Reasoning from the Scriptures with Masons Ron Rhodes,2001-02-15 Did you know that: The name of Jesus is removed from Masonic rituals to avoid offending anyone? Ron provides accurate information on the structure and beliefs of Masonry, then carefully contrasts its practices with Scripture. Why Catholics Cannot Be Masons John Salza,2008-09-15 Many good Catholic men have been deceived into becoming Masons. In this powerful little book, a Catholic attorney and former 32nd degree Mason, John Salza, clearly shows why joining Masonry (including the Shriners) means embracing a false religion. Explains Masonic doctrines, history, rituals, oaths and curses, showing that Masonry is totally incompatible with Christianity and the Catholic Faith. Who is the god of Freemasonry? How does Freemasonry view the Holy Bible? What are the self-curses of Freemasonry? Why does Freemasonry appear to be compatible with the Christian Faith? What have the Popes said about Freemasonry? Are Catholic Masons excommunicated? How does a Catholic exit Freemasonry? Packed with facts and very well documented, *Why Catholics Cannot Be Masons* is a brief but potent revelation by a man who has been there - and then returned to the One True Faith.

What You Need to Know About-- Masons Ed Decker,1992 This provocative book takes a behind-the-scenes look at Masonic beliefs and rituals. The hidden dangers of Freemasonry are clearly communicated in this guide to understanding one of the most popular and least recognized cults in America.

Illustrations of Masonry William Morgan,2013-11 This book has a controversial backstory which is part of the mythology of anti-Freemasonry. 'Captain' William Morgan, the author, was a disappointed Freemason in Batavia, New York. Rejected by the local lodge, he announced that he was going to publish a work exposing Masonic rituals and secrets. Shortly before publication in 1826, he disappeared, and three Masons were later convicted of kidnapping him. Although claims were made that Morgan had been murdered, some say that he was forced to leave the US. Either way, it was good publicity for this book, which was published in 1827, but bad for the Masons. The incident led to widespread protests against Freemasons in the US, and eventually an anti-Masonic Party, which at its height in 1832 got seven electoral votes for William Wirt for President. So why read this book? Stripped of the fevered historical background, and ignoring the publisher's antimasonic introduction, this becomes simply one of the first published accounts of US Freemasonry in the early 19th century. It seems accurate, based on other published Monitors, such as Duncan's. At this perspective, Illustrations is no more offensive than Robert's Rules of Order, although it makes more interesting reading. This republished version of the book includes all of the illustrations from the original, which have been digitally rescanned for optimal presentation.
