such as Dan Wells's *I Am Not a Serial Killer* and Jay Asher's *Thirteen Reasons Why*, as well as television's *Dexter*. Rule One—Nothing is right, nothing is wrong. Kit looks like your average seventeen-year-old high school student, but she has a secret—she's London's notorious Perfect Killer. She chooses who to murder based on letters left in a secret mailbox, and she's good—no, perfect—at what she does. Her moral nihilism—the fact that she doesn't believe in right and wrong—makes being a serial killer a whole lot easier . . . until she breaks her own rules by befriending someone she's supposed to murder, as well as the detective in charge of the Perfect Killer case. As New York Times bestselling author of the *Gone* series Michael Grant says, *Dear Killer* is shocking, mesmerizing, and very smart.

The Return of the Mother Andrew Harvey,2013-08-20 Adapted from a series of lectures on the historical basis and current resurgence of the sacred feminine, given by Andrew Harvey at the California Institute of Integral Studies in Spring 1994, *The Return of*

the Mother is a profound journey into the heart of the Divine Mother. In this comprehensive and groundbreaking work, mystical scholar Andrew Harvey unearths traces of the sacred feminine in major world religions—Hinduism, Islam (Sufism), Buddhism, Taoism, and Christianity—and in aboriginal and indigenous wisdom traditions. Harvey presents a scathing critique of the patriarchal distortions in religious history and doctrine that have obscured full knowledge of the Divine Mother, and shows how to reintegrate this vital aspect into the spiritual consciousness of humankind. The Return of the Mother offers a radical new perspective, balancing the historical overemphasis on transcendence by honoring the immanence of the divine in passionate engagement in the world. Only by cultivating a direct, respectful relationship with the transformative power of the sacred feminine can we alter our disastrous attitude of dissociation from nature, the body, sexuality, and the details of human life, and generate the energy and compassion needed to reverse the course of destruction we have set the planet—and all of life—hurtling toward. In lively question-and-answer sections, Harvey further illuminates these vital issues and takes a strong stand against our dependence on “gurus” and “masters,” proposing instead an egalitarian model of spiritual community based on intimate groups of mutually supportive guides and friends. The Return of the Mother is an eloquent and passionate call for all of us to rediscover and reclaim an authentic and empowering relationship to the divine, and recreate a sacred life-in-the-world.

[The Holt Reader - 2nd Course](#) ,2006-03-31

On Toleration Susan Mendus,David S. Edwards,1987 Contributors: A.J. Ayer, Maurice Cranston, Lord Fitt, F.A. Hayek, Karl Popper, Lord Scarman, and Mary Warnock.Is toleration a requirement of morality or a dictate of prudence? What limits are there to toleration? What is required of us if we are to promote a truly tolerant society? These themes - the grounds, limits, and requirements of toleration - are central to this book, which presents the W. B.Morrell Memorial Lectures on Toleration, given between 1981 and 1987 at the University of York.The lectures cover a wide range of practical and theoretical issues. They consider the philosophical difficulties inherent in the concept as well as the practical problems of implementing a policy of toleration. Although the contributors differ in their conclusions about the grounds oftoleration, they all share a belief in the importance of the concept both historically and in modern British society.

Kittens Mini ,2003-05 Small, cute, and full of life, kittens are a joy to watch. At a young age kittens display a remarkable amount of curiosity and intelligence. This BrownTrout 2004 calendar has captured kittens at their best.
