**The Art of Rush: Serving a Life Sentence** Hugh Syme 2021-09-21 Newly expanded and updated, this beautiful coffee table book delves into the 40-year relationship between Rush and their longtime artist and illustrator, with a foreword by drummer and lyricist Neil Peart! Containing original illustrations, paintings, photography, and the incredible stories behind each album that Hugh Syme has designed with the band since 1975. The book's narration was written by music journalist Stephen Humphries and includes in-depth interviews with each Rush band member and the artist. The Art of Rush also contains entertaining anecdotes and commentary from a wide array of notable musicians, actors, athletes, writers, radio personalities, and Rush insiders about their favorite Rush album covers, which clearly reveals how vital and impactful the visual representation of their music has been through the years. One of the hallmark's of Rush releases is the considerable care and consideration that goes into each one--including the conceptual artwork. Readers may be surprised to discover just how much effort went into each concept and the execution for every album cover! Some of the regaled stories include furtively crossing the border for a guerilla-style shoot for A Farewell to Kings, trying to herd a warren of rabbits for the cover of Presto, descending into the depths of an autopsy lab to find a brain for Hemispheres, and a stunt involving fire, whiskey, and photographer Deborah Samuel for Moving Pictures. But no history of the band's art would be complete without the story of the creation of arguably the band's most iconic image, The Starman from 2112. "From the first time Hugh and I met, we shared a level of communication that would sustain us through all the years of discussing art by long distance," says Rush's Neil Peart. The Art Of Rush is a must for fans of Rush, art, and music everywhere.

**Extreme Origami** Won Park 2012-10-15 Won Park has taken the ancient art of origami to a whole new level. Using American currency, Park transforms dollar bills into creative works of art. He relies on the fibrous quality of the paper to fold, bend and twist hundreds of times per model without tearing. With no cutting and no pasting, Park is able to incorporate the details on the bills into his model designs. His signature koi fish is folded in such a way that the patterns on the dollar bill become the scales on the fish, and even the facial features fall in exactly the right place. His designs include a wide array of vehicles, animals, and mythical creatures. In this book, step-by-step instructions are provided for 20 distinct models that are bound to challenge even the most proficient folders. The challenge includes a Formula 1 race car, a toilet, a butterfly, a koi fish, a scorpion, a sea turtle, a fox, an ox, a marlin, a car, a praying mantis, a dragon, a spider, a stag beetle, a stegosaurus, a bat, Pegasus, a fighter jet, a battle tank, and a pig. All models can be made with either one or two dollar bills. Why worry about the declining value of the U.S. dollar? Follow the instructions in this book, and you can transform your dollars into works of art!

**How to Make Super Pop-Ups** Joan Irvine 2013-04-09 Super pop-ups extend the element of surprise with three-dimensional designs that slide, turn, spring, and snap. More than 30 patterns and 475 illustrations include cards, stage props, and school projects.
