The Magician King Lev Grossman,2012-05-29 Lev Grossman's new novel THE BRIGHT SWORD will be on sale July 2024 Return to Fillory in the riveting sequel to the New York Times bestseller and literary phenomenon, The Magicians, now an original series on SYFY, from the author of the #1 bestselling The Magician's Land. Quentin Coldwater should be happy. He escaped a miserable Brooklyn childhood, matriculated at a secret college for magic, and graduated to discover that Fillory—a fictional utopia—was actually real. But even as a Fillorian king, Quentin finds little peace. His old restlessness returns, and he longs for the thrills a heroic quest can bring. Accompanied by his oldest friend, Julia, Quentin sets off—only to somehow wind up back in the real world and not in Fillory, as they'd hoped. As the pair struggle to find their way back to their lost kingdom, Quentin is forced to rely on Julia's illicitly learned sorcery as they face a sinister threat in a world very far from the beloved fantasy novels of their youth.

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Watson-Gandy on Accountants Mark Watson-Gandy,2008 Accountants play an increasingly important and diverse role in society today. Traditionally, in the UK, accountants are the first port of call for businessmen seeking any form of professional advice or assistance. They undertake a wide range of functions which stretch far beyond their traditional roles of preparing accounts, financial reporting, auditing, and tax planning. Today, accountants also offer management consultancy, give corporate finance advice, provide company secretarial services, undertake financial management, give personal finance advice, advise on computer software, and act as trustees in bankruptcy, liquidators, administrative receivers, and administrators. This major work provides UK legal practitioners and accountants with clear and practical guidance from non-contentious but vital governance issues, to the complex issues pertaining to professional negligence. The book's 6 checklists and 32 precedents guide the reader through the key topics: partnership creation, cl

Ars Magica Jonathan Tweet,Mark Rein-Hagen,2004-11 Ars Magica (The Art of Magic) is the award-winning roleplaying game that focuses on wizards who are as powerful as the ones we know from legend and literature, and the land of Mythic Europe, where those legends are real. The rules encourage players to develop their characters over long periods of time, and make the covenant, the home base of the characters, as central to the stories as any individual character. Troupe-style roleplaying allows players to take on the roles of different characters in different stories, so that the players have equal access to power even though the characters do not. This new edition is rewritten to improve the rules for existing players, and to be more attractive and accessible to new audiences.
