The Roman Colosseum Adam Woog 2013 The Roman Colosseum is the most remarkable remnant of the mighty Roman Empire, which remains one of the greatest realms in world history. Completed in 80 AD, the Colosseum was the site of countless spectacular performances, most famously the bloody games that pitted warriors called gladiators against each other and wild animals. The Colosseum later fell into centuries of neglect and ruin, but today the existing shell of the great arena is a beloved icon of Italy and one of the most recognizable structures in the world.

The Transcontinental Railroad Michael Rajczak 2013-12-15 The transcontinental railroad didn't really cross North America. In fact, the famed rail building that took place in the 1860s only completed the stretch from Nebraska to California! Readers will learn many new facts about the transcontinental railroad to augment what they learn in the social studies classroom. Historical images drive home the

reality of a 12-hour workday, poor treatment of Chinese immigrant workers, and the dangerous tunneling through the Sierra Nevada. Fact boxes will further fascinate readers with one of the greatest industrial marvels of US history.

The Voice Inside Daria Kathleen Sherman PhD 2018-02-07 "The Voice Inside" reminds a child to trust their own inner guidance. When establishing a daily connection to God we are less likely to give into peer pressure, or follow the herd mentality. From a very young age we are taught to listen to parents, teachers and others at the exclusion of self inquiry. While children need the teaching and guidance from others in order to learn, the primary source in decision making is from the Higher self.
