The Legend of Zelda: Majora's Mask Gabe Durham, 2020-10-26 You've met with a terrible fate, haven't you? Those grim words hang over the entirety of Majora Mask, the sixth entry in the Legend of Zelda series. In his darkest adventure, Link must relive the same three days over and over again to prevent the moon from colliding into the kingdom of Termina and ending the world. Made with a small team in a single year for the Nintendo 64 from the assets of its predecessor, Majora's Mask could have been a shameless cash-in--but instead has gained wide recognition as the most mysterious, mature, and touching game in the series. It's also the Zelda game that has inspired more inventive fan theories and bone-chilling internet horror stories than might be expected from a high-fantasy adventure. Through rigorous research and a new in-depth interview with Majora's North American localizer, Jason Leung, writer and editor Gabe Durham investigates the relationship between Majora's fast-paced, adaptive development and the meaning projected onto its story by players--and shines a light on the strange and tumultuous romance between art and fandom.

The Legend of Zelda: The Wind Waker HD - Strategy Guide

GamerGuides.com, 2015-11-07 Set hundreds of years after the events of Ocarina of Time, The Wind Waker finds the hero Link in a sea scattered with 49 islands, which necessitates frequent sailing and naval combat. Link lives with his grandmother and younger sister Aryll on Outset Island, one of the few inhabited islands in the Great Sea. The people of the Great Sea pass down a legend of a prosperous kingdom with a hidden golden power. An evil man found and stole this power, using it to spread darkness until a young boy dressed in green sealed the evil with the Blade of Evil's Bane. The boy became known as the Hero of Time and passed into legend. One day the sealed evil began to return, but the Hero of Time did not reappear. The inhabitants of the Great Sea are unsure of the kingdom's fate, but it is clear that this legend is the story of Ocarina of Time where the Hero of Time, Link, fought Ganondorf. Can you emerge as the new Hero of Time? Join us for this adventure with Link as we: - Detail the full breakdown on the differences between the GameCube and Wii U versions. - Show you the locations of where to find some of the coolest weapons in the game. - Provide detailed directions of where to go, and when, as well as full area breakdowns. - Break down each dungeon broken down into manageable chunks. - Beat those bosses with our frustration-free tactics. - The locations of every Treasure Chart and Shard (for both GameCube and Wii U editions). - Show you loads more besides.
