If Anything Happens I Love You Will McCormack, Michael Govier, 2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from "above" as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose's soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

The Long Black Hand Joel E. Fishman, 2014-03-21 You've never seen cops like these. You've never experienced New York like this. The only series based on the real world of the NYPD Bomb Squad. Series Technical Consultant Lt. Mark Torre, Commander of the NYPD Bomb Squad Bomb Squad Commander Lieutenant Joseph Capobianco fields an unusual request from a friend of the mayor's: Do a bomb sweep at the famed Julius School of Music and at the luxurious apartment of their visiting star tenor, Claudio Spotto. At first the team that Joe sends finds nothing in the way of bombs, but other signs of trouble mount rapidly. Someone doesn't want Spotto to remain in New York - and that someone is threatening violence via bomb. The commander soon realizes that this case has echoes of the Bomb Squad's origins in extortion from the Black Hand, evoking threats made nearly a hundred years before against the great tenor Enrico Caruso. What does this new Black Hand know about these parallels? Is this a personal challenge to Joe's early tenure as Bomb Squad commander? And, as the Black Hand grows bolder, can Joe's team stop the extortionist before someone dies in the escalating violence?

Achtung-Panzer! Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting

armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.
