**Papertoy Monsters** Brian Castleforte,2010-12-29 A breakthrough paper-folding book for kids—paper airplanes meet Origami meets Pokemon. Papertoys, the Internet phenomenon that's hot among graphic designers and illustrators around the world, now comes to kids in the coolest new book. Created and curated by Brian Castleforte, a graphic designer and papertoy pioneer who rounded up 25 of the hottest papertoy designers from around the world (Indonesia, Japan, Australia, Italy, Croatia, Chile, even Jackson, Tennessee), Papertoy Monsters offers 50 fiendishly original die-cut designs that are ready to pop out, fold, and glue. The book interleaves card stock with paper stock for a unique craft package; the graphics are colorful and hip, combining the edginess of anime with the goofy fun of Uglydolls and other collectibles. Plus each character comes with its own back-story. And the results are delicious: meet Pharaoh Thoth Amon, who once ruled Egypt but is now a mummy who practices dark magic in his sarcophagus. Or Zumbie the Zombie, who loves nothing more than a nice plate of brains and yams. NotSoScary, a little monster so useless at frightening people that he has to wear a scary mask. Yucky Chuck, the lunchbox creature born in the deepest depths of your school bag. **Play Like a Man, Win Like a Woman** Gail Evans, 2001-09-11 An honest and practical handbook that reveals important insights into relationships between men and women and work, *Play Like a Man, Win Like a Woman*, is a must-read for every woman who wants to leverage her power in the workplace. Women make up almost half of today's labor force, but in corporate America they don't share half of the power. Only four of the Fortune 500 company CEOs are women, and it's only been in the last few years that even half of the Fortune 500 companies have more than one female officer. A major reason for this? Most women were never taught how to play the game of business. Throughout her career in the super-competitive, male-dominated media industry, Gail Evans, one of the country's most powerful executives, has met innumerable women who tell her that they feel lost in the workplace, almost as if they were playing a game without knowing the directions. In this book, she reveals the secrets to the playbook of success and teaches women at all levels of the organization--from assistant to vice president--how to play the game of business to their advantage. Men know the rules because they wrote them, but women often feel shut out of the process because they don't know when to speak up, when to ask for responsibility, what to say at an interview, and a lot of other key moves that can make or break a career. Sharing with humor and candor her years of lessons from corporate life, Gail Evans gives readers practical tools for making the right decisions at work. Among the rules you will learn are: • How to Keep Score at Work • When to Take a Risk • How to Deal with the Imposter Syndrome • Ten Vocabulary Words That Mean Different Things to Men and Women • Why Men Can be Ugly, and You Can't • When to Quit Your Job
