It Usually Begins with Ayn Rand Jerome Tuccille,2007-11 This edition of It Usually Begins With Ayn Rand contains much of the text that appeared in the original edition-revised and edited to conform to modern style-plus new chapters dealing with events that took place after the book was first published. Some of the new material deals with my campaign for Governor of New York as the Free Libertarian Party candidate, a discussion of events that transpired on the American political scene after that benighted campaign, plus thoughts on my current political and spiritual leanings. The perennial success of It Usually Begins With Ayn Rand has startled no one more than me. Sales started slowly, then began to pick up over the years, until the book became an underground classic that has gained readership over the decades. It should be read as political memoir, a first-hand account of a political movement, mostly fact, but with fictional elements and hyperbole added for effect. A reviewer once said that most memoirs are neither fact nor fiction; they are the truth as the author remembers it. So it is with It Usually Begins With Ayn Rand.

Goetia Pathworking Corwin Hargrove,2019-05-15 Magick is easier and safer than many people believe, and pathworking is a method that takes you to the essence of power. There are many ways of working with demons. The spirits of Goetia can bring knowledge, manipulate reality, produce changes within yourself, or attract conditions and events that you desire. This is widely known. Demons are famed for their speed, dignity, and willingness to cooperate with you. What is less well known is that incredibly simple pathworking rituals enable you to make easy contact with these demons safely and reliably. Advantages of The Pathworking Method - No difficult words of power to learn or speak. - Nothing to burn, collect, or make. - No sacrifice, reward, or offering is required. - No sigils need to be drawn, and you only need to look at the sigils in this book. - No angels or divine names are used, which makes the magick feel more reliable for some people. - The method automatically creates the correct state of mind and summons elemental energy. - Pathworking can be performed in complete privacy. - The method is extremely safe and easy to learn. You ask for something, and you get it,

without any backlash or payment. You will never have to learn difficult visualisation methods or train in demanding mental techniques. Based on a system of Elemental Imagery, this is a unique way to perform magick. You ask for something, and you get it, without any repercussion or payment. People say you never get something for nothing. Here, you get something because you've performed magick and filled it with your desire. That is enough to get the results you seek, from love and lust, to cursing, influence, illusion, and wealth.

The Great Pyramid Reveals Its Secret Roselis von Sass, 2009-05-14 I look up at the Sphinx and ponder over the enigma it bears. Suddenly, I fear all the mystery that floods in and overwhelms me. I stand up and walk to the horse that awaits me. The cold wind blows from the desert, and the silence of the night sets in. I hear the hoarse barking of a desert jackal and see bats flying by like shadows. Clouds of perfume engulf me as I approach the bridge over the Nile. The marvelous Giza gardens of acacias and orange trees are in full bloom. I watch the canoes in the Nile rocking back and forth at the edge of the river, and I remember my ride here. I was so sure of myself. I wanted to dig, explore, and find remains of dead kings... And now? I listen to the murmur of the sacred Nile and feel the painful vibrations of my soul... Why did my heart quiver when I contemplated the Sphinx...? Where did the halo of eternity that surrounds these magnificent works come from? Who knows the answer?

Van Gogh Starry Night Vincent van Gogh, Federico Castelli Gattinara, 2004 This title is one in a series presenting four masterpieces by four immortal nineteenth-century French painters. Each miniature book faithfully reproduces its title painting on the front cover, and is packaged in a handsome slipcase that doubles as a picture frame. The frame can stand up on a desk or tabletop or be hung on the wall to display the book cover's striking painting. Each book's interior discusses its title painting, describing the artist's approach to his work, analyzing the picture's fine points, and showing close-up details from the painting. A final two-page spread presents a timeline capsule biography that lists significant events in the painter's life. Van Gogh--Starry Night shows and discusses Vincent Van Gogh's masterpiece, which is a mystically glowing nighttime landscape, and ranks today as one of the artist's most popular and beloved paintings.

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.
