About the editor: Justin Gustainis has been an Army officer, speechwriter and professional bodyguard. He is currently a college professor living in upstate New York. He is the author of The Hades Project, Black Magic Woman, Evil Ways, Hard Spell and Sympathy for the Devil. He has also published a number of short stories, two of

which won the Graverson Award for Horror in consecutive years. He is a graduate of the Odyssey Writing Workshop. Praise: Urban fantasy has a special place in my heart, and the Occult Detective is perhaps the fundamental urban-fantasy archetype. An anthology of this kind can serve two purposes: The first is to provide a taste of the genre to those that might otherwise be unfamiliar with it, and the second is to provide fans of the genre a chance to discover writers they may not have already come across. It was well worth the read and I would recommend it wholeheartedly for any fan of the urban fantasy/occult detective genre; even more so if you are unfamiliar with the genre and would like a taste as to what it's all about. — Nick Bronson -- Urban Fantasy readers will love this book, and it is a first-rate group of stories. — Paul Lappan, Reviewer
