Barry Trotter and the Shameless Parody Michael Gerber, 2004 The Hogwash School for Wizards is the most famous school in the wizarding world and Barry Trotter is its most famous pupil. It's been that way ever since J.G. Rollins' Barry Trotter and the Philosopher's Scone broke publishing records worldwide. But now disaster looms. The movie Barry Trotter and the Inevitable Attempt to Cash-In has gone into final production and the marketing machine at Wagner Bros. is going into overdrive. Hogwash is going to be submerged under a tide of souvenir-crazed Muggle fans, torn apart and sold on eBay, stone by mossy stone. The movie must be stopped. Barry, Ermine Cringer and Lon Measly must find a way to defeat the most powerful force of grasping sleazoids the world has ever known: Hollywood.

Twelve Years a Slave Solomon Northup, 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at

the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

The Gutenberg Galaxy Marshall McLuhan, 1962-01-01
Since its first appearance in 1962, the impact of The Gutenberg Galaxy has been felt around the world. It helped establish Marshall McLuhan as the original 'media guru.' More than 200,000 copies are in print. The reissue of this landmark book reflects the continuing importance of McLuhan's work for contemporary readers.

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Barry Trotter and the Unnecessary Sequel Michael Gerber,2004 Barry Trotter saved the Hogwash school

for Wizards from the unwelcome attentions of Hollywood in BARRY TROTTER AND THE SHAMELESS PARODY. But things move on. Barry and Ermine Cringer have got married and have had two relatively delightful children. Their eldest is a skilled magician. But the youngest doesn't seem to possess any ability at all. Have Barry and Ermine given birth to a Muddle? Maybe magic isn't everything after all . . .
