Origami Ornaments Lew Rozelle 2000-11-11 Based on the design of traditional Japanese Kusudama ceremonial spheres, Origami Ornaments offers step-by-step instructions on how to create colorful paper folding decorations--from disco balls and unique cubes to lovely globe and lantern shapes--while remaining true to origami purist standards. Featuring four basic model designs--base, joiner, clip, and hinge--that can create limitless, unique ornaments, this orgiami book offers do-it-yourself designs small enough to hang on a Christmas tree or large enough to hold aromatic potpourri. As the ornaments rest they will open gently, like flowers, but still not come apart. Additional instructions for incorporating strings and tassels, as well as suggestions for utilizing different wrapping paper colors and patterns, will make these original ornaments dazzle. Origami Ornaments is the perfect book for holiday crafters and origami enthusiasts alike.

Mister Miracle Tom King 2019-02-19 From Hugo Award-winning writer Tom King and artist Mitch Gerads, the team behind THE SHERIFF OF BABYLON, comes an ambitious new take on one of Jack Kirby's most beloved New Gods in MISTER MIRACLE! One of the best-reviewed series of the year and already a classic in the making, this Mister Miracle is magical, dark, intimate and unlike anything you've read before. Scott Free is the greatest escape artist who ever lived. So great, he escaped Granny Goodness' gruesome orphanage and the dangers of Apokolips to travel across galaxies and set up a new life on Earth with his wife, Big Barda. Using the stage alter ego of Mister Miracle, he has made quite a career for himself showing off his acrobatic escape techniques. He even caught the attention of the Justice League, who has counted him among its ranks. You might say Scott Free has everything--so why isn't it enough? Mister Miracle has mastered every illusion, achieved every stunt, pulled off every trick--except one. He has never escaped death. Is it even possible? Our hero is going to have to kill himself if he wants to find out. Collects MISTER MIRACLE #1-12.

That Time I Got Reincarnated As a Slime 15 Fuse 2020-12-15 As players of Monster Hunter and Dungeons & Dragons know, the slime is not exactly the king of the fantasy monsters. So when a 37-year-old Tokyo salaryman dies and wakes up in a world of elves and magic, he's a little disappointed to find he's become a blind, boneless slime monster. Mikami's middle age hasn't gone as he planned: He never found a girlfriend, he got stuck in a dead-end job, and he was abruptly stabbed to death in the street at 37. So when he wakes up in a new world straight out of a fantasy RPG, he's disappointed but not exactly surprised to find that he's facing down a dragon, not as a knight or a wizard but as a blind slime demon. But there are chances for even a slime to become a hero...

Achtung-Panzer! Heinz Guderian 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Papertoy Monsters Brian Castleforte 2010-12-29 A breakthrough paper-folding book for kids--paper airplanes meet Origami meets Pokemon. Papertoys, the Internet phenomenon that's hot among graphic designers and illustrators around the world, now comes to kids in the coolest new book. Created and curated by Brian Castleforte, a graphic designer and papertoy pioneer who rounded up 25 of the hottest papertoy designers from around the world (Indonesia, Japan, Australia, Italy, Croatia, Chile, even Jackson, Tennessee), Papertoy Monsters offers 50 fiendishly original die-cut designs that are ready to pop out, fold, and glue. The book interleaves card stock with paper stock for a unique craft package; the graphics are colorful and hip, combining the edginess of anime with the goofy fun of Uglydolls and other collectibles. Plus each character comes with its own back-story. And the results are delicious: meet Pharaoh Thoth Amon, who once ruled Egypt but is now a mummy who practices dark magic in his sarcophagus. Or Zumbie the Zombie, who loves nothing more than a nice plate of brains and yams. NotSoScary, a little monster so useless at frightening people that he has to wear a scary mask. Yucky Chuck, the lunchbox creature born in the deepest depths of your school bag. Plus Zeke, the monster under your bed, Nom Nom, eater of cities, and Grumpy Gramps, the hairy grandpa monster with his very own moustache collection.

Home Ellen DeGeneres 2015-10-27 Beloved comedian and talk show host Ellen DeGeneres shares her passion for home design, a look at her homes, and the secrets she has learned over twenty-five years of renovation and decoration. Ellen DeGeneres has bought and renovated nearly a dozen homes over the last twenty-five years, and describes her real-estate and decorating adventures as "an education." She has long cared deeply about design: "I think I wanted to be an interior designer when I was thirteen." This deluxe edition of Home is printed on extremely high quality paper, printed on a sheet-fed press, and bound in a real cloth covered case with a tipped in photo of Ellen DeGeneres' living room featuring her Picasso. In Home, DeGeneres will, for the first time, share her passion for home design and style. She believes, "You don't have to have money to have good taste," and she is eager to share what she has learned over the years. DeGeneres offers a personal look at every room in each of her homes. Included are seven of her homes past and present, from the famous "Brody House" up to her current homes, and she offers tips and advice on what each house taught her. An added bonus is a look at the homes of her friends and collaborators-some of the finest designers in the country.

They share their advice on home design, furnishings, as well as a glimpse at their awe-inspiring rooms. Full of beautiful photographs, this book is a treasure trove of amazing California

architecture, unique home furnishings, breathtaking art, and hundreds of ideas on putting together the home you've always dreamed of.
