Contributing authors provide examples of how they have used a range of crafts including pottery, glass work, textiles (sewing, knitting, crochet, embroidery, and quilting), paper (artist books, altered books, book binding, origami, and zines), leatherwork, and Indian crafts like mendhi and kolam/rangoli in their own art and self-care, and in individual, group, and community art therapy practice. The book explores the therapeutic benefits of a range of craft materials and media, as well as craft's potential to build community, to support individuals in caring for themselves and each other, and to play a valuable role in art therapy practice.
