The Restoration of Engravings, Drawings, Books, and Other Works on Paper Max Schweidler, 2006 Ever since its original publication in Germany in 1938, Max Schweidler's *Die Instandsetzung von Kupferstichen, Zeichnungen, Buchern usw* has been recognized as a seminal modern text on the conservation and restoration of works on paper. To address what he saw as a woeful dearth of relevant literature and in order to assist those who have 'set themselves the goal of preserving cultural treasures,' the noted German restorer composed a thorough technical manual covering a wide range of specific techniques, including detailed instructions on how to execute structural repairs and alterations that, if skilfully done, can be virtually undetectable. By the mid-twentieth century, curators and conservators of graphic arts, discovering a nearly invisible repair in an old master print or drawing, might comment that the object had been 'Schweidlerized.' This volume, based on the authoritative revised German edition of 1949, makes Schweidler's work available in English for the first time, in a meticulously edited and annotated critical edition. The editor's introduction places the work in its historical context and probes the philosophical issues the book raises, while some two hundred annotated

**European Pack for Visiting Auschwitz-Birkenau Memorial and Museum** Alicja Białecka, 2010-01-01 Taking groups of students To The Auschwitz-Birkenau Memorial and Museum is a heavy responsibility, but it is a major contribution to citizenship if it fosters understanding of what Auschwitz stands for, particularly when the last survivors are at the end of their lives. It comes with certain risks, however. This pack is designed for teachers wishing to organise student visits to authentic places of remembrance, and For The guides, academics and others who work every day with young people at Auschwitz. There is nothing magical about visiting an authentic place of remembrance, and it calls for a carefully thought-out approach. To avoid the risk of inappropriate reactions or the failure to benefit from a large investment in travel and accommodation, considerable preparation and discussion is necessary before the visit and serious reflection afterwards. Teachers must prepare students for a form of learning they may never have met before. This pack offers insights into the complexities of human behaviour so that students can have a better understanding of what it means to be a citizen. How are they concerned by what happened at Auschwitz? Is the unprecedented process of exclusion that was practised in the Holocaust still going on in Europe today? In what sense is it different from present-day racism and anti-Semitism? The young people who visit Auschwitz in the next few years will be witnesses of the last witnesses, links in the chain of memory. Their generation will be the last to hear the survivors speaking on the spot. The Council of Europe, The Polish Ministry of Education And The Auschwitz-Birkenau Memorial and Museum are jointly sponsoring this project aimed at preventing crimes against humanity through Holocaust remembrance teaching.

**Sterling Karat Gold** Isabel Waidner, 2023-02-07 Like Franz Kafka's *The Trial* for the post-truth era, at once "surreal, polemical, and fun" (*The Telegraph*). Sterling Beckenbauer is plunged into a terrifying and nonsensical world one morning when they are attacked, then unfairly arrested, in their neighborhood in London. With the help of their friends, Sterling hosts a trial of their own in order to exonerate themselves and to hold the powers that be to account. *Sterling Karat Gold*, in the words of Kamila Shamsie, is "a madly brilliant and deeply sane novel that reveals surrealism as possibly the most effective way of talking about the political moment we find ourselves in." In it, Isabel Waidner concocts a world replete with bullfighters, high fashion, DIY theater, the Beach Boys, and time-traveling spaceships. The acclaimed winner of the 2021 Goldsmiths Prize for fiction that breaks the mold and extends the possibilities of the form, this novel explores the phantasmagoric nature of contemporary life, especially for nonbinary migrants, and daringly revises how solidarity and justice might be sought and won. *Sterling Karat Gold* couldn't be a better North American introduction to a writer with an irresistible style and unforgettable vision.

**Living While Black** Guilaine Kinouani, 2022-01-25 A *Guardian* "Best Book of 2021" Selection A powerful look at the impacts of anti-Black racism and a practical guide for overcoming racial trauma through radical self-care as a form of resistance Over the past 15 years, radical psychologist Guilaine Kinouani has focused her research, writing, and workshops on how racism affects both physical and mental health. *Living While Black* gives

voice to the diverse, global experiences of Black people, using personal stories, powerful case studies, and eye-opening research to offer expert guidance on how to set boundaries and process micro-aggressions; protect children from racism; handle difficult race-based conversations; navigate the complexities of Black love; and identify and celebrate the wins. Based on her findings, Kinouani has devised tried-and-tested strategies to help protect Black people from the harmful effects of verbal, physical, and structural racism. She empowers Black readers to adopt self-care mechanisms to improve their day-to-day wellness to help them thrive, not just survive, and to find hope and beauty—or even joy—in the face of racial adversity. She also provides a vital resource for allies seeking to better understand the impacts of racism and how they can help. With the rise of far-right ideologies and the increase of racist hate crimes, *Living While Black* is both timely and instrumental in moving conversations from defining racism for non-Black majorities to focusing on healing and nurturing the mental health of those facing prejudice, discrimination, and the lasting effects of the violence of white supremacy.

*Thin Places* Kerri ní Dochartaigh, 2022-04-12 An Indie Next Selection for April 2022 An Indies Introduce Selection for Winter/Spring 2022 A Junior Library Guild Selection Both a celebration of the natural world and a memoir of one family's experience during the Troubles, *Thin Places* is a gorgeous braid of "two strands, one wondrous and elemental, the other violent and unsettling, sustained by vividly descriptive prose" (The Guardian). Kerri ní Dochartaigh was born in Derry, on the border of the North and South of Ireland, at the very height of the Troubles. She was brought up on a

council estate on the wrong side of town—although for her family, and many others, there was no right side. One parent was Catholic, the other was Protestant. In the space of one year, they were forced out of two homes. When she was eleven, a homemade bomb was thrown through her bedroom window. Terror was in the very fabric of the city, and for families like ní Dochartaigh's, the ones who fell between the cracks of identity, it seemed there was no escape. In *Thin Places*, a luminous blend of memoir, history, and nature writing, ní Dochartaigh explores how nature kept her sane and helped her heal, how violence and poverty are never more than a stone's throw from beauty and hope, and how we are, once again, allowing our borders to become hard and terror to creep back in. Ní Dochartaigh asks us to reclaim our landscape through language and study, and remember that the land we fight over is much more than lines on a map. It will always be ours, but—at the same time—it never really was.
