Heal Your Knees Robert L. Klapper,Lynda Huey,2004-07-25 Put an end to knee pain! An esteemed surgeon and a water therapy expert team up to tell you the essentials about your knees, how to get them back into shape, and how to prevent further pain and injury. Through careful explanation, they examine each part of the healing process—from basic function to long-term exercises—guiding you to a pain-free life. With detailed information on a variety of healing options, you will learn how to make the right decisions for your knees, understand when and why surgery is appropriate, and how simple exercise in your living room and in the pool can speed the post-surgical healing process.

What Do Economists Contribute? Daniel B. Klein,2016-07-27 The title of this book raises a provocative question that should make all economists think. What is our raison d'etre ? Only a few economists have specifically addressed the issue. Several of the more challenging efforts are included here. Do economists have much influence on government policy, particularly over, say, five or ten years? Is that because they don't try hard enough or is it because politicians care more about the next election than about the opinion of economists? In this splendid collection, some published as long ago as the 1930s, nine great economists consider these questions. The editor's illuminating introduction sorts out the area of agreement and disagreement between them.
