**For My Bridesmaid** Ariel Books 1999-10 She was already a friend, and now she's fulfilling the most important role of all. Here's the perfect way for brides to say "thank you" to those friends most dear.

My Watercolor Paintings Raissa La Caille 2020-06-29 This book is a compilation of some of my watercolor creations. It is not a comprehensive collection but a preview of subject matter and the artist's style. The inspiration for each painting is unique and holds special significance for the artist.

Babies with Down Syndrome Susan J. Skallerup 2008 Offers advice on issues such as prenatal testing, developmental expectations, medical needs, legal help, educational assistance, and familial adjustment.

**Paradise Falls** Keith O'Brien 2022-04-12 The staggering story of an unlikely band of mothers in the 1970s who discovered Hooker Chemical's deadly secret of Love Canal—exposing one of America's most devastating toxic waste disasters and sparking the modern environmental movement as we know it today. Lois Gibbs, Luella Kenny, and other mothers loved their neighborhood on the east side of Niagara Falls. It had an elementary school, a playground, and rows of affordable homes. But in the spring of 1977, pungent odors began to seep into these little houses, and it didn't take long for worried mothers to identify the curious scent. It was the sickly sweet smell of chemicals. In this propulsive work of narrative storytelling, NYT journalist Keith O'Brien uncovers how Gibbs and Kenny exposed the poisonous secrets buried in their neighborhood. The school and playground had been built atop an old canal—Love Canal, it was called—that Hooker Chemical, the city's largest employer, had quietly filled with twenty thousand tons of toxic waste in the 1940s and 1950s. This waste was now leaching to the surface, causing a public health crisis the likes of which America had never seen before and sparking new and specific fears. Luella Kenny believed the chemicals were making her son sick. O'Brien braids together previously unknown stories of Hooker Chemical's deeds; the local newspaperman, scientist, and congressional staffer who tried to help; the city and state officials who didn't; and the heroic women who stood up to corporate and governmental indifference to save their families and their children. They would take their fight all the way to the top, winning support from the EPA, the White House, and even President Jimmy Carter. By the time it was over, they would capture America's imagination. Sweeping and electrifying, Paradise Falls brings to life a defining story from our past, laying bare the dauntless efforts of a few women who—years before Erin Brockovich took up the mantle—fought to rescue their community and their lives from the effects of corporate pollution and laid foundation for the modern environmental movement as we know it today.

**Comic Book Women** Peyton Brunet 2022-01-11 The history of

comics has centered almost exclusively on men. Comics historians largely describe the medium as one built by men telling tales about male protagonists, neglecting the many ways in which women fought for legitimacy on the page and in publishers' studios. Despite this male-dominated focus, women played vital roles in the early history of comics. The story of how comic books were born and how they evolved changes dramatically when women like June Tarpé Mills and Lily Renée are placed at the center rather than at the margins of this history, and when characters such as the Black Cat, Patsy Walker, and Señorita Rio are analyzed. Comic Book Women offers a feminist history of the golden age of comics, revising our understanding of how numerous genres emerged and upending narratives of how male auteurs built their careers. Considering issues of race, gender, and sexuality, the authors examine crime, horror, jungle, romance, science fiction, superhero, and Western comics to unpack the cultural and industrial consequences of how women were represented across a wide range of titles by publishers like DC, Timely, Fiction House, and others. This revisionist history reclaims the forgotten work done by women in the comics industry and reinserts female creators and characters into the canon of comics history.

**The Law-Breakers** Ridgwell Cullum 2018-09-20 Reproduction of the original: The Law-Breakers by Ridgwell Cullum Directory of Competitive Exams in India

The Devil's Half Acre Kristen Green 2022-04-12 The inspiring true story of an enslaved woman who liberated an infamous slave jail and transformed it into one of the nation's first HBCUs In The Devil's Half Acre, New York Times bestselling author Kristen Green draws on years of research to tell the extraordinary and little-known story of young Mary Lumpkin, an enslaved woman who blazed a path of liberation for thousands. She was forced to have the children of a brutal slave trader and live on the premises of his slave jail, known as the "Devil's Half Acre." When she inherited the jail after the death of her slaveholder, she transformed it into "God's Half Acre," a school where Black men could fulfill their dreams. It still exists today as Virginia Union University, one of America's first Historically

Black Colleges and Universities. A sweeping narrative of a life in the margins of the American slave trade, *The Devil's Half Acre* brings Mary Lumpkin into the light. This is the story of the resilience of a woman on the path to freedom, her historic contributions, and her enduring legacy.

Water+Ink Coloring Book Winter 2020 Kim Winberry 2019-07-22 I begin my paintings with a sketch and application of colorful/bright pigment and water to the paper. I disrupt the blends with salt or water, watching as one color blossoms in water, as another color starts to travel across the paper. I utilize India Ink to demarcate changes, also adding swirls other artifacts, in the aim to achieve whimsy. My coloring books are my paintings! I run the paintings through filters and drop the color from them, leaving the lines so that you can add your own color. But wait, there's more... I've added an Augmented Reality component to this. Wonder what colors I used for that piece in the corner there? Take out your phone, download the Zappar app from your app store and "zap" the code. What happens? At the very least an image of the original painting will pop up and you can see what it looks like, side by side with the coloring page. Beyond that, you'll meet Mist, my liaison to the AR world. She will be a recurring character in all my AR work. Stay tuned and enjoy.

*Kind Words Are Like Honey... Sweet to the Soul* Sav Journals 2021-05-13 120 page lined journal - college-ruled line spacing : Bible Verse Cover - Proverbs 16:24 : 6x9 size

**Jens F. Collier Schorr** 2005 Essay by Collier Schorr. Interview with Jens. F.

**Saints Around the World** Meg Hunter-Kilmer 2021-08-16 The lives of the Saints are one of the most powerful ways God draws people to himself, showing us the love and the joy we can find in him. But so often, these Saints seem distant—impossibly holy or dull or unlike us in race and age and state in life. In *Saints Around the World*, you'll meet over one-hundred Saints from more than sixty countries, including Saints with different disabilities, strengths, and struggles. The beautiful illustrations and captivating storytelling will introduce you and your children to new heavenly friends while also helping you fall more in love with Jesus. Each story in this book is written not only to capture the imagination but also to speak about God's tremendous love and our call to be saints. There are stories in *Saints Around the World* for when you feel like life isn't fair, when people are being unkind to you, when you've made a terrible mistake, when you're struggling at school, when prayer is hard. And there are stories of shouting down Nazis, of fleeing a murderous villain, of making scientific discoveries, of smoking a cigar while enemy soldiers amputate your leg. There are scared Saints, brilliant Saints, weak Saints, adventurous Saints, abused Saints, overjoyed Saints, disabled Saints—and the point of every one of them is the love of God. Whether you're checking the map to find Saints who look like you or perusing the extensive indices to find Saints with your skills or struggles, you'll find countless stories in this book that remind you how very possible holiness is.

**Poor Richard's Women** Nancy Rubin Stuart 2022-03-15 A vivid portrait of the women who loved, nurtured, and defended America's famous scientist and founding father. Everyone knows Benjamin Franklin—the thrifty inventor-statesman of the Revolutionary era—but not about his love life. *Poor Richard's Women* reveals the long-neglected voices of the women Ben loved and lost during his lifelong struggle between passion and prudence. The most prominent among them was Deborah Read Franklin, his common-law wife and partner for 44 years. Long dismissed by historians, she was an independent, politically savvy woman and devoted wife who raised their children, managed his finances, and fought off angry mobs at

gunpoint while he traipsed about England. Weaving detailed historical research with emotional intensity and personal testimony, Nancy Rubin Stuart traces Deborah's life and those of Ben's other romantic attachments through their personal correspondence. We are introduced to Margaret Stevenson, the widowed landlady who managed Ben's life in London; Catherine Ray, the 23-year-old New Englander with whom he traveled overnight and later exchanged passionate letters; Madame Brillon, the beautiful French musician who flirted shamelessly with him, and the witty Madame Helvetius, who befriended the philosophes of pre-Revolutionary France and brought Ben to his knees. What emerges from Stuart's pen is a colorful and poignant portrait of women in the age of revolution. Set two centuries before the rise of feminism, *Poor Richard's Women* depicts the feisty, often-forgotten women dear to Ben's heart who, despite obstacles, achieved an independence rarely enjoyed by their peers in that era.

*Within the Law* Bayard Veiller 1917 *Within the Law: A Melodrama in Four Acts* by Bayard. Veiller, first published in 1917, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

*In Most Tides an Island* 2018-05-30 Nicholas Muellner's most recent image-text book journeys through shifting tableaux of exile and solitude in the digital age. Seductive, disorienting, informative and allegorical, *In Most Tides an Island* is at once a glimpse of contemporary post-Soviet queer life, a meditation on solitude and desire, and an inquiry into the nature of photography and poetry in a world consumed by cruelty, longing, resignation and hope. This work emerged from two very different impulses: to witness the lives of closeted gay men in provincial Russia, and to compose the gothic tale of a solitary woman on a remote tropical island. Along the way, these disparate pursuits - one predicated on documentation, the other on invention - unexpectedly converged. Shot along Baltic, Caribbean and Black Sea coastlines, distant landscapes met at the rocky point of Alone. From that vista, they ask: what do intimacy and solitude mean in a radically alienated but hyper-connected world? *In Most Tides an Island* challenges photographic and literary conventions, collapsing portraiture and landscape, documentary and fiction, metaphor and description into the artist's distinct form of hybrid narrative. This shape-shifting work is threaded together by the voice of the wandering narrator and the unexpected visual echoes between these far-flung landscapes. A mysterious stream of faceless but expressive online profile pictures further links the divergent stories. These anonymous figures serve as an emotional semaphore, signaling across genres and geographies and between language and image.

A Law Unto Itself Nancy Lisagor 1989 Traces the history of the influential American law firm, whose senior partners have included John Foster and Allen Dulles, and looks at the firm's role in corporate takeovers

*Integrity Poster* Enna 2017-09-11 The poster is available with a thin Plastic Film Coating to protect against dust and grime, fading due to light exposure, and oil from finger marks. We encourage our customers to protect their posters with this product.

*Everything Is Always Perfect* Ivan Paganacci 2018-09-06 A banal man finds himself on an astonishing journey, much to his annoyance; a lonely man starts a unique dating

service in his quest to find a perfect wife; a college girl learns that her roommate isn't what she seems; an annual meeting of the global elite gets a surprise, deadly guest; a first-grader needs to use the bathroom but the teacher won't let him; and a man discovers that leaving reality for something potentially much more interesting is as simple as walking through a door... with one important catch. These and other stories in *Everything Is Always Perfect* deliver savage humor in their investigation of assumed truths and imagined possibilities.

**Super Mario Encyclopedia: The Official Guide to the First 30 Years** Nintendo 2018-10-23 Power Up! Super Mario Bros. Encyclopedia: The Official Guide to the First 30 Years is jam-packed with content from all seventeen Super Mario games--from the original Super Mario Bros. to Super Mario 3D World. With information on enemies, items, obstacles, and worlds from over thirty years of Mario, Super Mario Bros. Encyclopedia is the definitive resource for everything Super Mario!

*City of Incurable Women* Maud Casey 2022-02-22 In a fusion of fact and fiction, nineteenth-century women institutionalized as hysterics reveal what history ignored "City of Incurable Women is a brilliant exploration of the type of female bodily and psychic pain once commonly diagnosed as hysteria--and the curiously hysterical response to it commonly exhibited by medical men. It is a novel of powerful originality, riveting historical interest, and haunting lyrical beauty." --Sigrid Nunez, author of *The Friend and What Are You Going Through* "Where are the hysterics, those magnificent women of former times?" wrote Jacques Lacan. Long history's ghosts, marginalized and dispossessed due to their gender and class, they are reimagined by Maud Casey as complex, flesh-and-blood people with stories to tell. These linked, evocative prose portraits, accompanied by period photographs and medical documents both authentic and invented, poignantly restore the humanity to the nineteenth-century female psychiatric patients confined in Paris's Salpêtrière hospital and reduced to specimens for study by the celebrated neurologist Jean-Martin Charcot and his male colleagues. Maud Casey is the author of five books of fiction, including *The Man Who Walked Away*, and a work of nonfiction, *The Art of Mystery: The Search for Questions*. A Guggenheim Fellow and recipient of the St. Francis College Literary Prize, she teaches at the University of Maryland.

*Achtung-Panzer!* Heinz Guderian 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

**The Dark Queens** Shelley Puhak 2022-02-22 "A well-researched and well-told epic history. The Dark Queens brings these courageous, flawed, and ruthless rulers and their distant times back to life."--Margot Lee Shetterly, New York Times-bestselling author of *Hidden Figures* The remarkable, little-known story of two trailblazing women in the Early Middle Ages who wielded immense power, only to be vilified for daring to rule. Brunhild was a foreign princess, raised to be married off for the sake of alliance-building. Her sister-in-law Fredegund started out as a lowly palace slave. And yet--in sixth-century Merovingian France, where women were excluded from noble succession and royal politics was a blood sport--these two iron-willed strategists reigned over vast realms, changing the face of Europe. The two queens commanded armies and negotiated with kings and popes. They formed coalitions and broke them, mothered children and lost them. They fought a decades-long civil war--against each other. With ingenuity and skill, they battled to stay alive in the game of statecraft, and in the process laid the foundations of what would one day be Charlemagne's empire. Yet after the queens' deaths--one gentle, the other horrific--their stories were rewritten, their names consigned to slander and legend. In *The Dark Queens*, award-winning writer Shelley Puhak sets the record straight. She resurrects two very real women in all their complexity, painting a richly detailed portrait of an unfamiliar time and striking at the roots of some of our culture's stubbornest myths about female power. *The Dark Queens* offers proof that the relationships between women can transform the world.

**Rare Breeds** Lawrence Alderson 2008-03-04 Breeds of livestock on British farms are changing constantly. New breeds emerge, foreign breeds are imported, while some native breeds lose popularity and become endangered. More than half the native breeds in Britain are rare and potentially threatened with extinction, yet they are an integral part of our history and heritage. Many of them are distinctive animals, and some possess special characteristics that could be of value to the livestock industry. A return to more traditional values was seen towards the end of the twentieth century, and this will serve to enhance the value of native breeds.

*Russian San Francisco* Lydia B. Zaverukha 2009-12-01 Even before San Francisco was founded as a city, Russian visitors, explorers, and scientists sailed to the area and made contact with both the indigenous people and representatives of the Spanish government. Although the Russian commercial colony of Fort Ross closed in 1842, the Russian presence in San Francisco continued and the community expanded to include churches, societies, businesses, and newspapers. Some came seeking opportunity, while others were fleeing religious or political persecution. In the 1920s, San Francisco's Russian population grew exponentially as refugees of the Russian Revolution and civil war arrived, and by the 1950s, a vibrant and culturally rich Russian A(c)migrA(c) community was thriving in San Francisco. Today the 75,000 Russian speakers who live in the San Francisco Bay Area continue to pass on their heritage to their children.

**Make Herstory Your Story** Rebecca Sive 2022-01-02 Every Woman. Can. Make. Herstory. In the inspirational tradition of First Lady Michelle Obama's journal, *Becoming*, *Make Herstory Your Story* is for activist women

journaling their leadership dreams and ambitions. It features motivational graphics and accompanying advice for building projects, organizations-even movements-to create the life every woman and girl deserves, including you. Make Herstory Your Story is for every woman who dreams of making the world a better place and is committed to leading the work to get that done. If you're that woman, Make Herstory Your Story is for you.

Freedom in Science and Teaching Ernst Haeckel 1879

*That Time I Got Reincarnated As a Slime* 15 Fuse

2020-12-15 As players of Monster Hunter and Dungeons & Dragons know, the slime is not exactly the king of the fantasy monsters. So when a 37-year-old Tokyo salaryman dies and wakes up in a world of elves and magic, he's a little disappointed to find he's become a blind, boneless slime monster. Mikami's middle age hasn't gone as he planned: He never found a girlfriend, he got stuck

in a dead-end job, and he was abruptly stabbed to death in the street at 37. So when he wakes up in a new world straight out of a fantasy RPG, he's disappointed but not exactly surprised to find that he's facing down a dragon, not as a knight or a wizard but as a blind slime demon. But there are chances for even a slime to become a hero...
