Citizen 13660 ,1983 Mine Okubo was one of 110,000 people of Japanese descent--nearly two-thirds of them American citizens -- who were rounded up into protective custody shortly after Pearl Harbor. Citizen 13660, her memoir of life in relocation centers in California and Utah, was first published in 1946, then reissued by University of Washington Press in 1983 with a new Preface by the author. With 197 pen-and-ink illustrations, and poignantly written text, the book has been a perennial bestseller, and is used in college and university courses across the country. [Mine Okubo] took her months of life in the concentration camp and made it the material for this amusing, heart-breaking book. . . . The moral is never expressed, but the wry pictures and the scanty words make the reader laugh -- and if he is an American too -- blush. -- Pearl Buck Read more about Mine Okubo in the 2008 UW Press book, Mine Okubo: Following Her Own Road, edited by Greg Robinson and Elena Tajima Creef. <http://www.washington.edu/uwpress/search/books/ROBMIN.html>

Behind Barbed Wire Paul Kitagaki (Jr.), 2019 More than 110,000 ethnic Japanese Americans were forcibly removed from their homes at the start of World War II and transported to desolate detention centers after President Franklin D. Roosevelt signed Executive Order 9066 in early 1942. Paul Kitagaki's parents and grandparents were part of that group, but they never talked about their experience. To better understand, Kitagaki tracked down the subjects of more than sixty photographs taken by Dorothea Lange, Ansel Adams and other photographers. This book is a result of that work, which took Kitagaki on a ten-year pilgrimage around the country photographing survivors of camps--

Chicken Scratch Ann Byle, 2023-05-23 Creativity comes into play in just about any field. Looking at situations from different perspectives, finding new uses for old things, combining disparate ideas or ingredients or even colors--all are creative endeavors. And when writer Ann Byle became a chicken owner, she began to look at her hens with new interest and the keen eye of an artist. Even though chicken-tending proved to have its own challenges, Byle discovered that her feathered friends offered surprising lessons and inspiration for her own work, lessons on living creatively. With Chicken Scratch, Ann Byle brings us good fun and meaning-making at the intersection of creative living and our egg-laying friends. She mixes quotes, stories from all kinds of creatives, and practical advice to help all of us invested in living more creatively. Drawing inspiration from her flock of hens, Byle explores curiosity and courage, embracing your creative self and letting go of what holds you back, and living well in the creative life. Each chapter includes questions for journaling, next-steps-in-creativity exercises, and a sidebar from The Left-Brain Chicken, putting solid process-related steps to each chapter. The creative life can be profound, but also funny, exasperating, and downright weird--much like living with a flock of hens. If we take the time to notice, we have much to learn from our beloved chickens, things like the value of curiosity, how we might welcome challenges in our lives, and even when to let go of perfectionism. It's time to name our creative impulses, to claim them, and to squawk them from the rooftops!
