The World of Cyberpunk 2077 Marcin Batylda 2020-08-04 An insightful, captivatingly designed, full-color book that transports readers to the futuristic megalopolis of Night City--the epicenter of the vibrant new action-RPG from CD Projekt Red. Step into the year 2077, a world dotted with dystopian metropolises where violence, oppression, and cyberware implants aren't just common--they're necessary tools to get ahead. Delve into incisive lore to discover how the economic decline of the United States created a crippling dependence on devious corporations and birthed the Free State of California. Explore the various districts, gangs, and history of Night City. Learn all there is to know about the technology of tomorrow and research the cybernetics,

weapons, and vehicles of Cyberpunk 2077. Dark Horse Books and CD Projekt Red present The World of Cyberpunk 2077--an extensive examination of the rich lore of Cyberpunk 2077. This intricately assembled tome contains everything you need to know about the history, characters, and world of the long-awaited follow-up from the creators of The Witcher video game series. **Tinkerlab** Rachele Doorley 2014-06-10 55 playful experiments that encourage tinkering, curiosity, and creative thinking—hands-on activities that explore art, science, and more. For children of all ages, from toddlers to teenagers! The creator of the highly popular creativity site for kids, Tinkerlab.com, now delivers dozens of engaging, kid-tested, and easy-to-implement projects that will help parents and teachers bring out the natural tinkerer in every kid—even babies, toddlers, and preschoolers. The creative experiments shared in this book foster curiosity, promote creative and critical thinking, and encourage tinkering—mindsets that are important to children growing up in a world that values independent thinking. In addition to offering a host of activities that parents and teachers can put to use right away, this book also includes a buffet of recipes (magic potions, different kinds of play dough, silly putty, and homemade butter) and a detailed list of materials to include in the art pantry.

After the Tampa Abbas Nazari 2021-08-17
The heart-rending story of a child 'Tampa'

refugee who grew up to become a Fulbright scholar, highlighting the plight and potential of refugees everywhere. When the Taliban were at the height of their power in 2001, Abbas Nazari's parents were faced with a choice: stay and face persecution in their homeland, or seek security for their young children elsewhere. The family's desperate search for safety took them on a harrowing journey from the mountains of Afghanistan to a small fishing boat in the Indian Ocean, crammed with more than 400 other asylum seekers. When their boat started to sink, they were mercifully saved by a cargo ship, the Tampa. However, one of the largest maritime rescues in modern history quickly turned into an international stand-off, as Australia closed its doors to these asylum seekers. The Tampa had waded into the middle of Australia's national election, sparking their hardline policy of offshore detention. While many of those rescued by the Tampa were the first inmates sent to the island of Nauru, Abbas and his family were some of the lucky few to be resettled in New Zealand. Twenty years after the Tampa affair, Abbas tells his amazing story, from living under Taliban rule, to spending a terrifying month at sea, to building a new life at the bottom of the world. A powerful and inspiring story for our times, After the Tampa celebrates the importance of never letting go of what drives the human spirit: hope.

Kirigami Laura Badalucco 2001 "In the Japanese art of kirigami it takes just a cut and a fold to form three-dimensional trees, animals, and buildings, as well as an array of decorative cards, household items, and drawings. With the techniques, projects, and templates provided here, shape such magical designs as a Christmas landscape, a delightful circus set, a "Window on Paris," birthday cards, a pencil holder, and much more!"--Publisher description.

Paper Dandy's Horrorgami Marc Hagan-Guirey 2015-09-01 Paper Dandy's

Horrorgami features 20 kirigami (cut-and-fold) designs based around haunted houses and scenes from horror films by the creator of the successful Horrorgami blog and exhibition. Each project features step-by-step instructions and a template that you remove from the book. You then follow the lines on the template, cutting and folding to make your own kirigami model. All you need is a scalpel, a cutting mat and a ruler. Clear cutting tips help you with the tricky stages and give you an order in which to complete your work, while photos of the finished model show you the final design. Suitable for folding experts and beginners alike, Paper Dandy's Horrorgami makes the perfect Halloween activity.

Sticks and Stones Melissa Lennig

2019-05-07 *Sticks and Stones* presents a treasure trove of building and engineering ideas for children to employ in the great outdoors using the materials made readily available to them, from cabins and tipis to bridges and dams. Many smaller scale projects are included, too—such as how to make ochre paint with shale, make a fishing pole, and carve a marshmallow roasting stick. Opportunities and materials for constructive play exist everywhere in nature. Author Melissa Lennig (of the blog *Fireflies and Mud Pies*) introduces today's screen-overloaded kids to this world of fun waiting just outside the door. Whether camping or hanging out in the back yard,

children will marvel at the wonderful, useful tools and playthings they can create with natural objects. *Sticks and Stones* details various designs for the ever-popular fort (cabins, tipis, survival shelters, etc.) and also covers structures such as bridges, fences, and dams, while explaining the STEAM principles behind each. In addition to structures, there are other ideas and projects for camping and the backyard, like a fire ring (explaining the types of fires, airflow, and safety), the always useful tripod, a travois, a rock garden, and toy boats. Along the way, there are multi-leveled reading opportunities in the form of quick features on considerations like mindfulness, campfire safety, mini STEAM design challenges, and more. *Sticks and Stones* is an essential resource for every junior outdoor adventurer.

Sonny Bill Williams Sonny Bill Williams
2021-10-13 Sonny Bill Williams (SBW) is a once in a hundred-year athlete with immense sporting talent in Rugby League, Rugby Union and Boxing. Sonny Bill has built an incredible career and sporting reputation across the globe. His athleticism has taken him from inner-city Auckland, where he grew up, to the highest sporting moments in Twickenham, Eden Park and Sydney's Olympic Stadium. But there is so much more to Sonny Bill Williams' life and journey than his on-field and in-the-ring triumphs. Sonny Bill's love of family, his faith, his skill and performance throughout his unparalleled sporting career, his ability

to unite a team under pressure, his grace in owning his mistakes, the challenges of leaving home as a young man and dealing with a negative culture and the temptations that followed, and his courage in speaking out for the vulnerable and calling out injustice are all aspects of an inspiring life story. Sonny Bill Williams was the first Muslim to play for the All Blacks. Driven by a fierce moral compass, Sonny Bill Williams thoughtfully and authentically uses his standing and platform as both a UNICEF Ambassador and an elite sportsman to speak out on political issues that confront the world today and to benefit those struggling in life. He is a dedicated family man, devoted to his faith, committed to his teammates, respectful of his fans and aware that the path he has taken can inspire and empower others. Working with Alan Duff, award-winning author of *Once Were Warriors*, this will be the must-read autobiography of the year.

The Strange Case of Origami Yoda

(Origami Yoda #1) Tom Angleberger
2012-08-07 In this funny, uncannily wise portrait of the dynamics of a sixth-grade class and of the greatness that sometimes comes in unlikely packages, Dwight, a loser, talks to his classmates via an origami finger puppet of Yoda. If that weren't strange enough, the puppet is uncannily wise and prescient. Origami Yoda predicts the date of a pop quiz, guesses who stole the classroom Shakespeare bust, and saves a classmate from popularity-crushing embarrassment with some well-timed advice. Dwight's classmate Tommy wonders how Yoda can be so smart when Dwight himself is so clueless. With contributions from his puzzled classmates, Tommy assembles this first case file in the blockbuster bestselling *Origami Yoda* series, written by Tom Angleberger, author of *Star Wars: Return of the Jedi: Beware the Power of the Dark Side*, and hailed by *School Library Journal* as "honest, funny, and immensely entertaining."
