If the Raindrops United Judah Friedlander, 2015-10-20 A book of hilarious and ingenious comic drawings from the popular 30 Rock star and World Champion comedian Judah Friedlander, hailed by Tina Fey as one of the all-time great weirdos. Most Americans know Judah Friedlander from his role as Frank Rossitano on 30 Rock and from appearances in films like American Splendor and The Wrestler. But long before he became a film and TV star and stand-up comic Friedlander drew stuff. Now, in this quirky, hilarious, and surprisingly profound collection of drawings, Friedlander shows a new side to his terrifically entertaining (New York Times) comedy. Whether imagining George Washington in Las Vegas, plastic surgery for imperfect triangles, and the Keystone Pipeline as a sex act, Friedlander's doodles push boundaries as they explore the absurdities of American life, sex, and even history and human rights. If the Raindrops United is a milestone in the career of one of America's most inventive comedians. Praise for If the Raindrops United: Judah has drawn a weird and funny book in the grand '70s tradition of B. Kliban! I think this book will probably fix the world. --Tina Fey Some people meditate. Some people masturbate. But if you don't have the time or patience for either of those, I recommend reading If the Raindrops United to calm down, have a little laugh, or a big think. --Susan Sarandon I've known Judah for many years and I still don't understand how his mind works, but it sure works. Seriously strange. Seriously funny. A National Treasure. Sadly, I need to get a restraining order against him. --Paul Giamatti Judah thank you for writing a funny twisted book. It is such an easy read. Even dum dums like me can enjoy it!!! Buy this book. --Dave Attell Judah's drawings are deceptively simple, yet they become more compelling with every page. His talent as an actor/writer/comedian is further conveyed in ANOTHER medium. He's a Quadruple Threat. He wears many hats. Literally. --Janeane Garofalo Reading Judah Friedlander's new book is a lot like hanging out with Judah himself: occasionally baffling, frequently thought-provoking, but, most of all, consistently hilarious! --Mick Foley To compare Judah Friedlander to a great cartoonist like Jim Davis would be a compliment to Jim Davis. --Wyatt Cenac Another hit from The World Champ tackling the signs and symbols you frequently question while dropping hot lava in your American Standard VorMax. --Eddie Huang

Free Roll Brandt Tobler, 2017-05-22 Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide Today is the day I am going to kill my dad. Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned mall-fia don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

The Call of the Weird Louis Theroux, 2008-09-04 After a decade of making documentaries about offbeat characters on the fringes of US society, Louis had the urge to return to America and track down the people who most fascinated him. It would be a reunion tour, but this time without the cameras and the sense of performance being filmed inevitably brings. It would allow him to get closer to people, to discover what really motivated them and what had happened to the assorted dreamers, outlaws and eccentrics since he last saw them. On a journey that took him from the porn sets of Los Angeles to the gangsta rappers of Memphis, from a convention of UFO contactees in Arizona to Northern Idaho for a festive get-together of neo-Nazis, he asked what 'weird people' have to tell us about our own secret natures. Had he learned anything about himself by being among them? Do we choose our beliefs or do our beliefs choose us? Louis Theroux's first book is a hilarious, thought-provoking and at times surreal voyage into the heart of weirdness.

The White House Mess Christopher Buckley,2011-11-02 With a pajama-clad President Reagan refusing to leave the White House on his successor's Inauguration Day, Buckley has given this farce of Oval Office politics a nearly perfect beginning. Parodying the familiar form of the White House memoir, Buckley recounts the turbulent years of the Democratic Tucker administration, as told by loyalist Herbert Wadlough. Through this former accountant's eyes, we see the infighting that plagues the White House, the President's faltering marriage to a former starlet, and his ongoing crises.

The Day of the Donald Andrew Shaffer,2016-06-28 Summer 2018: Two years into President Donald J. Trump's first term in office, America has never been greater. The Even Greater Wall along the Mexican border is under construction, paid for by Mexico. Americans have more money in their pockets thanks to lower taxes and the president's creative money-raising strategies. (Who else would have thought to pay for FEMA's budget by suing the Catholic Church over property damage caused by acts of God?) And while Trump's detractors may call him a tyrant, the American people love bullies when the victim is Congress: every time they impeach the president, his approval rating skyrockets. Ever conscious of his hugely important historical legacy, The Donald plucks disgraced tabloid reporter Jimmie Bernwood--the man responsible for publishing the infamous Ted Cruz sex tape--from the depths of anonymity to become his official biographer, giving him enviable access to the gold-plated White House and all of its secrets. When Trump's previous biographer turns up dead, Bernwood must do some real investigative reporting, get to the bottom of a long series of murders...and, if it's absolutely unavoidable, save the country. The Day of the Donald is a hilariously hair-raising look at the (possible) future of America.

Little Murders Jules Feiffer,1968 Jules Feiffer Full Length, Black Comedy Characters: 6 male, 2 female Interior Set Depressed New Yorker Alfred Chamberlain is engaged to perky, can-do Patsy Newquist. As their wedding day grows near, Alfred finds himself embroiled in an urban nightmare not the least of which is his fiance's family, the possibility of marriage without Faith, muggings and a sniper's bullet. Jules Feiffer, a satirical sharpshooter with a deadly aim, stares balefully at the meaning

The Troublesome Offspring of Cardinal Guzman Louis de Bernieres,2012-06-13 With the same ebullient storytelling, luxuriant prose, and irrepressible eroticism he brought to The War of Don Emmanuel s Nether Parts and Señor Vivo and the Coca Lord, Louis de Bernières continues his chronicle of Cochadebajo, the Andean village where macho philosophers, defrocked priests, and reformed (though hardly inactive) prostitutes cohabit in cheerful anarchy. But this unruly utopia is imperiled when the demon-harried Cardinal Guzman decides to inaugurate a new Inquisition, with

Cochadebajo as its ultimate target. On his side, the Cardinal has an army of fanatics who are all too willing to destroy bodies in order to save souls. The Cochadebajeros have precious little ammunition, unless you count chef Dolores's incendiary Chicken of a True Man, and a civil defense that deems nothing more crucial than the act of love. Part epic, part farce, The Troublesome Offspring of Cardinal Guzman confirms de Bernières's reputation as England's answer to Gabriel García Márquez.
