German Visor Caps of the Second World War Guilhem Touratier

2013-11-01 This full color illustrated book covers the highly collectible World War II era German visor cap. Officer and enlisted caps of the Heer, Luftwaffe, Kriegsmarine and Waffen-SS are shown in over 360 high-quality photographs, and described in detailed text. Rare and common caps are presented in both full view and up close detail showing insignia, piping, and manufacturer's tags/markings. Caps in wear are also shown in war era portraits of officers and enlisted men from the various Wehrmacht service arms.

The Collector's Guide to Cloth Third Reich Military Headgear Gary Wilkins 2001-11 This book is jam-packed with practical knowledge on German cloth military headgear. Useful information to help novice collectors learn how to avoid costly mistakes - cap construction basics and materials, descriptions of each cap model and comparisons with altered originals, modified post-war caps, and reproductions - all neatly divided into individual sections for easy reference. Also included is a series of convenient quick check lists that identify common modification

danger points for each cap type. For the advanced collector, the book offers historical background about the German cap making industry with the first-ever comprehensive listing of German cap makers, maker mark illustrations, and many individual histories, including never published information on the history and sad fate of the famous cap maker Robert Lubstein/EREL. Over 220 color and black and white contemporary and period photographs bring The Pocket Guide to Third Reich Military Headgear to life.
