

Zeta Gundam Papercraft Bust

Miyuki Kawamura

The Moleskine Project Ken Harman,Rod Luff,2016-04-01 Over fifty contemporary artists and illustrators contribute an original two page spread from their personal sketchbooks in this new art compendium by Spoke Art Gallery and Rod Luff.

Mobile Suit Gundam: THE ORIGIN 8 Yoshiyuki Tomino,2014-12-16 The biggest name in Japanese science fiction—Gundam—returns with one of its creators retelling its origins 25 years after the series debuted. Caught in the crossfire of a space civil war, teenager Amuro Ray accidentally finds a new mobile weapon—the RX-78 Gundam. In the eighth volume of Gundam: THE ORIGIN, readers are sent back to the war at hand. The White Base continues to be chased across the Earth by Zeon forces. The story shifts away from the jungles and deserts of the Americas, moving into much more urban settings in Europe.

KG: A to Z Kevin Garnett,2021-02-23 NATIONAL BESTSELLER A unique, unfiltered memoir from the NBA champion and fifteen-time all-star ahead of his induction into the Hall of Fame. Kevin Garnett was one of the most dominant players the game of basketball has ever seen. He was also one of its most outspoken. Over the course of his illustrious twenty-one-year NBA career, he elevated trash talk to an art form and never shied away from sharing his thoughts on controversial subjects. In KG A to Z, published ahead of Garnett's induction into the Basketball Hall of Fame, he looks back on his life and career with the same raw candor. Garnett describes the adversity he faced growing up in South Carolina before ultimately relocating to Chicago, where he became one of the top prospects in the nation. He details his headline-making decision to skip college and become the first player in two decades to enter the draft directly from high school, starting a trend that would be followed by future superstars like Kobe Bryant and LeBron James. He shares stories of playing with and against Bryant, James, Michael Jordan, and other NBA greats, and he chronicles his professional ups and downs, including winning a championship with the Boston Celtics. He also speaks his mind on a range of topics beyond basketball, such as fame, family, racism, spirituality, and music. Garnett's draft decision wasn't the only way he'd forever change the game. His ability to play on the perimeter as a big man foreshadowed the winning strategy now universally adopted by the league. He applies this same innovative spirit here, organizing the contents alphabetically as an encyclopedia. If you thought Kevin Garnett was exciting, inspiring, and unfiltered on the court, just wait until you read what he has to say in these pages.

Anime Interviews Trish Ledoux,1997-09-22 In this book, the first collection of its kind, you will hear insights directly from the mouths and minds of the anime and manga creators themselves, in interviews with are often the only ones on record in English. some of these creators are larger-than-life legends in their native Japan, some are up-and-coming young talents, but all have a lot to say on the subject of their work.

Drawing Futures Bob Sheil,Frédéric Migayrou,Luke Pearson,Laura Allen,2016-11-11 Drawing Futures brings together international designers and artists for speculations in contemporary drawing for art and architecture.Despite numerous developments in technological manufacture and computational design that provide new grounds for designers, the act of drawing still plays a central role as a vehicle for speculation. There is a rich and long history of drawing tied to innovations in technology as well as to revolutions in our philosophical understanding of the world. In reflection of a society now underpinned by computational networks and interfaces allowing hitherto unprecedented views of the world, the changing status of the drawing and its representation as a political act demands a platform for reflection and innovation. Drawing Futures will present a compendium of projects, writings and interviews that critically reassess the act of drawing and where its future may lie.Drawing Futures focuses on the discussion of how the field of drawing may expand synchronously alongside technological and computational developments. The book coincides with an international conference of the same name, taking place at The Bartlett School of Architecture, UCL, in November 2016. Bringing together practitioners from many creative fields, the book discusses how drawing is changing in relation to new technologies for the production and dissemination of ideas.

Severance Ling Ma,2018-08-14 Maybe it's the end of the world, but not for Candace Chen, a millennial, first-generation American and office drone meandering her way into adulthood in Ling Ma's offbeat, wryly funny, apocalyptic satire, *Severance*. A stunning, audacious book with a fresh take on both office politics and what the apocalypse might bring. —Michael Schaub, NPR.org “A satirical spin on the end times-- kind of like *The Office* meets *The Leftovers*.” --Estelle Tang, Elle NAMED A BEST BOOK OF THE YEAR BY: NPR * The New Yorker (Books We Loved) * Elle * Marie Claire * Amazon Editors * The Paris Review (Staff Favorites) * Refinery29 * Bustle * BuzzFeed * BookPage * Bookish * Mental Floss * Chicago Review of Books * HuffPost * Electric Literature * A.V. Club * Jezebel * Vulture * Literary Hub * Flavorwire Winner of the NYPL Young Lions Fiction Award * Winner of the Kirkus Prize for Fiction * Winner of the VCU Cabell First Novelist Award * Finalist for the PEN/Hemingway Award for Debut Novel * A New York Times Notable Book of 2018 * An Indie Next Selection Candace Chen, a millennial drone self-sequestered in a Manhattan office tower, is devoted to routine. With the recent passing of her Chinese immigrant parents, she's had her fill of uncertainty. She's content just to carry on: She goes to work, troubleshoots the teen-targeted Gemstone Bible, watches movies in a Greenpoint basement with her boyfriend. So Candace barely notices when a plague of biblical proportions sweeps New York. Then Shen Fever spreads. Families flee. Companies cease operations. The subways screech to a halt. Her bosses enlist her as part of a dwindling skeleton crew with a big end-date payoff. Soon entirely alone, still unfevered, she photographs the eerie, abandoned city as the anonymous blogger NY Ghost. Candace won't be able to make it on her own forever, though. Enter a group of survivors, led by the power-hungry IT tech Bob. They're traveling to a place called the Facility, where, Bob promises, they will have everything they need to start society anew. But Candace is carrying a secret she knows Bob will exploit. Should she escape from her rescuers? A send-up and takedown of the rituals, routines, and missed opportunities of contemporary life, Ling Ma's *Severance* is a moving family story, a quirky coming-of-adulthood tale, and a hilarious, deadpan satire. Most important, it's a heartfelt tribute to the connections that drive us to do more than survive.

Book Lovers Emily Henry,2022-05-03 “One of my favorite authors.”—Colleen Hoover An insightful, delightful, instant #1 New York Times bestseller from the author of *Beach Read* and *People We Meet on Vacation*. Named a Most Anticipated Book of 2022 by Oprah Daily • Today • Parade • Marie Claire • Bustle • PopSugar • Katie Couric Media • Book Bub • SheReads • Medium • The Washington Post • and more! One summer. Two rivals. A plot twist they didn't see coming... Nora Stephens' life is books—she's read them all—and she is not that type of heroine. Not the plucky one, not the laidback dream girl, and especially not the sweetheart. In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved little

sister Libby. Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters' trip away—with visions of a small town transformation for Nora, who she's convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed bartender, Nora keeps bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a meet-cute if not for the fact that they've met many times and it's never been cute. If Nora knows she's not an ideal heroine, Charlie knows he's nobody's hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they've written about themselves.

The Chinatown Death Cloud Peril Paul Malmont, 2007-06-05 Set in the colorful world of the 1930s and peopled with writers H.P. Lovecraft, L. Ron Hubbard, Lester Dent, and Walter Gibson, this swashbuckling literary thriller propels the characters into a genuine pulp adventure in which they try to thwart a madman intent on creating a new global empire.

The Impact of Akira Rémi Lopez, 2020-09-02 Discover Katsuhiro Otomo's visionary work and post-Akira Japanese comic culture. The catalyst of an era, of a world that was unaware of its downfall, Katsuhiro Otomo's visionary work marked a turning point in the industry. First, in his homeland, Japan, in terms of graphics and plot on an entire generation of post-Akira artists who adopted his attention to detail, his realism and his dizzying views. But above all with his international reach, which threw Japanese comic strips and animations into the limelight in numerous countries, by trampling the rest of the world's notion that cartoons are exclusively for children. This book dives headfirst into the radioactive culture that is the creative power of Katsuhiro Otomo, from the mangaka's—already explosive—beginnings, up to winning recognition for Akira. Discover the themes and influences of this fundamentally anti-establishment work by exploring its socio-economic or simply literary aspects. The author of the work analyzes the phenomenon, from its tiny seed to the mighty tree, and reveals why Akira is, above all, a purely Japanese series. This book will provide you with an analysis of the socio-historical context of Akira. It aims to help Western readers to better understand the essence of this graphic and narrative treasure. ABOUT THE AUTHOR Rémi Lopez graduated with a degree in Japanese from Bordeaux III University. In 2004, he cut his teeth as an author when he wrote website columns on video game soundtracks. Two years later, he joined the Gameplay RPG magazine in which he carried out the same task. He then followed the then editor-in-chief, Christophe Brondy, and his entire team to a new project: the monthly Role Playing Game magazine. Rémi wrote The Legend of Final Fantasy VIII and the book on the Original Soundtrack for Pix'n Love publications in 2013.

How to Make Money Like a Porn Star Neil Strauss, Bernard Chang, 2006-09-26 Claudia Corvette. From her tousled bedroom hair to her name—all the porn stars in this world take their names from supermodels and sports cars—she is adult entertainment's prototypical femme fatale. Her life is the collision of countless troubled-childhood clichés and grown-up wet dreams, projected onto her as surely as her videos project their blue light onto lonely men around the world. From its first panel, *How to Make Money Like a Porn Star* draws the reader into the dark world of girls like Claudia, the men who fantasize about them, and the monsters who control them. In the hands of Rolling Stone writer Neil Strauss and illustrator Bernard Chang, this adult graphic novel weaves together black humor and blacker reality. Like all great American stories, it features humble beginnings, life-changing tragedy, stripping, abuse, implants, fame, addiction, bigger implants, abduction, gunplay, downfall, and even bigger implants. Not to mention a thousand shades of latex and L'Oreal. Part parody, part morality tale, here is the truth about the porn life, its outsized visual splendor captured in a comic parade of doe-eyed centerfolds, its essence distilled in a story that will haunt every reader who has ever wondered where his next fantasy is coming from.

Boom Town Sam Anderson, 2018-08-21 A brilliant, kaleidoscopic narrative of Oklahoma City—a great American story of civics, basketball, and destiny, from award-winning journalist Sam Anderson NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • NPR • Chicago Tribune • San Francisco Chronicle • The Economist • Deadspin Oklahoma City was born from chaos. It was founded in a bizarre but momentous “Land Run” in 1889, when thousands of people lined up along the borders of Oklahoma Territory and rushed in at noon to stake their claims. Since then, it has been a city torn between the wild energy that drives its outsized ambitions, and the forces of order that seek sustainable progress. Nowhere was this dynamic better realized than in the drama of the Oklahoma City Thunder basketball team's 2012-13 season, when the Thunder's brilliant general manager, Sam Presti, ignited a firestorm by trading future superstar James Harden just days before the first game. Presti's all-in gamble on “the Process”—the patient, methodical management style that dictated the trade as the team's best hope for long-term greatness—kicked off a pivotal year in the city's history, one that would include pitched battles over urban planning, a series of cataclysmic tornadoes, and the frenzied hope that an NBA championship might finally deliver the glory of which the city had always dreamed. *Boom Town* announces the arrival of an exciting literary voice. Sam Anderson, former book critic for New York magazine and now a staff writer at the New York Times magazine, unfolds an idiosyncratic mix of American history, sports reporting, urban studies, gonzo memoir, and much more to tell the strange but compelling story of an American city whose unique mix of geography and history make it a fascinating microcosm of the democratic experiment. Filled with characters ranging from NBA superstars Kevin Durant and Russell Westbrook; to Flaming Lips oddball frontman Wayne Coyne; to legendary Great Plains meteorologist Gary England; to Stanley Draper, Oklahoma City's would-be Robert Moses; to civil rights activist Clara Luper; to the citizens and public servants who survived the notorious 1995 bombing of the Alfred P. Murrah federal building, *Boom Town* offers a remarkable look at the urban tapestry woven from control and chaos, sports and civics.

Ella Minnow Pea Mark Dunn, 2010-05-22 An epistolary novel set on a fictional island off the South Carolina coastline, 'Ella Minnow Pea' brings readers to the hometown of Nevin Nollop, inventor of the pangram 'The Quick Brown Fox Jumps Over the Lazy Dog'. Deified for his achievement in life, Nevin has been honored in death with a monument featuring his famous phrase. One day, however, the letter 'Z' falls from the monument, and some of the islanders interpret the missing tile as a message from beyond the grave. The letter 'Z' is banned from use. On an island where the residents pride them-selves on their love of language, this is seen as a tragedy. They are still reeling from the shock when another tile falls. And then another... In his charming debut, first published in 2001, Mark Dunn took readers on a journey through the eyes of Ella Minnow Pea, a young woman forced to create another clever turn of phrase in order to save the islanders' beloved language.

Kingdom of the Wicked Kerri Maniscalco, 2020-10-27 A James Patterson Presents Novel From the #1 New York Times and USA Today bestselling author of the Stalking Jack the Ripper series comes a new blockbuster series... Two sisters. One brutal murder. A quest for vengeance that will unleash Hell itself... And an intoxicating romance. Emilia and her twin sister Vittoria are streghe -- witches who live secretly among humans, avoiding notice and

persecution. One night, Vittoria misses dinner service at the family's renowned Sicilian restaurant. Emilia soon finds the body of her beloved twin...desecrated beyond belief. Devastated, Emilia sets out to find her sister's killer and to seek vengeance at any cost-even if it means using dark magic that's been long forbidden. Then Emilia meets Wrath, one of the Wicked-princes of Hell she has been warned against in tales since she was a child. Wrath claims to be on Emilia's side, tasked by his master with solving the series of women's murders on the island. But when it comes to the Wicked, nothing is as it seems...

Harassment Architecture Mike Ma,2019-04-27 At a glance, Mike comes off like a 1980s teen movie bully on downers. - Playboy Magazine...Mike Ma bragged about crashing a White House press conference. - The Huffington PostNow, you can read his long-awaited first book. Harassment Architecture has been described as an almost plotless and violent march against what the author calls the lowerworld. It's the story of a man, sick on his surrounds, bound by them, but still seeking the way out.

Spawn #327 Rory McConville,2022-03-09 The war for control of the Dead Zone enters a new phase as a surprising faction emerges, one that threatens to destabilize Spawn's plans to rid the world of the forces of Heaven and Hell.

American Kingpin Nick Bilton,2017-05-02 NEW YORK TIMES BESTSELLER. The unbelievable true story of the man who built a billion-dollar online drug empire from his bedroom—and almost got away with it In 2011, a twenty-six-year-old libertarian programmer named Ross Ulbricht launched the ultimate free market: the Silk Road, a clandestine Web site hosted on the Dark Web where anyone could trade anything—drugs, hacking software, forged passports, counterfeit cash, poisons—free of the government’s watchful eye. It wasn’t long before the media got wind of the new Web site where anyone—not just teenagers and weed dealers but terrorists and black hat hackers—could buy and sell contraband detection-free. Spurred by a public outcry, the federal government launched an epic two-year manhunt for the site’s elusive proprietor, with no leads, no witnesses, and no clear jurisdiction. All the investigators knew was that whoever was running the site called himself the Dread Pirate Roberts. The Silk Road quickly ballooned into \$1.2 billion enterprise, and Ross embraced his new role as kingpin. He enlisted a loyal crew of allies in high and low places, all as addicted to the danger and thrill of running an illegal marketplace as their customers were to the heroin they sold. Through his network he got wind of the target on his back and took drastic steps to protect himself—including ordering a hit on a former employee. As Ross made plans to disappear forever, the Feds raced against the clock to catch a man they weren’t sure even existed, searching for a needle in the haystack of the global Internet. Drawing on exclusive access to key players and two billion digital words and images Ross left behind, Vanity Fair correspondent and New York Times bestselling author Nick Bilton offers a tale filled with twists and turns, lucky breaks and unbelievable close calls. It’s a story of the boy next door’s ambition gone criminal, spurred on by the clash between the new world of libertarian-leaning, anonymous, decentralized Web advocates and the old world of government control, order, and the rule of law. Filled with unforgettable characters and capped by an astonishing climax, American Kingpin might be dismissed as too outrageous for fiction. But it’s all too real.

When the Wolves Bite Scott Wapner,2018-04-24 The inside story of the clash of two of Wall Street's biggest, richest, toughest, most aggressive players--Carl Icahn and Bill Ackman--and Herbalife, the company caught in the middle With their billions of dollars and their business savvy, activist investors Carl Icahn and Bill Ackman have the ability to move markets with the flick of a wrist. But what happens when they run into the one thing in business they can't control: each other? This fast-paced book tells the story of the clash of these two titans over Herbalife, a nutritional supplement company whose business model Ackman questioned. Icahn decided to vouch for them, and the dispute became a years-long feud, complete with secret backroom deals, public accusations, billions of dollars in stock trades, and one dramatic insult war on live television. Wapner, who hosted that memorable TV show, has gained unprecedented access to all the players and unravels this remarkable war of egos, showing the extreme measures the participants were willing to take. When the Wolves Bite is both a rollicking, entertaining read--a great business story of money and power and pride.
