Winterfest Michelle Houts 2014-09-09 An ordinary Danish Christmas turns extraordinary when a family overlooks an important folkloric tradition. Christmas has come, and with it a sparkling white winterfrost over the countryside. But twelve-year-old Bettina's parents have been called away unexpectedly, leaving her in charge of the house, the farm, and baby Pia. In all the confusion, Bettina's family neglects to set out the traditional bowl of Christmas rice pudding for the tiny nisse who are rumored to look after the family and their livestock. No one besides her grandfather ever believed the nisse were real, so what harm could there be in forgetting this silly custom? But when baby Pia disappears during a nap, the magic of the nisse makes itself known. To find her sister and set things right, Bettina must venture into the miniature world of these usually helpful, but sometimes mischievous folk. A delightful winter adventure for lovers of the legendary and miraculous.

Come and Worship Hm Beverly Smith 2021-08 The wisemen saw a special star in the sky as an invitation to seek the Messiah. They traveled far to come and worship Jesus. This Advent, inspired traditions invites your family to journey through scripture in search of Jesus with the Jesse Tree. For centuries, the Jesse Tree tradition taught children about the family tree of Jesus. The name comes from Isaiah 11:1. Many years before Jesus' birth, Isaiah told about the savior who would come. He used a word picture to describe Jesus. Like a small branch that grows out of a stump into a new tree, Jesus would be born into Jesse's family, the family of David. This Jesse Tree picture book is an advent guide, counting down to Christmas day. Enhanced with references from both the Old and New Testaments for each day, we trace not just the lineage of Jesus, but also prophecy fulfilled, and the Good News of His coming. When families worship together and study the verses, children make connections between the Old and New Testaments to see God's perfect plan to bring all people back to himself through Jesus. During Advent, we celebrate the first coming of Jesus and anticipate His return. As you celebrate the birth of Jesus with the Jesse Tree this Christmas, we invite your family to "Come and Worship Him".

The Book of Paper Oliver Helrich 2010 In the first volume of Post Editions' new series on the creative potential of seemingly everyday materials, the subject is paper - in amazing depth. This strikingbook asks nine scholars and artists to take a multi-layered look at paper, from its beginnings in second-century China to surprising contemporary approaches. Essay topics include: species of wasps and hornets that make paper and cardboard remarkably similar to our own; the 18th-century German clergyman whose life's work was experimenting with various materials to make paper; and cardboard, a community of "visionary architecture." Origami master Paul Jackson writes about "paper music" - using paper as an acoustic medium, and Chiaki Morita introduces washi, the Japanese art of hand-made paper from the mulberry tree. Stunning black and white photos complete this impeccable package.

Origami Hearts Francis Ow 1996-01 This lovely book offers 66 original and varied origami heart designs that are simple enough for beginners to make, and challenging enough for more accomplished origami aficionados. All projects feature easy-to-follow instructions, and most are intended for practical use, including rings, boxes, caps, coasters, and frames. In color.
